CEDAR CROSSINGS COMMUNITY DEVELOPMENT DISTRICT

ENGINEER'S REPORT

1. INTRODUCTION

The purpose of this report is to provide a description of the capital improvement plan (CIP) and estimated costs of the CIP, for the Cedar Crossings Community Development District (District or CDD).

2. GENERAL SITE DESCRIPTION

The District consists of ±79.05 acres of land and is located entirely within the City of Haines City, Florida (City). The site generally straddles East Robinson Drive, approximately 0.5 miles east of South 30th Street, north of Roe Road and southeast of Grace Avenue.

3. PROPOSED CAPITAL IMPROVEMENT PLAN

The CIP is intended to provide public infrastructure improvements for the entire development, which is planned for 298 residential homes. The following charts show the planned product types and land uses for the District:

Table 1

Product Type	Total Units
Cedar Crossings	
42' Lots	107
52' Lots	129
62' Lots	45
70' Lots	17
TOTAL	298

Table 2

Land Use	Acreage
Lot Development	43.58
Roads	16.36
Common Areas	10.27
Stormwater Ponds	6.45
Landscape Buffers	2.39
TOTAL	79.05 +/-

The CIP infrastructure includes:

Roadway Improvements:

The CIP includes subdivision roads within the District. Generally, all roads will be 2-lane un-divided roads. Such roads include the roadway asphalt, base, and subgrade, roadway curb and gutter, striping and signage and sidewalks within rights-of-way abutting non-lot lands. Sidewalks abutting lots will be constructed by the homebuilders and owned by the District. All roads will be designed in accordance with City standards.

All internal roadways may be financed by the District, and dedicated to the City for ownership, operation, and maintenance. Alternatively, the developer may elect to finance the internal roads, gate them and turn them over to the District for ownership, operation and maintenance. In such an event, the District would be limited to financing only utilities, conservation/mitigation and stormwater improvements behind such gated areas.

Stormwater Management System:

The stormwater collection and outfall system are a combination of roadway curbs, curb inlets, pipe, control structures and open ponds designed to treat and attenuate stormwater runoff from District lands. The stormwater system within the project discharges to three on-site stormwater ponds. The stormwater system will be designed consistent with the criteria established by the Southwest Florida Water Management District (SWFWMD) and the City for stormwater/floodplain management systems. The District will finance, own, operate and maintain the stormwater system, with the exception that the City will own, operate and maintain the inlets and storm sewer systems within City right-of-way.

NOTE: No private earthwork is included in the CIP. Accordingly, the District will not fund any costs of mass grading of lots, or the costs of spreading fill across private lots.

Water, Wastewater and Reclaim Utilities:

As part of the CIP, the District intends to construct and/or acquire water, wastewater and reclaim infrastructure. In particular, the on-site water supply improvements include water mains that will be located within rights-of-way and used for potable water service and fire protection. Water main connections will be made at various locations along East Robinson Drive, Grace Avenue and Roe Road.

Wastewater improvements for the project will include an onsite 8" diameter gravity collection system, offsite and onsite 6" force main and an onsite lift station. The offsite force main connection will be made at or near the intersection of East Robinson Drive and proposed Cedar Crossings Boulevard.

Similarly, the reclaim water distribution system will be constructed to provide service for irrigation throughout the community and is anticipated to consist of 4" mains. An offsite reclaim connection will be made at or near the intersection of East Robinson Drive and proposed Cedar Crossings Boulevard.

The water and reclaim distribution and wastewater collection systems for all phases will be completed by the District and then dedicated to the City for operation and maintenance. The CIP will only include laterals to the lot lines (i.e., point of connection).

Hardscape, Landscape, and Irrigation:

The District will construct and/or install landscaping, irrigation and hardscaping within District common areas and rights-of-way. Hardscaping will consist of walls, placemaking elements, and sidewalks.

The City and Polk County (County) have design criteria requirements for planting and irrigation design. This project will, at a minimum, meet those requirements and, in most cases, will exceed the requirements with enhancements for the benefit of the community.

All such landscaping, irrigation and hardscaping will be owned, maintained and funded by the District. Such infrastructure, to the extent that it is located in rights-of-way owned by the City or County, will be maintained pursuant to a right-of-way agreement to be entered into with the City and the County.

Streetlights / Undergrounding of Electrical Utility Lines

The District intends to lease streetlights through an agreement with Duke Energy (Duke) in which case the District would fund the streetlights through an annual operations and maintenance assessment. As such, streetlights are not included as part of the CIP.

The CIP does however include the undergrounding of electrical utility lines within right-of-way utility easements throughout the community. Any lines and transformers located in such areas would be owned by Duke and not paid for by the District as part of the CIP.

Recreational Amenities:

In conjunction with the construction of the CIP, the District intends to construct two amenity areas, which will include a walking trail, covered picnic tables, two tot lots, and dog park, pool, a cabana, and an open green space. These improvements will be funded, owned and maintained by the District, or alternatively may be funded by the developer and turned over to a homeowners' association for ownership, operation and maintenance. If financed by the District, all such improvements will be open to the general public, but, if financed by the developer and owned by a homeowner's association, all such improvements will be considered common elements for the exclusive benefit of the District landowners.

Environmental Conservation/Mitigation

There are no forested and herbaceous wetland impacts associated with the proper construction of the District's infrastructure. Additionally, if there is a cost associated with removal of gopher tortoises for mitigation, these costs are not included within the CIP.

Professional Services

The CIP also includes various professional services. These include: (i) engineering, landscape architectural, surveying and building architectural fees, (ii) permitting and plan review costs, and (iii) development/construction management services fees that are required for the design, permitting, construction, and maintenance acceptance of the public improvements and community facilities.

Off-Site Improvements

Off-site improvements that are required by applicable development approvals, and may be financed by the District, include improvements to Grace Avenue and Roe Road. The on-site utilities will tie into the existing utilities along East Robinson Drive.

NOTE: In the event that impact fee credits are generated from any roadway, utilities or other improvements funded by the District, such credits, if any, will be the subject of a separate agreement between the applicable developer and the District. Pursuant to such an agreement, and without intending to alter the terms of such an agreement, the applicable developer may elect to retain such credits if the developer provides consideration equal to the market value of the credits in the form of work product, improvements and/or land (based on the lesser of appraised value or the developer's cost basis as it relates to land), or in the form of a cash paydown of certain debt assessments.

4. PERMITTING/CONSTRUCTION COMMENCEMENT

All necessary permits for CIP construction have either been obtained, are currently under review or will be obtained in due course by respective governmental authorities, and include the following:

- This probable costs herein have been developed using the ***Final Construction Plans for Cedar Crossings***, July 28 2022, revised September 21, 2022 prepared by *Dave Schmitt Engineering, Inc.*, and do not include anticipated carrying cost, interest reserves or other anticipated CDD expenditures that may be incurred.
- Costs include contractor mobilization, layout, survey, as-builts and associated costs with starting, progressing and finalizing the project. No remediation costs are included. No bridges are anticipated or included. No right-of-way acquisition costs are included.
- The master developer reserves the right to finance any of the improvements outlined above, and have such improvements owned and maintained by a property owner's or homeowner's association (in which case such items would not be part of the CIP), the District or a third-party.
- At the master developer's option, a third-party, or an applicable property owner's or homeowner's association may elect to maintain any District-owned improvements, subject to the terms of an agreement with the District.

6. CONCLUSIONS

The CIP will be designed in accordance with current governmental regulations and requirements. The CIP will serve its intended function so long as the construction is in substantial compliance with the design.

It is further our opinion that:

- The estimated cost to the CIP as set forth herein is reasonable based on prices currently being experienced in Polk County, Florida, and is not greater than the lesser of the actual cost of construction or the fair market value of such infrastructure;
- All of the improvements comprising the CIP are required by applicable development approvals issued pursuant to Section 380.06, Florida Statutes;
- The CIP is feasible to construct, there are no technical reasons existing at this time that would prevent the implementation of the CIP, and it is reasonable to assume that all necessary regulatory approvals will be obtained in due course;
- The reasonably expected economic life of the CIP is anticipated to be at least 20+ years; and
- The assessable property within the District will receive a special benefit from the CIP that is at least equal to such costs.

Also, the CIP will constitute a system of improvements that will provide benefits, both general and special, to all lands within the District. The general public, property owners, and property outside the District will benefit from the provisions of the District's CIP; however, these are incidental to the District's CIP, which is designed solely to provide special benefits specifically peculiar to property within the District. Special and peculiar benefits accrue to property within the District and enables properties within its boundaries to be developed.

The professional service for establishing the Construction Cost Estimate is consistent with the degree of care and skill exercised by members of the same profession under similar circumstances.

The CIP will be owned by the District or other governmental units and such CIP is intended to be available and will reasonably be available for use by the general public (either by being part of a system of improvements that is available to the general public or is otherwise available to the general public) including nonresidents of the District. All of the CIP is or will be located on lands owned or to be owned by the District or another governmental entity or on public easements in favor of the District or other governmental entity. The CIP, and any cost estimates set forth herein, do not include any earthwork, grading or other improvements on private lots or property. Regarding any fill generated by construction of the CIP, and that is not used as part of the CIP, such fill will only be placed on-site where the cost of doing so is less expensive than hauling such fill off-site. The District will pay the lesser of the cost of the components of the CIP or the fair market value.

Please note that the CIP, as presented herein, is based on current plans and market conditions which are subject to change. Accordingly, the CIP, as used herein, refers to sufficient public infrastructure of the kinds described herein (i.e., stormwater/floodplain management, sanitary sewer, potable water, etc.) to support the development and sale of the planned residential units in the District, which (subject to true-up determinations) number and type of units may be changed with the development of the site. Stated differently, during development and implementation of the public infrastructure improvements as described for the District, it may be necessary to make modifications and/or deviations for the plans, and the District expressly reserves the right to do so.

1.0 Introduction

1.1 Purpose

This First Supplemental Special Assessment Methodology Report (the "First Supplemental Report") was developed to supplement the Master Special Assessment Methodology Report (the "Master Report") dated May 30, 2024 and to provide a supplemental financing plan and a supplemental special assessment methodology for the Cedar Crossings Community Development District (the "District") located entirely within the City of Haines City, Polk County, Florida. This First Supplemental Report was developed in relation to funding by the District of a portion of the costs of public infrastructure improvements (the "Capital Improvement Plan" or "CIP") contemplated to be provided by the District (the "2025 Project").

1.2 Scope of the First Supplemental Report

This First Supplemental Report presents the projections for financing a portion of the 2025 Project described in the Engineer's Report developed by Poulos & Bennett (the "District Engineer") dated June 13, 2024 (the "Engineer's Report"), as well as describes the method for the allocation of special benefits and the apportionment of special assessment debt resulting from the provision and partial funding of the 2025 Project by the District.

1.3 Special Benefits and General Benefits

Public infrastructure improvements undertaken and funded by the District as part of the 2025 Project create special and peculiar benefits, different in kind and degree than general benefits, for properties within the District as well as general benefits to the public at large. However, as discussed within this First Supplemental Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits which accrue to property within the District. The District's 2025 Project enables properties within the District to be developed.

There is no doubt that the general public will benefit from the provision of the 2025 Project. However, these benefits are only incidental since the 2025 Project is designed to provide special benefits peculiar to property within the District. Properties outside of the District are not directly served by the 2025 Project and do not depend upon the 2025 Project to obtain or to maintain their development entitlements. This fact alone clearly distinguishes the

special benefits which the District properties receive compared to those lying outside of its boundaries.

The 2025 Project will provide public infrastructure improvements which are all necessary in order to make the lands within the District developable and saleable. The installation of such improvements will cause the value of the developable and saleable lands within the District to increase by more than the sum of the financed cost of the individual components of the 2025 Project. Even though the exact value of the benefits provided by the 2025 Project is hard to estimate at this point, it is without doubt greater than the costs associated with providing same.

1.4 Organization of the First Supplemental Report

Section Two describes the development program as proposed by the Developer, as defined below.

Section Three provides a summary of the Capital Improvement Plan and the 2025 Project as determined by the District Engineer.

Section Four discusses the supplemental financing program for the District.

Section Five discusses the supplemental special assessment methodology for the District.

2.0 Development Program

2.1 Overview

The District will serve the Cedar Crossings development, a master planned residential development located entirely within the City of Haines City, Polk County, Florida (the "Development"). The land within the District consists of approximately 79.05 +/- acres and generally straddles East Robinson Drive, approximately 0.5 miles east of South 30th Street, north of Roe Road and southeast of Grace Avenue.

2.2 The Development Program

The development of the Development is anticipated to be conducted by KB Home Orlando, LLC, or an affiliated entity (the "Developer"). Based upon the information provided by the Developer, the current development plan envisions a total of 300 residential units developed

in multiple phases, although land use types and unit numbers may change throughout the development period. Table 1 in the *Appendix* illustrates the land development plan within the District.

3.0 The Capital Improvement Plan

3.1 Overview

The public infrastructure costs to be funded by the District are described by the District Engineer in the Engineer's Report. Only public infrastructure that may qualify for bond financing by the District under Chapter 190, Florida Statutes and under the Internal Revenue Code of 1986, as amended, was included in these estimates.

3.2 Capital Improvement Plan

The Capital Improvement Plan needed to serve the District is projected to consist of offsite utility extensions (potable water, reclaim water, and forcemain), offsite roadway and storm sewer improvements, master earthwork related to roads/ public improvements, storm ponds and infrastructure, sanitary sewer infrastructure, onsite lift station, potable water infrastructure, reclaim infrastructure, landscape & irrigation, amenity & common area improvements, and onsite roads, along with contingency and professional costs, all as set forth in more detail in the Engineer's Report.

Even though all of the infrastructure included in the CIP will comprise an interrelated system of master improvements, which means that all of the improvements will serve the entire District and all improvements will be interrelated such that they will reinforce one another, according to the Engineer's Report, the public infrastructure improvements are projected to be constructed in multiple construction phases or projects coinciding with the phases of land development. The 2025 Project consists of that portion of the overall CIP that is necessary for the development of all lands within the District.

The sum of all public infrastructure improvements as described in the Engineer's Report will comprise an interrelated system of improvements, which means all of the improvements comprising the overall Capital Improvement Plan, once constructed, will serve the entire District, and improvements will be interrelated such that they will reinforce one another. At the time of this writing, the total costs of the 2025 Project are estimate at \$17,573,375. Table 2 in the

Appendix illustrates the specific components of the public infrastructure improvements and their costs.

4.0 Financing Program

4.1 Overview

As noted above, the District is embarking on a program of capital improvements which will facilitate the development of lands within the District. Generally, construction of public improvements is either funded by the Developer and then acquired by the District or funded directly by the District. In this instance, the District may acquire public infrastructure from the Developer, construct it directly, or a combination of both.

The District intends to issue Special Assessment Bonds, Series 2025 in the estimated principal amount of \$6,150,000* (the "Series 2025 Bonds") to fund an estimated \$5,536,736.95* in 2025 Project costs, with the balance of the 2025 Project costs anticipated to be contributed by the Developer.

4.2 Types of Bonds Proposed

The proposed supplemental financing plan for the District provides for the issuance of the Series 2025 Bonds in the total estimated principal amount of \$6,150,000* to finance a portion of the 2025 Project costs in the total amount estimated at \$5,536,736.95*, representing the amount of construction proceeds generated from the issuance of the Series 2025 Bonds.

The Series 2025 Bonds as projected under this supplemental financing plan are structured to be amortized in 30 annual installments following an approximately 3-month capitalized interest period. Interest payments on the Series 2025 Bonds would be made every May 1 and November 1, and annual principal payments on the Series 2025 Bonds would be made on either every May 1 or November 1.

In order to finance a portion of the 2025 Project, the District would need to borrow funds and incur indebtedness in the total amount estimated at \$6,150,000*. The difference is comprised of funding a debt service reserve, capitalized interest, and paying costs of issuance, including the underwriter's discount. Preliminary sources and uses of funding for the Series 2025 Bonds are presented in Table 3 in the *Appendix*.

* Preliminary, subject to change.

5.0 Assessment Methodology

5.1 Overview

The issuance of the Series 2025 Bonds provides the District with funds necessary to construct/acquire a portion of the 2025 Project outlined in *Section 3.2* and described in more detail by the District Engineer in the Engineer's Report. These improvements lead to special and general benefits, with special benefits accruing to properties within the boundaries of the District. General benefits accrue to areas outside, but are only incidental in nature. The debt incurred in financing the public infrastructure will be secured by assessing properties that derive special and peculiar benefits from the 2025 Project. All properties in the District receive benefits from the 2025 Project, which properties will be assessed for their fair share of debt issued in order to finance the 2025 Project.

5.2 Benefit Allocation

The current development plan for the District envisions the development of a total of 300 residential units developed in multiple phases, although unit numbers, land uses and product types may change throughout the development period.

The master public infrastructure included in the Capital Improvement Plan will comprise an interrelated system of master improvements, which means that all of the improvements will serve the entire District and such public improvements will be interrelated in such way that, once constructed, they will reinforce each other and their combined benefit will be greater than the sum of their individual benefits. All of the product types within the District will benefit from each infrastructure improvement category, as the improvements provide basic infrastructure to all product types and all phases within the District and benefit all product types in all phases within the District as an integrated system of improvements.

Even though all of the infrastructure included in the CIP will comprise an interrelated system of master improvements, the public infrastructure improvements are projected to be constructed in multiple construction phases or projects coinciding with the phases of land development. The 2025 Project consists of that portion of the overall CIP that is necessary for the development of land within the District.

As stated previously, the public infrastructure improvements included in the CIP have a logical connection to the special and peculiar

benefits received by the land within the District, as without such improvements, the development of the properties within the District would not be possible. Based upon the connection between the improvements and the special and peculiar benefits to the land within the District, the District can assign or allocate a portion of the District's debt through the imposition of non-ad valorem assessments, to the land receiving such special and peculiar benefits. Even though these special and peculiar benefits are real and ascertainable, the precise amount of the benefit cannot yet be calculated with mathematical certainty. However, such benefit is more valuable than the assessment related to the financed cost of constructing the improvements.

In following the Master Report, this First Supplemental Report proposes to allocate the benefit associated with the 2025 Project to the different unit types proposed to be developed within the District in proportion to their density of development and intensity of use of infrastructure as measured by a standard unit called an Equivalent Residential Unit ("ERU"). Table 4 in the *Appendix* illustrates the ERU weights that are proposed to be assigned to the unit types contemplated to be developed within the District based on the densities of development and the intensities of use of infrastructure, total ERU counts for each unit type, and the share of the benefit received by each unit type.

The rationale behind the different ERU values is supported by the fact that generally and on average units with smaller lot sizes will use and benefit from the improvements which are part of the CIP less than units with larger lot sizes, as, for instance, generally and on average units with smaller lot sizes will produce less storm water runoff, may produce fewer vehicular trips, and may need less water/sewer capacity than units with larger lot sizes. Additionally, the value of the units with larger lot sizes is likely to appreciate by more in terms of dollars than that of the units with smaller lot sizes as a result of the implementation of the infrastructure improvements. As the exact amount of the benefit and appreciation is not possible to be calculated at this time, the use of ERU measures serves as a reasonable approximation of the relative amount of benefit received by representatives of different unit types from the District's CIP.

Table 5 in the *Appendix* presents the allocation of the amount of 2025 Project costs allocated to the District to the various unit types proposed to be developed in the District based on the ERU benefit allocation factors present in Table 4. Further, Table 5 illustrates the approximate costs that are projected to be financed with the Series 2025 Bonds, and the approximate costs of the portion of the 2025

Project costs allocable to the District to be contributed by the Developer. With the Series 2025 Bonds funding approximately \$5,536,736.95* in costs of the 2025 Project, the Developer is anticipated to fund improvements valued at an estimated \$12,036,638.05* which will not be funded with proceeds of the Series 2025 Bonds. Finally, Table 6 in the *Appendix* presents the apportionment of the assessment levied in connection with the Series 2025 Bonds (the "Series 2025 Bond Assessments") and also presents the annual levels of the projected annual debt service assessments per unit.

No Series 2025 Bond Assessments are allocated herein to any private amenities or other common areas planned for the Development. If owned by a homeowner's association, the amenities and common areas would be considered a common element for the exclusive benefit of property owners. Accordingly, any benefit to the amenities and common areas would directly to the benefit of all platted lots in the District. As such, no Series 2025 Bond Assessments will be assigned to the amenities and common areas. If the amenities are owned by the District, then they would be governmental property not subject to the Series 2025 Bond Assessments and would be open to the general public, subject to District rules and policies.

5.3 Assigning Series 2025 Bond Assessments

As the land in the District is not yet platted for its intended final use and the precise location of the various product types by lot or parcel is unknown, the Series 2025 Bond Assessments will initially be levied on all of the land in the District on an equal pro-rata gross acre basis and thus the total bonded debt in the estimated amount of \$6,150,000* will be preliminarily levied on approximately 79.05 +/- gross acres planned for 300 lots at an estimated rate of \$77,798.86* per gross acre. When the land is platted, the Series 2025 Bond Assessments will be allocated to each platted parcel on a first platted-first assigned basis based on the planned use for that platted parcel as reflected in Table 6 in the *Appendix* for the Series 2025 Bond Assessments. Such allocation of Series 2025 Bond Assessments from unplatted gross acres to platted parcels will reduce the amount of Series 2025 Bond Assessments levied on unplatted gross acres within the District.

In the event unplatted land is sold to a third party (the "Transferred Property"), the Series 2025 Bond Assessments will be assigned to such Transferred Property at the time of the sale based on the

* Preliminary, subject to change.

maximum total number of ERUs assigned by the Developer to that Transferred Property, subject to review by the District's methodology consultant, to ensure that any such assignment is reasonable, supported by current development rights and plans, and otherwise consistent with this First Supplemental Report. The owner of the Transferred Property will be responsible for the total Series 2025 Bond Assessments applicable to the Transferred Property, regardless of the total number of ERUs ultimately actually platted. This total Series 2025 Bond Assessment is allocated to the Transferred Property at the time of the sale. If the Transferred Property is subsequently sub-divided into smaller parcels, the total Series 2025 Bond Assessments initially allocated to the Transferred Property will be re-allocated to the smaller parcels pursuant to the methodology as described herein (i.e., equal assessment per gross acre until platting).

5.4 Lienability Test: Special and Peculiar Benefit to the Property

As first discussed in *Section 1.3*, Special Benefits and General Benefits, improvements undertaken by the District create special and peculiar benefits to certain properties within the District. The District's improvements benefit assessable properties within the District and accrue to all such assessable properties on an ERU basis.

Improvements undertaken by the District can be shown to be creating special and peculiar benefits to the property within the District. The special and peculiar benefits resulting from each improvement are:

- a. added use of the property;
- b. added enjoyment of the property;
- c. decreased insurance premiums; and
- d. increased marketability and value of the property.

Specifically to the District, the improvements which are part of the 2025 Project make the land in the District developable and saleable and when implemented jointly as parts of the 2025 Project, provide special and peculiar benefits which are greater than the benefits of any single category of improvements. These special and peculiar benefits are real and ascertainable, but not yet capable of being calculated and assessed in terms of numerical value; however, such benefits are more valuable than either the cost of, or the actual assessment levied for, the improvement or debt allocated to the parcel of land.

5.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay

A reasonable estimate of the proportion of special and peculiar benefits received by the various product types from the improvements is delineated in Table 4 (expressed as the ERU factors) in the *Appendix*.

The apportionment of the assessments is fair and reasonable because it was conducted on the basis of consistent application of the methodology described in *Section 5.2* across all assessable property within the District according to reasonable estimates of the special and peculiar benefits derived from the 2025 Project.

Accordingly, no acre or parcel of property within the District will be lienied for the payment of any non-ad valorem special assessment more than the determined special benefit peculiar to that property.

5.6 True-Up Mechanism

The District's assessment program is predicated on the development of lots in a manner sufficient to include all of the planned ERUs as set forth in Table 1 in the Appendix ("Development Plan"). At such time as lands are to be platted (or re-platted) or site plans are to be approved (or re-approved), the plat or site plan (either, herein, "Proposed Plat") shall be presented to the District for a "true-up" review as follows:

a. If a Proposed Plat within the District results in the same amount of ERUs (and thus Series 2025 Bond Assessments) able to be imposed on the "Remaining Unplatted Developable Lands" within the District (i.e., those remaining unplatted developable lands after the Proposed Plat is recorded) as compared to what was originally contemplated under the Development Plan, then the District shall allocate the Series 2025 Bond Assessments to the product types being platted and the remaining property in accordance with this First Supplemental Report, and cause the Series 2025 Bond Assessments to be recorded in the District's Improvement Lien Book.

b. If a Proposed Plat within the District results in a greater amount of ERUs (and thus Series 2025 Bond Assessments) able to be imposed on the Remaining Unplatted Developable Lands within the District as compared to what was originally contemplated under the Development Plan, then the District may undertake a pro rata reduction of Series 2025 Bond Assessments for all assessed

properties within the District, or may otherwise address such net decrease as permitted by law.

c. If a Proposed Plat within the District results in a lower amount of ERUs (and thus Series 2025 Bond Assessments) able to be imposed on the Remaining Unplatted Developable Lands within the District as compared to what was originally contemplated under the Development Plan, then the District shall require the landowner(s) of the lands encompassed by the Proposed Plat to pay a "True-Up Payment" equal to the difference between: (i) the Series 2025 Bond Assessments originally contemplated to be imposed on the lands subject to the Proposed Plat, and (ii) the Series 2025 Bond Assessments able to be imposed on the lands subject to the Proposed Plat, after the Proposed Plat (plus applicable interest, collection costs, penalties, etc.).

With respect to the foregoing true-up analysis, the District's Assessment Consultant, in consultation with the District Engineer and District Counsel, shall determine in his or her sole discretion what amount of ERUs (and thus Series 2025 Bond Assessments) are able to be imposed on the Remaining Unplatted Developable Lands within the District, taking into account a Proposed Plat, by reviewing: a) the original, overall development plan showing the number and type of units reasonably planned for the District, b) the revised, overall development plan showing the number and type of units reasonably planned for the District, c) proof of the amount of entitlements for the Remaining Unplatted Developable Lands within the District, d) evidence of allowable zoning conditions that would enable those entitlements to be placed in accordance with the revised development plan, and e) documentation that shows the feasibility of implementing the proposed development plan. Prior to any decision by the District not to impose a true-up payment, a supplemental methodology shall be produced demonstrating that there will be sufficient Series 2025 Bond Assessments to pay debt service on the Series 2025 Bonds and the District will conduct new proceedings under Chapters 170, 190 and 197, Florida Statutes upon the advice of District Counsel.

Any True-Up Payment shall become due and payable that tax year by the landowner of the lands subject to the Proposed Plat within the District, shall be in addition to the regular assessment installment payable for such lands, and shall constitute part of the debt assessment liens imposed against the Proposed Plat property until paid. A True-Up Payment shall include accrued interest on the Series 2025 Bonds to the interest payment date that occurs at least 45 days after the True-Up Payment (or the second succeeding interest

payment date if such True-Up Payment is made within forty-five (45) calendar days before an interest payment date (or such other time as set forth in the supplemental indenture for the Series 2025 Bonds)).

All Series 2025 Bond Assessments levied run with the land, and such assessment liens include any True-Up Payments. The District will not release any liens on property for which True-Up Payments are due, until payment has been satisfactorily made. Further, upon the District's review of the final plat for the developable acres within the District, any unallocated Series 2025 Bond Assessments shall become due and payable and must be paid prior to the District's approval of that plat. This true-up process applies for both plats and/or re-plats.

Such review shall be limited solely to the function and the enforcement of the District's assessment liens and/or true-up agreements. Nothing herein shall in any way operate to or be construed as providing any other plat approval or disapproval powers to the District. For further detail on the true-up process, please refer to the True-Up Agreement and applicable assessment resolution(s).

5.7 Preliminary Assessment Roll

Based on the per gross acre assessment proposed in Section 5.2, the Series 2025 Bond Assessments in the estimated amount of \$6,150,000* are proposed to be levied uniformly over the area described in Exhibit "A". Excluding any capitalized interest period, debt service assessment shall be paid in thirty (30) annual installments of principal and corresponding semi-annual installments of interest for the Series 2025 Bonds.

WHEREAS, any capitalized term used herein and not otherwise expressly defined herein shall have the meaning ascribed thereto in the Indenture; and

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of Cedar Crossings Community Development District, as follows:

Section 1. Authorization of Issuance of Series 2025 Bonds. There are hereby authorized and directed to be issued: the Cedar Crossings Community Development District Special Assessment Bonds, Series 2025 (the "Series 2025 Bonds") in an aggregate principal amount not to exceed \$8,000,000, for the purposes of (i) providing funds to pay all or a portion of the costs of the planning, financing, acquisition, construction, equipping and installation of the Series 2025 Project, (ii) making a deposit to the Series 2025 Reserve Account in an amount equal to the Series 2025 Reserve Requirement, (iii) paying a portion of the interest coming due on the Series 2025 Bonds, and (iv) paying certain costs of issuance in respect of the Series 2025 Bonds. The Series 2025 Bonds shall be issued under and secured by the Indenture, the form of which by reference is hereby incorporated by reference into this resolution as if set forth in full herein.

Section 2. Details of the Series 2025 Bonds. The District hereby determines that the Series 2025 Bonds shall mature in the amounts and at the times, shall bear interest at the rates, be redeemable at the redemption prices and in the manner as determined by the Chair of the Board of Supervisors (the "Chair") or any member of the Board of Supervisors designated by the Chair (a "Designated Member"), prior to the sale of said Series 2025 Bonds, all in a manner consistent with the requirements of the Bond Resolution and within the parameters set forth in Section 5 hereof.

Section 3. First Supplemental Indenture. The District hereby approves and authorizes the execution of the First Supplemental Indenture by the Chair or any Designated Member and the Secretary or any Assistant Secretary of the Board of Supervisors (the "Secretary") and the delivery of the First Supplemental Indenture in substantially the form thereof attached hereto as Exhibit A, with such changes therein as shall be approved by the Chair or Designated Member executing the same, with such execution to constitute conclusive evidence of such officer's approval and the District's approval of any changes therein from the form of First Supplemental Indenture attached hereto.

Section 4. Negotiated Sale. The Series 2025 Bonds shall be sold by a negotiated sale to the Underwriter. It is hereby determined by the District that a negotiated sale of the Series 2025 Bonds to the Underwriter will best effectuate the purposes of the Act, is in the best interests of the District and is necessitated by, in general, the characteristics of the issues and prevailing market conditions and specifically, the following additional reasons:

(i) because of the complexity of the financing structure of the Series 2025 Bonds, including the pledge of Special Assessments as security for the Series 2025 Bonds, it is desirable to sell the Series 2025 Bonds pursuant to a negotiated sale so as to have an underwriter involved from the outset of the financing to assist in these matters;

(ii) because of changing market conditions for tax-exempt bonds and the necessity of being able to adjust the terms of the Series 2025 Bonds, it is in the best interests of the District to sell the Series 2025 Bonds by a negotiated sale;

(iii) the Underwriter has participated in structuring the issuance of the Series 2025 Bonds and can assist the District in attempting to obtain the most attractive financing for the District;

(iv) the Series 2025 Bonds do not bear a credit rating and will be offered initially only to accredited investors within the meaning of Chapter 517, Florida Statutes, and the rules of the Florida Department of Financial Services promulgated thereunder; and

(v) the District will not be adversely affected if the Series 2025 Bonds are not sold pursuant to a competitive sale.

Section 5. Bond Purchase Contract. The District hereby approves the form of the Bond Purchase Contract submitted by the Underwriter and attached hereto as Exhibit B, and the sale of the Series 2025 Bonds by the District upon the terms and conditions set forth in the Bond Purchase Contract is hereby approved. The Chair or a Designated Member are each hereby authorized, acting individually, to execute the Bond Purchase Contract and to deliver the Bond Purchase Contract to the Underwriter. The Bond Purchase Contract shall be in substantially the form of the Bond Purchase Contract attached hereto as Exhibit B with such changes, amendments, modifications, omissions and additions as may be approved by the Chair or the Designated Member; provided, however,

(i) If the Series 2025 Bonds are subject to optional redemption, which determination will be made on or before the sale date of the Series 2025 Bonds, the first optional call date and the redemption price shall be determined on or before the Bond Purchase Contract is executed;

(ii) The interest rate on the Series 2025 Bonds shall not exceed an average net interest cost rate, which shall be computed by adding 300 basis points to The Bond Buyer "20 Bond Index" published immediately preceding the first day of the calendar month in which the bonds are sold, as provided in Section 215.84(3), Florida Statutes, as amended;

(iii) The aggregate principal amount of the Series 2025 Bonds shall not exceed \$8,000,000;

(iv) The Series 2025 Bonds shall have a final maturity not later than the maximum term allowed by Florida law, which is currently thirty (30) years of principal amortization; and

(v) The price at which the Series 2025 Bonds shall be sold to the Underwriter shall not be less than 98.0% of the aggregate face amount of the Series 2025 Bonds, exclusive of original issue discount.

Execution by the Chair or a Designated Member of the Bond Purchase Contract shall be deemed to be conclusive evidence of approval of such changes.

Section 6. Preliminary Limited Offering Memorandum; Final Limited Offering Memorandum. The District hereby approves the form of the Preliminary Limited Offering Memorandum submitted to this meeting and attached hereto as Exhibit C and authorizes its distribution and use in connection with the limited offering for sale of the Series 2025 Bonds. SECTION 2.06. Disposition of Series 2025 Bond Proceeds. From the net proceeds of the Series 2025 Bonds received by the Trustee in the amount of \$_____ (par amount of \$_____, minus original issue discount of \$_____ and less underwriter's discount of \$_____ which is retained by the underwriter of the Series 2025 Bonds):

(a) \$_____, which is an amount equal to the initial Series 2025 Reserve Requirement, shall be deposited in the Series 2025 Reserve Account of the Debt Service Reserve Fund;

(b) \$_____, shall be deposited into the Series 2025 Interest Account and applied to pay interest coming due on the Series 2025 Bonds through May 1, 2025;

(c) \$_____, shall be deposited into the Series 2025 Costs of Issuance Account of the Acquisition and Construction Fund for payment of the costs of issuing the Series 2025 Bonds; and

(d) \$_____, representing the balance of the net proceeds of the Series 2025 Bonds, shall be deposited into the Series 2025 Acquisition and Construction Account, which the Issuer shall cause to be applied to the payment of costs of the Series 2025 Project, subject to and in accordance with Section 4.01(a) hereof, Article V of the Master Indenture and the terms of the Acquisition Agreement.

SECTION 2.07. Book-Entry Form of Series 2025 Bonds. The Series 2025 Bonds shall be issued as one fully registered bond for each maturity of Series 2025 Bonds and deposited with The Depository Trust Company ("DTC"), New York, New York, which is responsible for establishing and maintaining records of ownership for its participants.

As long as the Series 2025 Bonds are held in book-entry-only form, Cede & Co. shall be considered the Registered Owner for all purposes hereof and in the Master Indenture. The Series 2025 Bonds shall not be required to be presented for payment. DTC shall be responsible for maintaining a book-entry-only system for recording the ownership interest of its participants ("Direct Participants") and other institutions that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The Direct Participants and Indirect Participants will be responsible for maintaining records with respect to the beneficial ownership interests of individual purchasers of the Series 2025 Bonds ("Beneficial Owners").

Principal and interest on the Series 2025 Bonds registered in the name of Cede & Co. prior to and at maturity shall be payable directly to Cede & Co. in care of DTC. Disbursal of such amounts to Direct Participants shall be the responsibility of DTC. Payments by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners shall be the responsibility of Direct Participants and Indirect Participants and not of DTC, the Trustee or the Issuer.

Individuals may purchase beneficial interests in Authorized Denominations in book-entry-only form, without certificated Series 2025 Bonds, through Direct Participants and Indirect Participants.

During the period for which Cede & Co. is Registered Owner of the Series 2025 Bonds, any notices to be provided to any Beneficial Owner will be provided to Cede & Co. DTC shall be responsible for notices to Direct Participants and Direct Participants shall be responsible for notices to Indirect Participants, and Direct Participants and Indirect Participants shall be responsible for notices to Beneficial Owners.

The Issuer and the Trustee, if appropriate, shall enter into a blanket letter of representations with DTC providing for such book-entry-only system. Such agreement may be terminated at any time by either DTC or the Issuer in accordance with the procedures of DTC. In the event of such termination, the Issuer shall select another securities depository and in that event, all references herein to DTC or Cede & Co., shall be deemed to be for reference to such successor. If the Issuer does not replace DTC, the Trustee will register and deliver to the Beneficial Owners replacement Series 2025 Bonds in the form of fully registered Series 2025 Bonds in accordance with the instructions from Cede & Co.

In the event DTC, any successor of DTC or the Issuer, but only in accordance with the procedures of DTC, elects to discontinue the book-entry only system, the Trustee shall deliver bond certificates in accordance with the instructions from DTC or its successor and after such time Series 2025 Bonds may be exchanged for an equal aggregate principal amount of Series 2025 Bonds in other Authorized Denominations upon surrender thereof at the designated corporate trust office of the Trustee.

SECTION 2.08. Appointment of Registrar and Paying Agent. The Issuer shall keep, at the designated corporate trust office of the Registrar, books (the "Bond Register") for the registration, transfer and exchange of the Series 2025 Bonds, and hereby appoints U.S. Bank Trust Company, National Association, as its Registrar to keep such books and make such registrations, transfers, and exchanges as required hereby. U.S. Bank Trust Company, National Association hereby accepts its appointment as Registrar and its duties and responsibilities as Registrar hereunder. Registrations, transfers and exchanges shall be without charge to the Bondholder requesting such registration, transfer or exchange, but such Bondholder shall pay any taxes or other governmental charges on all registrations, transfers and exchanges.

The Issuer hereby appoints U.S. Bank Trust Company, National Association as Paying Agent for the Series 2025 Bonds. U.S. Bank Trust Company, National Association hereby accepts its appointment as Paying Agent and its duties and responsibilities as Paying Agent hereunder.

SECTION 2.09. Conditions Precedent to Issuance of the Series 2025 Bonds. - (b) A copy of the executed Master Indenture and an executed copy of this First Supplemental Trust Indenture;
- (c) Customary closing opinions of District Counsel and Bond Counsel;

ARTICLE III REDEMPTION OF SERIES 2025 BONDS

SECTION 3.01. Redemption Dates and Prices. The Series 2025 Bonds shall be subject to redemption at the times and in the manner provided in Article VIII of the Master Indenture and in this Article III. All payments of the Redemption Price of the Series 2025 Bonds shall be made on the dates hereinafter required. Except as otherwise provided in this Section 3.01, if less than all the Series 2025 Bonds of a maturity are to be redeemed pursuant to an extraordinary mandatory redemption, the Trustee shall select the Series 2025 Bonds or portions of the Series 2025 Bonds to be redeemed by lot. Partial redemptions of Series 2025 Bonds shall, to the extent possible, be made in such a manner that the remaining Series 2025 Bonds held by each Bondholder shall be in Authorized Denominations, except for the last remaining Series 2025 Bond.

The Series 2025 Bonds are subject to redemption prior to maturity in the amounts, at the times and in the manner provided below. All payments of the Redemption Price of the Series 2025 Bonds shall be made on the dates specified below. Upon any redemption of Series 2025 Bonds other than in accordance with scheduled mandatory sinking fund redemption amounts, the Issuer shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2025 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2025 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2025 Bonds in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

(a) Optional Redemption. The Series 2025 Bonds maturing after May 1, 20__ may, at the option of the Issuer be called for redemption prior to maturity as a whole or in part, at any time, on or after May 1, 20__ (less than all Series 2025 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2025 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date through which interest has been paid to the redemption date from moneys on deposit in the Series 2025 Optional Redemption Subaccount of the Series 2025 Bond Redemption Account. If such optional redemption shall be in part, the Issuer shall select such principal amount of Series 2025 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2025 Bonds is substantially level.

(b) Extraordinary Mandatory Redemption in Whole or in Part. The Series 2025 Bonds are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole or in part, on any date (other than in the case of clause (i) below, which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption

Price equal to 100% of the principal amount of the Series 2025 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) from Series 2025 Prepayment Principal deposited into the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account following the payment in whole or in part of Series 2025 Special Assessments on any assessable property within the District in accordance with the provisions of Section 4.05(a) of this First Supplemental Trust Indenture, together with any excess moneys transferred by the Trustee from the Series 2025 Reserve Account to the Series 2025 Prepayment Subaccount as a result of such Prepayment and pursuant to Sections 4.01(f) and 4.05(a) of this First Supplemental Trust Indenture. If such redemption shall be in part, the Issuer shall select such principal amount of Series 2025 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2025 Bonds is substantially level.

(ii) from moneys, if any, on deposit in the Funds, Accounts and subaccounts held by the Trustee hereunder (other than the Series 2025 Rebate Fund and the Series 2025 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2025 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Master Indenture.

(iii) upon the Completion Date, from any funds remaining on deposit in the Series 2025 Acquisition and Construction Account in accordance with the provisions of Section 4.01(a) hereof, not otherwise reserved to complete the Series 2025 Project and transferred to the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account, together with moneys deposited therein in accordance with the provisions of Section 4.01(a) hereof, as a result of the reduction of the Series 2025 Reserve Requirement. If such redemption shall be in part, the Issuer shall select such principal amount of Series 2025 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2025 Bonds is substantially level.

(c) Mandatory Sinking Fund Redemption. The Series 2025 Bonds maturing on May 1, 20__ are subject to mandatory sinking fund redemption from the moneys on deposit in the Series 2025 Sinking Fund Account on May 1 in the years and in the mandatory sinking fund redemption amounts set forth below at a Redemption Price of 100% of their principal amount plus accrued interest to the date of redemption.

ARTICLE IV
ESTABLISHMENT OF CERTAIN FUNDS AND ACCOUNTS;
ADDITIONAL COVENANTS OF THE ISSUER; PREPAYMENTS;
REMOVAL OF SERIES 2025 SPECIAL ASSESSMENT LIENS

SECTION 4.01. Establishment of Certain Funds and Accounts.

(a) The Trustee shall establish a separate account within the Acquisition and Construction Fund designated as the "Series 2025 Acquisition and Construction Account." Net proceeds of the Series 2025 Bonds shall initially be deposited into the Series 2025 Acquisition and Construction Account in the amount set forth in Section 2.06 of this First Supplemental Trust Indenture, together with any moneys subsequently transferred or deposited thereto, including moneys transferred from the Series 2025 Reserve Account after satisfaction of either the Reserve Release Conditions #1 or Reserve Release Conditions #2 as certified in writing by the District Manager and upon which the Trustee may conclusively rely, and such moneys shall be applied as set forth in this Section 4.01(a), Section 5.01 of the Master Indenture, the Acquisition Agreement and the Engineer's Report. Funds on deposit in the Series 2025 Acquisition and Construction Account shall only be requested by the Issuer to be applied to the Costs of the Series 2025 Project, subject to Section 4.01(f) herein. Upon satisfaction of the Reserve Release Conditions #1 and Reserve Release Conditions #2, the amount on deposit in the Series 2025 Reserve Account in excess of the Series 2025 Reserve Requirement, as applicable and as calculated by the District shall then be transferred by the Trustee to the Series 2025 Acquisition and Construction Account, as directed in writing to the Trustee by the District Manager, upon consultation with the Consulting Engineer, and applied as provided in this Section 4.01(a).

Following the Completion Date for the Series 2025 Project, all moneys remaining in the Series 2025 Acquisition and Construction Account that have not been requisitioned within thirty (30) days after satisfaction of the Reserve Release Conditions #2, shall be transferred to the Series 2025 General Redemption Subaccount, as directed in writing by the District Manager, on behalf of the Issuer to the Trustee to be applied as provided in Section 3.01(b)(iii). Notwithstanding the foregoing, the Series 2025 Acquisition and Construction Account shall not be closed until the Reserve Release Conditions #2 shall have occurred and the excess funds from the Series 2025 Reserve Account shall have been transferred to the Series 2025 Acquisition and Construction Account, as directed in writing to the Trustee by the District Manager, and applied in accordance with this Section 4.01(a) or as otherwise provided in Section 4.01(f) hereinbelow. The Trustee shall not be responsible for determining the amounts in the Series 2025 Acquisition and Construction Account and subaccounts allocable to the Series 2025 Project or any transfers made to such Accounts in accordance with direction from the District Manager.

The Trustee shall make no such transfers from the Series 2025 Acquisition and Construction Account to the Series 2025 General Redemption Subaccount if an Event of Default exists with respect to the Series 2025 Bonds of which the Trustee has actual knowledge as described in Section 11.06 of the Master Indenture. Except as provided in Section 5.05 and Section 3.01(b)(iii) hereof, only upon presentment to the Trustee of a properly signed requisition in substantially the form attached as Exhibit D to the Master Indenture, shall the Trustee

withdraw moneys from the Series 2025 Acquisition and Construction Account or subaccounts therein. After no funds remain in the Series 2025 Acquisition and Construction Account, such Account shall be closed.

Pursuant to the Master Indenture, the Trustee shall establish a separate account within the Acquisition and Construction Fund designated as the "Series 2025 Costs of Issuance Account." Net proceeds of the Series 2025 Bonds shall be deposited into the Series 2025 Costs of Issuance Account in the amount set forth in Section 2.06 of this First Supplemental Trust Indenture. Upon presentment to the Trustee of a properly signed requisition in substantially the form attached to the Master Indenture as Exhibit D, the Trustee shall withdraw moneys from the Series 2025 Costs of Issuance Account to pay the costs of issuing the Series 2025 Bonds. Six months after the issuance of the Series 2025 Bonds, any moneys remaining in the Series 2025 Costs of Issuance Account in excess of the amounts requested to be disbursed by the Issuer shall be deposited into the Series 2025 Interest Account and the Series 2025 Costs of Issuance Account shall be closed. Any deficiency in the amount allocated to pay the cost of issuing the Series 2025 Bonds shall be paid from excess Series 2025 Pledged Revenues on deposit in the Series 2025 Revenue Account as provided in Section 4.02 FIFTH. After no funds remain therein, the Series 2025 Costs of Issuance Account shall be closed.

(b) Pursuant to Section 6.03 of the Master Indenture, the Trustee shall establish a separate Account within the Revenue Fund designated as the "Series 2025 Revenue Account." Series 2025 Special Assessments (except for Prepayments of Series 2025 Special Assessments which shall be identified as such by the Issuer to the Trustee and deposited in the Series 2025 Prepayment Subaccount) shall be deposited by the Trustee into the Series 2025 Revenue Account which shall be applied as set forth in Section 6.03 of the Master Indenture and Section 4.02 of this First Supplemental Trust Indenture. The Trustee may conclusively rely that unless expressly indicated in writing by the District as a Prepayment upon deposit thereof with the Trustee, payments of Series 2025 Special Assessments otherwise received by the Trustee are to be deposited into the Series 2025 Revenue Account.

(c) [RESERVED].

(d) Pursuant to Section 6.04 of the Master Indenture and Section 4.02 of this First Supplemental Trust Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the "Series 2025 Interest Account." Moneys deposited into the Series 2025 Interest Account pursuant to Section 6.04 of the Master Indenture and Sections 2.06 and 4.02 of this First Supplemental Trust Indenture, shall be applied for the purposes provided therein and used to pay interest on the Series 2025 Bonds.

(e) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate account within the Debt Service Fund designated as the "Series 2025 Sinking Fund Account." Moneys shall be deposited into the Series 2025 Sinking Fund Account as provided in Section 6.04 of the Master Indenture and Section 4.02 of this First Supplemental Trust Indenture, and applied for the purposes provided therein and in Section 3.01(c) of this First Supplemental Trust Indenture.

(f) Pursuant to Section 6.05 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Reserve Fund designated as the "Series 2025 Reserve Account." Net proceeds of the Series 2025 Bonds shall be deposited into the Series 2025 Reserve Account in the amount set forth in Section 2.06 of this First Supplemental Trust Indenture, and such moneys, together with any other moneys deposited into the Series 2025 Reserve Account shall be applied for the purposes provided in the Master Indenture Section 4.01(a) and in this Section 4.01(f) and Section 4.05 of this First Supplemental Trust Indenture. Notwithstanding any provisions in the Master Indenture to the contrary, the Issuer covenants not to substitute the cash and Investment Securities on deposit in the Series 2025 Reserve Account with a Debt Service Reserve Insurance Policy or a Debt Service Reserve Letter of Credit. Except as provided in the next paragraph, all investment earnings on moneys in the Series 2025 Reserve Account shall remain on deposit therein.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2025 Reserve Account and transfer any excess therein above the Series 2025 Reserve Requirement resulting from investment earnings to the Series 2025 Revenue Account in accordance with Section 4.02 hereof.

Subject to the provisions of Section 4.05 hereof, on any date the Issuer receives notice from the District Manager that a landowner wishes to prepay its Series 2025 Special Assessments relating to the benefited property of such landowner, or as a result of a mandatory true-up payment, the Issuer shall, or cause the District Manager, on behalf of the Issuer, to calculate the principal amount of such Prepayment taking into account a credit against the amount of Series 2025 Prepayment Principal due by the amount of money in the Series 2025 Reserve Account that will exceed the Series 2025 Reserve Requirement for the Series 2025 Bonds, taking into account the proposed Prepayment. Such excess shall be transferred to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the Issuer, shall make such calculation within ten (10) Business Days after such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the respective landowner from the Series 2025 Reserve Account to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2025 Bonds in accordance with Section 3.01(b)(i) hereof. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding any of the foregoing, amounts on deposit in the Series 2025 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2025 Bonds to the Series 2025 General Redemption Subaccount, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2025 Special Assessments and applied to redeem a portion of the Series 2025 Bonds is less than the principal amount of Series 2025 Bonds indebtedness attributable to such lands.

Notwithstanding the foregoing, upon satisfaction of the Reserve Release Conditions #2, the Trustee shall deposit such excess as directed by the District Manager in writing on deposit in the Series 2025 Reserve Account to the Series 2025 Acquisition and Construction Account and pay such amount as designated in a requisition in the form attached as Exhibit D to the Master Indenture to the Issuer submitted by the Developer within thirty (30) days of such transfer which

requisition shall be executed by the Issuer and the Consulting Engineer. Such payment is authorized notwithstanding that the Completion Date might have been declared provided the Developer can establish, to the satisfaction of the Consulting Engineer, Costs of the Series 2025 Project that were not paid from moneys initially deposited in the Series 2025 Acquisition and Construction Account. In the event that there are no unreimbursed Costs to pay to the Developer, such excess moneys transferred from the Series 2025 Reserve Account to the Series 2025 Acquisition and Construction Account shall be deposited into the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account upon direction to the Trustee by the District. If no completed requisition as provided in this section is submitted to the Trustee within thirty (30) days of moneys having been transferred from the Series 2025 Reserve Account to the Series 2025 Acquisition and Construction Account as a result of the satisfaction of the Reserve Release Conditions #2, such excess moneys in the Series 2025 Acquisition and Construction Account shall then be transferred by the Trustee to the Series 2025 General Redemption Subaccount and applied to the redemption of Series 2025 Bonds as provided in Section 4.01(a) hereinabove.

In addition, and together with the moneys transferred from the Series 2025 Reserve Account pursuant to this paragraph, if the amount on deposit in the Series 2025 General Redemption Subaccount, is not sufficient to redeem a principal amount of the Series 2025 Bonds in an Authorized Denomination, the Trustee is authorized to withdraw amounts from the Series 2025 Revenue Account to round up the amount in the Series 2025 General Redemption Subaccount to the nearest Authorized Denomination. Notwithstanding the foregoing, no transfers from the Series 2025 Revenue Account shall be made to pay interest on and/or principal of the Series 2025 Bonds for the redemption pursuant to Section 3.01(b)(iii) if as a result the deposits required under Section 4.02 FIRST through FIFTH cannot be made in full.

(g) Pursuant to Section 6.06 of the Master Indenture, the Trustee shall establish a separate Series Bond Redemption Account within the Bond Redemption Fund designated as the "Series 2025 Bond Redemption Account" and within such Account, a "Series 2025 General Redemption Subaccount," a "Series 2025 Optional Redemption Subaccount," and a "Series 2025 Prepayment Subaccount." Except as otherwise provided in this First Supplemental Trust Indenture regarding Prepayments or in connection with the optional redemption of the Series 2025 Bonds, moneys to be deposited into the Series 2025 Bond Redemption Account as provided in Section 6.06 of the Master Indenture, shall be deposited to the Series 2025 General Redemption Subaccount.

(h) Moneys that are deposited into the Series 2025 General Redemption Subaccount (including all earnings on investments held therein) shall be used to call for the extraordinary mandatory redemption (i) in whole, pursuant to Section 3.01(b)(ii) hereof, the Outstanding amount of Series 2025 Bonds, or (ii) in whole or in part pursuant to Section 3.01(b)(iii) hereof.

(i) Moneys in the Series 2025 Prepayment Subaccount (including all earnings on investments held in such Series 2025 Prepayment Subaccount) shall be accumulated therein to be used to call for redemption pursuant to Section 3.01(b)(i) hereof an amount of Series 2025 Bonds equal to the amount of money transferred to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account for the purpose of such extraordinary mandatory redemption on the dates and at the price provided in such Section 3.01(b)(i) hereof. In addition,

and together with the moneys transferred from the Series 2025 Reserve Account pursuant to paragraph (f) above, if the amount on deposit in the Series 2025 Prepayment Subaccount is not sufficient to redeem a principal amount of the Series 2025 Bonds in an Authorized Denomination, the Trustee upon written direction from the Issuer, shall be authorized to withdraw amounts from the Series 2025 Revenue Account to deposit to the Series 2025 Prepayment Subaccount to round-up the amount to the nearest Authorized Denomination. Notwithstanding the foregoing, no transfers from the Series 2025 Revenue Account shall be directed by the Issuer to pay interest on and/or principal of the Series 2025 Bonds for the redemption pursuant to Section 3.01(b)(i) if as a result the deposits required under Section 4.02 FIRST through FIFTH cannot be made in full.

(j) The Issuer hereby directs the Trustee to establish a separate account in the Rebate Fund designated as the "Series 2025 Rebate Account." Moneys shall be deposited into the Series 2025 Rebate Account, as provided in the Arbitrage Certificate and applied for the purposes provided therein.

(k) Moneys on deposit in the Series 2025 Optional Redemption Subaccount shall be used to optionally redeem all or a portion of the Series 2025 Bonds pursuant to Section 3.01(a) hereof.

SECTION 4.02. Series 2025 Revenue Account. The Trustee shall transfer from amounts on deposit in the Series 2025 Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each Interest Payment Date, commencing May 1, 2025, to the Series 2025 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2025 Bonds becoming due on the next succeeding Interest Payment Date, less any amount on deposit in the Series 2025 Interest Account not previously credited;

SECOND, no later than the Business Day next preceding each May 1, commencing May 1, 2026, to the Series 2025 Sinking Fund Account, an amount equal to the principal amount of Series 2025 Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Series 2025 Sinking Fund Account not previously credited;

THIRD, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2025 Bonds remain Outstanding, to the Series 2025 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Series 2025 Bonds;

FOURTH, notwithstanding the foregoing, at any time the Series 2025 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer to the Series 2025 Interest Account, the amount necessary to pay interest on the Series 2025 Bonds subject to redemption on such date; and

FIFTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be first deposited into the Series 2025 Costs of Issuance Account upon the written request of the Issuer to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2025 Bonds and next, any balance in the Series 2025 Revenue Account shall remain on deposit in such Series 2025 Revenue Account, unless needed to be transferred to the Series 2025 Prepayment Subaccount for the purposes of rounding the principal amount of a Series 2025 Bond subject to extraordinary mandatory redemption pursuant to Sections 4.01(f) or 4.01(i) hereof to an Authorized Denomination, or unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2025 Rebate Fund, in which case, the Issuer shall direct the Trustee to make such deposit thereto.

In addition to a redemption of Series 2025 Bonds from Prepayments on deposit in the Series 2025 Prepayment Subaccount, the Trustee is further authorized, upon written direction from the Issuer, to transfer from the Series 2025 Revenue Account to the Series 2025 General Redemption Subaccount sufficient funds to cause the redemption of the next closest Authorized Denomination of Series 2025 Bonds, as provided in Section 4.01(f) hereof.

SECTION 4.03. Power to Issue Series 2025 Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Series 2025 Bonds, to execute and deliver the Series 2025 Indenture and to pledge the Series 2025 Pledged Revenues for the benefit of the Series 2025 Bonds to the extent set forth herein. The Series 2025 Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Series 2025 Bonds, except as otherwise permitted under the Master Indenture and in Section 5.04 hereof. The Series 2025 Bonds and the provisions of the Series 2025 Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law and without waiving any sovereign immunity or limitation of liability afforded by Section 768.28, Florida Statutes, or other law, defend, preserve and protect the pledge created by the Series 2025 Indenture and all the rights of the Holders of the Series 2025 Bonds under the Series 2025 Indenture against all claims and demands of all persons whomsoever.

SECTION 4.04. Series 2025 Project to Conform to Engineer's Report. Simultaneously with the issuance of the Series 2025 Bonds, the Issuer will promptly proceed to construct and/or acquire the Series 2025 Project, as described in Exhibit A hereto and in the Engineer's Report relating thereto, all pursuant to the terms and provisions of the Acquisition Agreement.

SECTION 4.05. Prepayments; Removal of Series 2025 Special Assessment Liens.

(a) At any time any owner of property subject to the Series 2025 Special Assessments may, at its option, or as a result of acceleration of the Series 2025 Special Assessments because of non-payment thereof, shall, or by operation of law, require the Issuer to reduce or release and extinguish the lien upon its property by virtue of the levy of the Series 2025 Special Assessments by paying or causing there to be paid, to the Issuer all or a portion of the Series 2025 Special Assessment, which shall constitute Series 2025 Prepayment Principal,

plus, except as provided below, accrued interest to the next succeeding Quarterly Redemption Date (or the first succeeding Quarterly Redemption Date that is at least forty-five (45) days after such Prepayment, if such Prepayment is made within forty-five (45) calendar days before the next succeeding Quarterly Redemption Date, as the case may be), attributable to the property subject to Series 2025 Special Assessments owned by such owner. To the extent that such Prepayments are to be used to redeem Series 2025 Bonds pursuant to Section 3.01(b)(i) hereof, in the event the amount on deposit in the Series 2025 Reserve Account will exceed the Series 2025 Reserve Requirement for the Series 2025 Bonds as a result of a Prepayment in accordance with this Section 4.05(a) and the resulting extraordinary mandatory redemption in accordance with Section 3.01(b)(i) of this First Supplemental Trust Indenture of Series 2025 Bonds, the excess amount shall be transferred from the Series 2025 Reserve Account to the Series 2025 Prepayment Subaccount, as a credit against the Series 2025 Prepayment Principal otherwise required to be paid by the owner of such lot or parcel, upon written instructions of the Issuer to the Trustee together with a certificate of a Responsible Officer of the Issuer, upon which the Trustee may conclusively rely, stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Series 2025 Reserve Account to equal or exceed the Series 2025 Reserve Requirement.

(b) Upon receipt of Series 2025 Prepayment Principal as described in paragraph (a) above, subject to satisfaction of the conditions set forth therein, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official improvement lien book of the District that the Series 2025 Special Assessment has been paid in whole or in part and that such Series 2025 Special Assessment lien is thereby reduced, or released and extinguished, as the case may be.

The Trustee may conclusively rely on the Issuer's determination of what moneys constitute Prepayments. The Trustee shall calculate the amount available for the extraordinary mandatory redemption of the applicable Series 2025 Bonds pursuant to Section 3.01(b)(i) forty-five (45) days prior to each Quarterly Redemption Date.

COVENANTS AND DESIGNATIONS OF THE ISSUER

SECTION 5.01. Collection of Series 2025 Special Assessments. The Series 2025 Special Assessments levied for each full year on platted lots shall be collected pursuant to the uniform method provided for in Sections 197.3632 and 197.3635 Florida Statutes, (the "Uniform Method") unless the District determines that it is in its best interests to collect directly. The Series 2025 Special Assessments levied on unplatted lots or lands shall be billed and collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method unless the District determines that it is in its best interests to do so. Prior to an Event of Default, the election to collect and enforce Series 2025 Special Assessments in any year pursuant to any one method shall not, to the extent permitted by law, preclude the District from electing to collect and enforce Series 2025 Special Assessments pursuant to any other method permitted by law in any subsequent year. Following an Event of Default, Series 2025 Special Assessments levied on platted lots shall be collected pursuant to the Uniform Method and Series 2025 Special Assessments levied on unplatted lots or lands shall be billed and collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method, in each case unless the Trustee, acting at the direction of the Majority Holders of the Series 2025 Bonds Outstanding, provides written consent/direction to a different method of collection. All Series 2025 Special Assessments that are billed and collected directly by the District and not via the Uniform Method shall be due and payable by the landowner no later than thirty (30) days prior to each Interest Payment Date; provided, however, that such Series 2025 Special Assessments shall not be deemed to be delinquent unless and until they are not paid by the applicable Interest Payment Date with respect to which they have been billed. The applicable assessment methodology report shall not be materially amended without the written consent of the Majority Holders, which consent shall be deemed given if no response is received within sixty (60) days of a written request therefor.

SECTION 5.02. Continuing Disclosure. Contemporaneously with the execution and delivery hereof, the Issuer and the Developer have executed and delivered a Continuing Disclosure Agreement in order to assist the Underwriter in complying with the requirements of Rule 15c2-12 promulgated under the Securities and Exchange Act of 1934. The Issuer covenants and agrees to comply with the provisions of the Continuing Disclosure Agreement applicable to it; however, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but shall instead be enforceable by mandamus or any other means of specific performance as provided in the Continuing Disclosure Agreement.

SECTION 5.03. Investment of Funds and Accounts. The provisions of Section 7.02 of the Master Indenture shall apply to the investment and reinvestment of moneys in the Funds, Accounts and subaccounts therein created hereunder.

SECTION 5.04. Additional Obligations. The Issuer covenants not to issue any other Bonds or debt obligations secured by the Series 2025 Special Assessments. In addition, the Issuer covenants not to issue any other Bonds or debt obligations for capital projects, secured by Special Assessments on the assessable lands within the District that are subject to the Series 2025 Special Assessments, until the Series 2025 Special Assessments are Substantially

Absorbed, or the Majority Holders have consented in writing. The District shall present the Trustee with a certification that the Series 2025 Special Assessments are Substantially Absorbed and the Trustee may rely conclusively upon such certification and shall have no duty to verify if the Series 2025 Special Assessments are Substantially Absorbed. In the absence of such written certification, the Trustee is entitled to assume that the Series 2025 Special Assessments have not been Substantially Absorbed. Such covenant shall not prohibit the Issuer from issuing refunding Bonds or any Bonds or other obligations secured by Special Assessments levied on District Lands outside of the District, or to finance any other capital project that is necessary to remediate any natural disaster, catastrophic damage or failure with respect to the Series 2025 Project.

SECTION 5.05. Acknowledgement Regarding the Moneys in the Series 2025 Acquisition and Construction Account Following an Event of Default. In accordance with the provisions of the Series 2025 Indenture, the Series 2025 Bonds are payable solely from the Series 2025 Pledged Revenues and any other moneys held by the Trustee under the Series 2025 Indenture for such purpose. Anything in the Series 2025 Indenture to the contrary notwithstanding, the Issuer hereby acknowledges that, the Series 2025 Pledged Revenues include, without limitation, all amounts on deposit in the Series 2025 Acquisition and Construction Account then held by the Trustee, and that upon the occurrence of an Event of Default with respect to the Series 2025 Bonds, (i) the Series 2025 Pledged Revenues may not be used by the Issuer (whether to pay costs of the Series 2025 Project or otherwise) without the consent of the Majority Holders and (ii) the Series 2025 Pledged Revenues may be used by the Trustee, at the direction or with the approval of the Majority Holders, to pay costs and expenses incurred in connection with the pursuit of remedies under the Series 2025 Indenture, provided, however notwithstanding anything herein to the contrary the Trustee is also authorized to utilize the Series 2025 Pledged Revenues to pay fees and expenses as provided in Section 10.12 of the Master Indenture.

1. **Purchase and Sale.** Upon the terms and conditions and upon the basis of the representations, warranties and agreements set forth herein, the Underwriter hereby agrees to purchase from the District and the District hereby agrees to sell and deliver to the Underwriter, all (but not less than all) of its aggregate principal amount of \$(PAR) Cedar Crossings Community Development District Special Assessment Bonds, Series 2025 (2025 Project) (the “Bonds”). The Bonds shall be dated their date of delivery and shall mature on the dates, shall bear interest at the rates, and shall be subject to redemption prior to maturity, all as provided in Exhibit B attached hereto. The payment for and delivery of the Bonds and the other actions contemplated hereby to take place at the Closing Date (as hereinafter defined) being hereinafter referred to as the “Closing”.

2. **The Bonds.** The Bonds are to be issued by the District, a local unit of special-purpose government of the State of Florida (the “State”) created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended, any successor statute thereto, the Florida Constitution, and other applicable provisions of law (collectively, the “Act”), and created by Ordinance No. 24-2072 adopted by the City Commission of the City of Haines City, Florida on April 18, 2024 and effective on April 18, 2024 (the “Ordinance”). (b) The District will treat the first price at which 10% of each maturity of the Bonds (the “10% test”) is sold to the public as the issue price of that maturity. At or promptly after the execution of this Purchase Contract, the Underwriter shall report to the District the price or prices at which it has sold to the public each maturity of Bonds. For purposes of this Section, if Bonds mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Bonds.

(c) The Underwriter acknowledges that sales of any Bonds to any person that is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this section. 2. The names, addresses and estimated amounts of compensation of any person who is not regularly employed by, or not a partner or officer of, the Underwriter, bank, banker, or financial consultant or advisor and who enters into an understanding with either the District or the Underwriter, or both, for any paid or promised compensation or valuable consideration directly, expressly or impliedly, to act solely as an intermediary between the District and the Underwriter for the purposes of influencing any transaction in the purchase of the Bonds are: None.
3. The nature and estimated amounts of expenses to be incurred by the Underwriter in connection with the issuance of the Bonds are set forth in Schedule I attached hereto.
4. The management fee charged by the Underwriter is: \$0/\$1,000 or \$0.

C. OPINIONS

Based on the foregoing, and subject to the qualifications and assumptions set forth herein, we are of the opinion that:

1. **Authority** – Under the Florida Constitution and laws of the State, the District has been duly established and validly exists as a local unit of special purpose government and a community development district under Chapter 190, *Florida Statutes* (the “**Act**”), with such powers as set forth in the Act, and with good, right and lawful authority: (a) to enter into and to consummate the transactions contemplated by the Bond Resolution, the Assessment Resolution,

the Indenture, the Bonds and the Bond Agreements; (b) to issue the Bonds for the purposes for which they are issued; (c) to impose, levy, collect and enforce the Debt Assessments and pledge the Series 2025 Pledged Revenues to secure the Bonds as provided in the Indenture; (d) to adopt the Bond Resolution and the Assessment Resolution; and (e) to perform its obligations under the terms and conditions of the Bond Resolution, the Assessment Resolution, the Bond Agreements, the Bonds and the Indenture.

2. **Assessments** – The proceedings by the District with respect to the Debt Assessments have been in accordance with Florida law. The District has taken all action necessary to levy and impose the Debt Assessments as set forth in the Assessment Resolution, Assessment Methodology, and/or other applicable documents. The Debt Assessments constitute legal, valid, binding and enforceable first liens upon the property against which such Debt Assessments are assessed, co-equal with the lien of all state, county, district and municipal taxes and assessments, and superior in dignity to all other liens, titles and claims, until paid.

3. **Agreements** – The Bond Resolution and Assessment Resolution have been duly and validly adopted and executed by the District, are in full force and effect, and constitute legal, valid and binding actions of the District. The Bonds, Indenture, and Bond Agreements (assuming due authorization, execution and delivery of the foregoing documents by any parties thereto other than the District) have been duly and validly authorized, executed and delivered by the District, are in full force and effect, and constitute legal, valid and binding obligations of the District, and are enforceable against the District in accordance with their respective terms. All conditions prescribed in the Indenture as precedent to the issuance of the Bonds have been fulfilled.

4. **Validation** – The Bonds have been validated by a final judgment of the Circuit Court in and for Polk County, Florida, of which no timely appeal was filed.

5. **Governmental Approvals** – As of the date hereof, all necessary consents, approvals, waivers or other actions by or filings with any governmental authority or other entity that are required for: (a) the adoption of the Bond Resolution and the Assessment Resolution; (b) the issuance, sale, execution and delivery of the Bonds upon the terms set forth in the BPA, PLOM, and LOM; (c) the execution and delivery of the Indenture and Bond Agreements; and (d) the performance by the District of the transactions required hereby, have been duly obtained or made and are in full force and effect.

6. **PLOM and LOM** – The District has duly authorized the execution, delivery and distribution by the Underwriter of the PLOM and LOM. To our knowledge, and based upon our review of the PLOM and LOM and without having undertaken to determine independently the accuracy, completeness or fairness of the statements contained in the PLOM and LOM, and as of the date of their respective issuances, and with respect to the PLOM, the date of the BPA, and with respect to the LOM, the date hereof, nothing has come to our attention which would lead us to believe that the PLOM and LOM contain an untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading, provided however that the opinions stated herein extend only to the following provisions of the PLOM and LOM: “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Assessment Methodology / Projected Level of District Assessments,” “ENFORCEMENT OF ASSESSMENT COLLECTIONS,” “THE

DISTRICT,” (excluding the subcaption “the District Manager and Other Consultants”) “ASSESSMENT METHODOLOGY,” “AGREEMENT BY THE STATE,” “LEGALITY FOR INVESTMENT,” “LITIGATION – The District,” “CONTINUING DISCLOSURE,” “ (as it relates to the District only) “VALIDATION,” and “AUTHORIZATION AND APPROVAL,” and further provided however that the opinions stated herein do not extend to any statements that constitute descriptions of the Bonds or the Indenture. No information is offered as to any remaining provisions of the PLOM or LOM.

7. ***Litigation*** – Based on inquiry of the District’s Registered Agent for service of process and the fact that we have not been served with notice, there is no litigation pending or, to the best of our knowledge, threatened against the District: (a) seeking to restrain or enjoin the issuance or delivery of the Bonds or the application of the proceeds thereof, or the imposition, levy or collection of the Debt Assessments or the Series 2025 Pledged Revenues pledged for the payment of the debt service on the Bonds; (b) contesting or affecting the authority for the Debt Assessments, the authority for the issuance of the Bonds or the validity or enforceability of the Bonds, the Indenture, the Bond Agreements or the transactions contemplated thereunder; (c) contesting or affecting the establishment or existence of the District or any of its Supervisors, officers or employees, its assets, property or condition, financial or otherwise, or contesting or affecting any of the powers of the District, including its power to enter into the Indenture or the Bond Agreements, or its power to determine, assess, levy, collect and pledge the Debt Assessments for the payment of the debt service on the Bonds; or (d) specifically contesting the exclusion from federal gross income of interest on the Bonds.

8. ***Compliance with Laws*** – To the best of our knowledge, the District is not, in any manner material to the issuance of the Bonds or the Debt Assessments, in breach of or default under any applicable provision of the Act or constitutional provision, statute, or administrative regulation of the State of Florida, or any applicable judgment or decree, any loan agreement, indenture, bond, note, resolution, agreement (including the Bond Agreements and Indenture), or any other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of our knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or event of default by the District under any such instrument; provided, however, that no opinion is expressed as to compliance with any state or federal tax or securities laws.

9. ***Authority to Undertake the 2025 Project*** - The District has good right and lawful authority under the Act to undertake, finance, acquire, construct, own, and operate the 2025 Project, subject to obtaining such licenses, orders or other authorizations as are, at the date of such opinion, required to be obtained from any agency or regulatory body.

D. CERTAIN ASSUMPTIONS

In rendering the foregoing opinions, we have assumed the following: (1) that all public records, certifications, agreements and other documents examined by us that have been executed or certified by public officials acting within the scope of their official capacities are authentic, truthful and accurate; (2) that copies of such public records, certifications, agreements, and other documents furnished to us are authentic and conform to the originals; (3) that all signatures on executed public records, certifications, agreements and other documents are genuine; and (4) that

all public records, certifications, agreements and other documents have been properly authorized and are binding on each of the other parties thereto. Such assumptions do not apply to District's execution of documents.

E. CERTAIN QUALIFICATIONS

The foregoing opinions are subject to the following qualifications:

1. The opinions or statements expressed above are based solely on the laws of Florida in effect at the time of issuance of the Bonds. Accordingly, we express no opinion nor make any statement regarding the effect or application of the laws of the federal government (including but not limited to the Internal Revenue Code or any proposed changes thereto), or any other state or other jurisdiction.
2. Our opinion as to enforceability of any document is subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium, liquidation, readjustment of debt, or similar laws relating to or affecting creditors' rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases, including the fact that specific performance and other equitable remedies are granted only in the discretion of a court.
3. Nothing herein shall be construed as an opinion regarding the possible applicability of state securities or "blue sky" laws or federal securities laws, as to which no opinion is expressed.
4. We further express no opinion as to the necessity for an interest rate waiver under Florida law, or the applicability of any provision or section of the Internal Revenue Code.
5. We express no opinion and make no representations with regard to taxes, assessments or other financial information or statistical data. We express no opinion as to compliance with any state or federal tax laws.
6. We have not reviewed, and therefore express no opinion, regarding any land use, real property or other related items, including but not limited to whether the Developer is able to convey good and marketable title to any particular real property or interest therein and related to the 2025 Project.
7. With respect to any of the opinions set forth in this letter which are based on or qualified by the phrase "to our knowledge," the words "to our knowledge" signify that, in the course of our representation of the District, no facts have come to our attention that would give us actual knowledge that any such opinions or other matters are not accurate. Except to the extent expressly set forth herein, we have not undertaken any independent investigation to determine the existence or absence of any such facts, and no inference as to our knowledge of the existence of such facts should be drawn from the fact of our representation of the District.

8. The opinions set forth herein are based on factual representations made to us as of the date hereof. We assume no duty to update or supplement our opinions to reflect any facts or circumstances that may thereafter come to our attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, our opinions are not a guarantee of a particular result, and are not binding on the courts or any other entity; rather, our opinions represent our professional judgment based on our review of existing law, and in reliance on the representations and covenants that we deem relevant to such opinions.

Each of the Declaration of Consent (2025 Bonds) executed by the Developer dated [Closing Date], the Completion Agreement (2025 Bonds) to be entered into by and between the District and the Developer dated [Closing Date], the Collateral Assignment Agreement (2025 Bonds) by and between the District and the Developer dated [Closing Date] in recordable form, the Acquisition Agreement by and between the District and the Developer dated [Closing Date], the True-Up Agreement (2025 Bonds) by and between the District and the Developer to be dated [Closing Date], and the Continuing Disclosure Agreement, dated [Closing Date] among the Developer, the District and Wrathell, Hunt & Associates, LLC, as dissemination agent (collectively, the “Developer Documents”), is a valid and binding obligation of the Developer, enforceable against the Developer in accordance with its terms. The execution and delivery by the Developer of the Developer Documents does not violate any judgment, order, writ, injunction or decree binding on Developer or any indenture, agreement, or other instrument to which the Developer is a party. There are no proceedings pending against or threatened in writing before any court or administrative agency relating to Developer which are either not covered by insurance or which singularly or collectively would have a material, adverse effect on the Developer’s ability to perform its obligations under the Developer Documents.

5. The Developer has reviewed and approved the Developer Documents and the information contained in the Limited Offering Memoranda under the captions “THE DEVELOPMENT” and “THE DEVELOPER” and with respect to the Developer and the Development (as such terms are used in the Limited Offering Memoranda) under the captions “BONDHOLDERS’ RISKS,” “LITIGATION – The Developer” and “CONTINUING

DISCLOSURE” and warrants and represents that such information does not contain any untrue statement of a material fact and does not omit to state a material fact necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading. In addition, the Developer is not aware of any other information in the Limited Offering Memoranda that contains an untrue statement of a material fact or omits to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

6. To the best of my knowledge, the Developer is in compliance in all material respects with all provisions of applicable law in all material matters relating to the Developer and the Development as described in the Limited Offering Memoranda. Except as otherwise described in the Limited Offering Memoranda, (a) all government permits and approvals required in connection with the construction of the Development and the 2025 Project as described in the Limited Offering Memoranda, other than certain permits and approvals, which permits and approvals are expected to be received as needed, have been received; (b) we are not aware of any default of any zoning condition, land use permit or development agreement which would adversely affect the Developer’s ability to complete development of the Development and the 2025 Project as described in the Limited Offering Memoranda and all appendices thereto; and (c) we have no actual knowledge and are not otherwise aware of any reason to believe that any permits, approvals, consents and licenses required to complete development of the Development and the 2025 Project as described in the Limited Offering Memoranda will not be obtained in due course as required by the Developer.

7. The Developer is not insolvent. The Developer has not made an assignment for the benefit of creditors, filed a petition in bankruptcy, petitioned or applied to any tribunal for the appointment of a custodian, receiver or any trustee or commenced any proceeding under any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution or liquidation law or statute of any jurisdiction. The Developer has not indicated its consent to, or approval of, or failed to object timely to, any petition in bankruptcy, application or proceeding or order for relief or the appointment of a custodian, receiver or any trustee.

8. To the best of my knowledge, the levy of the Special Assessments (as defined in the Developer Documents) on the lands within the District will not conflict with or constitute a breach of or default under any agreement, indenture or other instrument to which the Developer is a party or to which the Developer or any of its property or assets is subject.

9. To the best of my knowledge, the Developer is not in default under any mortgage, trust indenture, lease or other instrument to which it or any of its assets is subject, which default would have a material adverse effect on the Series 2025 Bonds or the District.

10. To the best of my knowledge and in reliance on the environmental site assessments provided to the Developer, the Developer is not aware of any condition related to the District which currently requires, or is reasonably expected to require in the foreseeable future, investigation or remediation under any applicable federal, state or local governmental laws or regulations relating to the environment.

8. The Series 2025 Special Assessments, as initially levied, and as may be reallocated from time to time as permitted by resolutions adopted by the District with respect to the Series 2025 Special Assessments are sufficient to enable the District to pay the debt service on the Bonds through the final maturity thereof.

The Series 2025 Bonds are being issued by the District pursuant to the Act, Resolution No. 2024-34 and Resolution No. 2025-__ adopted by the Board of Supervisors of the District (the "Board") on September 29, 2023 and January 15, 2025, respectively, and a Master Trust Indenture dated as of January 1, 2025 (the "Master Indenture"), as supplemented by a First Supplemental Trust Indenture dated as of January 1, 2025 (the "First Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each by and between the District and the Trustee. Capitalized terms not defined herein shall have the meanings assigned to them in the Indenture. See "APPENDIX A: PROPOSED FORMS OF INDENTURE" herein.

The Series 2025 Bonds are subject to optional, mandatory sinking fund and extraordinary mandatory redemption at the times, in the amounts and at the redemption prices as more fully described herein. See “DESCRIPTION OF THE SERIES 2025 BONDS – Redemption Provisions” herein.

The Series 2025 Bonds involve a degree of risk (see “BONDOWNERS’ RISKS” herein) and are not suitable for all investors (see “SUITABILITY FOR INVESTMENT” herein). The Underwriter named below is limiting this offering to “accredited investors” within the meaning of Chapter 517, Florida Statutes, and the rules of the Florida Department of Financial Services promulgated thereunder. INTRODUCTION

The purpose of this Limited Offering Memorandum is to set forth certain information in connection with the offering for sale by the Cedar Crossings Community Development District (the “District” or “Issuer”) of its \$11,015,000* Special Assessment Bonds, Series 2025 (2025 Project) (the “Series 2025 Bonds”).

THE SERIES 2025 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERING OF THE SERIES 2025 BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF CHAPTER 517, FLORIDA STATUTES, AND THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFERS IN ANY SECONDARY MARKET FOR THE SERIES 2025 BONDS. POTENTIAL INVESTORS ARE SOLELY RESPONSIBLE FOR EVALUATING THE MERITS AND RISKS OF AN INVESTMENT IN THE SERIES 2025 BONDS. SEE “BONDOWNERS’ RISKS” AND “SUITABILITY FOR INVESTMENT” HEREIN.

The Series 2025 Special Assessments will be levied on ____ platted lots which comprise Phase One and initially the ____ +/- gross acres which comprise Phase Two until such time as the ____ lots within Phase Two are platted. The Series 2025 Bonds are being issued by the District pursuant to the Act, Resolution No. 2024-34 and Resolution No. 2025-__ adopted by the Board of Supervisors of the District (the “Board”) on September 29, 2023 and January 15, 2025, respectively, and a Master Trust Indenture dated as of January 1, 2025 (the “Master Indenture”), as supplemented by a First Supplemental Trust Indenture dated as of January 1, 2025 (the “First Supplemental Indenture” and, together with the Master Indenture, the “Indenture”), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”). Capitalized terms not defined herein shall have the meanings assigned to them in the Indenture. See “APPENDIX A: PROPOSED FORMS OF INDENTURE” herein.

Proceeds of the Series 2025 Bonds will be used to provide funds for the purposes of (i) providing funds to pay all or a portion of the costs of the planning, financing, acquiring, constructing, equipping and installing of the 2025 Project (as hereinafter defined); (ii) funding a deposit to the Series 2025 Reserve Account in the amount of the Series 2025 Reserve Requirement; (iii) paying a portion of the interest coming due on the Series 2025 Bonds and (iv) paying the costs of issuance of the Series 2025 Bonds. See “THE 2025 Project” and “ESTIMATED SOURCES AND USES OF FUNDS” herein.

The Series 2025 Bonds will be secured by a pledge of the Series 2025 Pledged Revenues. “Series 2025 Pledged Revenues” shall mean (a) all revenues received by the District from the Series 2025 Special Assessments levied and collected on the assessable lands within the District, benefitted by the 2025 Project, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2025 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2025 Special Assessments, and (b) all moneys on deposit in the Funds and Accounts established under the Indenture created and established with respect to or for the benefit of the Series 2025 Bonds; provided, however, that Series 2025 Pledged Revenues shall not include (A) any moneys transferred to the Series 2025 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2025 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) “special assessments” levied and collected by the District under Section 190.022 of the Act for maintenance purposes or “maintenance assessments” levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso). Redemption Provisions

Optional Redemption. The Series 2025 Bonds maturing after May 1, 20__ may, at the option of the District be called for redemption prior to maturity as a whole or in part, at any time, on or after May 1, 20__ (less than all Series 2025 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2025 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date through which interest has been paid to the redemption date from moneys on deposit in the Series 2025 Optional Redemption Subaccount of the Series 2025 Bond Redemption Account. If such optional redemption shall be in part, the Issuer shall select such principal amount of Series 2025 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2025 Bonds is substantially level.

Mandatory Sinking Fund Redemption.

The Series 2025 Bonds maturing on May 1, 20__ are subject to mandatory sinking fund redemption from the moneys on deposit in the Series 2025 Sinking Fund Account on May 1 in the years and in the mandatory sinking fund redemption amounts set forth below at a Redemption Price of 100% of their principal amount plus accrued interest to the date of redemption.

Upon any redemption of the Series 2025 Bonds other than in accordance with scheduled mandatory sinking fund redemption amounts, the District shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2025 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2025

Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2025 Bonds in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption or purchase occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

Extraordinary Mandatory Redemption in Whole or in Part. The Series 2025 Bonds are subject to extraordinary mandatory redemption prior to maturity by the District in whole or in part, on any date (other than in the case of clause (i) below, which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Series 2025 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) from Series 2025 Prepayment Principal deposited into the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account following the payment in whole or in part of the Series 2025 Special Assessments on any assessable property within the District in accordance with the provisions of the First Supplemental Indenture. If such redemption shall be in part, the District shall select such principal amount of Series 2025 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2025 Bonds is substantially level.

(ii) from moneys, if any, on deposit in the Funds, Accounts and subaccounts held by the Trustee pursuant to the Indenture (other than the Series 2025 Rebate Fund and the Series 2025 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2025 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Master Indenture.

(iii) upon the Completion Date, from any funds remaining on deposit in the Series 2025 Acquisition and Construction Account in accordance with the provisions of the First Supplemental Indenture not otherwise reserved to complete the 2025 Project and transferred to the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account, together with moneys deposited therein in accordance with the provisions of the First Supplemental Indenture, as a result of the reduction of the Series 2025 Reserve Requirement. If such redemption shall be in part, the District shall select such principal amount of Series 2025 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2025 Bonds is substantially level.

Notice of Redemption and of Purchase. When required to redeem or purchase Series 2025 Bonds under any provision of the Indenture or directed to do so by the District, the Trustee shall give or cause notice of the redemption, either in whole or in part, to be provided by Electronic Means or mailed at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Series 2025 Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Series 2025 Bonds for which notice was duly mailed in accordance with the Indenture.

If at the time of mailing of notice of an optional redemption or purchase, the District shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem or purchase all the Series 2025 Bonds called for redemption or purchase, such notice shall be entitled "CONDITIONAL NOTICE OF REDEMPTION" or "CONDITIONAL NOTICE OF PURCHASE," as appropriate, and shall expressly state that the redemption or purchase, as appropriate, is conditional and is subject to the deposit of the

redemption or purchase moneys with the Trustee or Paying Agent, as the case may be, not later than the opening of business on the redemption or purchase date, and such notice shall be of no effect unless such moneys are so deposited.

Purchase of Series 2025 Bonds

At the written direction of the District, the Trustee shall apply moneys from time to time available in the Series 2025 Sinking Fund Account to the purchase of Series 2025 Bonds which mature in the aforesaid years, at prices not higher than the principal amount thereof, in lieu of redemption as aforesaid, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given. In the event of purchases at less than the principal amount thereof, the difference between the amount in the Series 2025 Sinking Fund Account representing the principal amount of the Series 2025 Bonds so purchased and the purchase price thereof (exclusive of accrued interest) shall be transferred to the related Series 2025 Interest Account of the Debt Service Fund.

Book-Entry Only System

The information in this caption concerning DTC (as defined below) and DTC's book-entry system has been obtained from DTC and neither the District nor the Underwriter make any representation or warranty or take any responsibility for the accuracy or completeness of such information.

The Depository Trust Company ("DTC") will act as securities depository for the Series 2025 Bonds. The Series 2025 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2025 Bond certificate will be issued for each maturity of the Series 2025 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has an S&P Global Ratings, a division of S&P Global Inc. rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2025 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2025 Bonds on DTC's records. The ownership

interest of each actual purchaser of each Series 2025 Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2025 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2025 Bonds, except in the event that use of the book-entry system for the Series 2025 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2025 Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2025 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2025 Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Series 2025 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2025 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2025 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2025 Bond documents. For example, Beneficial Owners of Series 2025 Bonds may wish to ascertain that the nominee holding the Series 2025 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2025 Bonds are being redeemed, DTC’s practice is to determine by lot the amount of the interest of each Direct Participant in such Series 2025 Bonds to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2025 Bonds unless authorized by a Direct Participant in accordance with DTC’s MMI procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.’s consenting or voting rights to those Direct Participants to whose accounts the Series 2025 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, and principal and interest payments on the Series 2025 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC’s practice is to credit Direct Participants’ accounts upon DTC’s receipt of funds and corresponding detail information from the District or the Paying Agent on payable date in accordance with their respective holdings shown on DTC’s records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in “street name,” and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, and principal and

interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2025 Bonds at any time by giving reasonable notice to the District and the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2025 Bond certificates are required to be printed and delivered.

The District may decide to discontinue, pursuant to the procedures of DTC, use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Series 2025 Bond certificates will be printed and delivered to DTC.

SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS

General

THE SERIES 2025 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY OUT OF THE SERIES 2025 PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, THE CITY, THE COUNTY, THE STATE OF FLORIDA (THE “STATE”), OR ANY OTHER POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2025 BONDS, EXCEPT THAT THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION, SERIES 2025 SPECIAL ASSESSMENTS TO SECURE AND PAY THE SERIES 2025 BONDS. THE SERIES 2025 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT, THE CITY, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

The Series 2025 Bonds will be secured by a pledge of the Series 2025 Pledged Revenues. “Series 2025 Pledged Revenues” shall mean (a) all revenues received by the District from the Series 2025 Special Assessments levied and collected on the assessable lands within the District, benefitted by the 2025 Project, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2025 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2025 Special Assessments, and (b) all moneys on deposit in the Funds and Accounts established under the Indenture created and established with respect to or for the benefit of the Series 2025 Bonds; provided, however, that Series 2025 Pledged Revenues shall not include (A) any moneys transferred to the Series 2025 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2025 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) “special assessments” levied and collected by the District under Section 190.022 of the Act for maintenance purposes or “maintenance assessments” levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso). See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS” herein.

The “Series 2025 Special Assessments” shall mean the Special Assessments levied on the assessable lands within the District as a result of the District’s acquisition and/or construction of the 2025 Project, corresponding in amount to the debt service on the Series 2025 Bonds and designated as such in

the Assessment Methodology (as defined herein). The Assessment Methodology, which describes the methodology for allocating the Series 2025 Special Assessments to the assessable lands within the District is included as APPENDIX D hereto. The Series 2025 Special Assessments will be levied pursuant to Section 190.022 of the Act, and the Assessment Resolutions (as defined in the First Supplemental Indenture) and assessment proceedings conducted by the District (together with the Assessment Resolutions, the “Assessment Proceedings”). Non-ad valorem assessments are not based on millage and are not taxes, but are a lien against the lands receiving special benefit, including, but not limited to, homestead property, as permitted in Section 4, Article X of the Florida State Constitution. The Series 2025 Special Assessments will constitute a lien against the land as to which the Series 2025 Special Assessments are imposed. See “ENFORCEMENT OF ASSESSMENT COLLECTIONS” herein.

Assessment Methodology / Projected Level of District Assessments

As set forth in the Assessment Methodology, the Series 2025 Special Assessments are levied on ___ platted lots which comprise Phase One and initially the ___ +/- gross acres which comprise Phase Two until such time as the ___ lots within Phase Two are platted. As platting of the ___ lots within Phase Two occurs, the Series 2025 Special Assessments will be assigned to such platted lots on a first platted, first assigned basis. Assuming that all of the planned 300 residential units are developed and platted, then the Series 2025 Special Assessments will be allocated on a per unit basis below and as set forth in the Assessment Methodology. See “THE DEVELOPMENT – Development Plan/Status” and “APPENDIX D: ASSESSMENT METHODOLOGY” herein.

*Preliminary, subject to change.

**This amount is grossed up to include early payment discounts and County collection fees, currently 7%.

The District anticipates levying assessments to cover its operation and maintenance costs that are initially expected to be approximately \$_____ per residential unit annually; which amount is subject to change. In addition, residents within the Development will be required to pay homeowners association fees currently estimated to be \$_____ per residential unit annually; which amount is subject to change [Will there be a separate amenity fee? If so, how much annually?]. The land within the District has been and is expected to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District for 2024 was approximately 19.7112 mills, which millage rate is subject to change in future tax years. These taxes would be payable in addition to the Series 2025 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the City, the County and the School District of Polk County, Florida may each levy ad valorem taxes and/or special assessments upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year. See “THE DEVELOPMENT – Taxes, Fees and Assessments” for more information.

Additional Obligations

The District covenants not to issue any other Bonds or debt obligations secured by the Series 2025 Special Assessments. In addition, the District covenants not to issue any other Bonds or debt obligations for capital projects, secured by Special Assessments on the assessable lands within the District that are subject to the Series 2025 Special Assessments, until the Series 2025 Special Assessments are Substantially Absorbed or the Majority Holders have consented in writing. “Substantially Absorbed” means the date at least 90% of the principal portion of the Series 2025 Special Assessments have been assigned to residential units within the District have received certificates of occupancy. The District shall present the Trustee with a certification that the Series 2025 Special Assessments are Substantially Absorbed and the Trustee may rely conclusively upon such certification and shall have no duty to verify if the Series 2025 Special Assessments are Substantially Absorbed. In the absence of such written certification, the Trustee is entitled to assume that the Series 2025 Special Assessments have not been Substantially Absorbed.

Such covenant shall not prohibit the District from issuing refunding Bonds or any Bonds or other obligations secured by Special Assessments levied on District Lands outside of the District, or to finance any other capital project that is necessary to remediate a natural disaster, catastrophic damage or failure with respect to the 2025 Project.

The District, subject to the first paragraph under this heading, and/or other public entities may impose taxes or other special assessments on the same properties encumbered by the Series 2025 Special Assessments without the consent of the Owners of the Series 2025 Bonds. The District expects to impose certain non-ad valorem special assessments called maintenance assessments, which are of equal dignity with the Series 2025 Special Assessments, on the same lands upon which the Series 2025 Special Assessments are imposed, to fund the maintenance and operation of the District. See “THE DEVELOPMENT – Taxes, Fees and Assessments” and “BONDOWNERS’ RISKS” herein for more information.

Covenant Against Sale or Encumbrance

In the Master Indenture, the District will covenant that (a) except for those improvements comprising the Project that are to be conveyed by the District to the City, the County, the State Department of Transportation or another governmental entity, as to which no assessments of the District will be imposed, and (b) except as otherwise permitted in the Indenture, it will not sell, lease or otherwise dispose of or encumber the Project or any part thereof. See “APPENDIX A: PROPOSED FORMS OF INDENTURE” herein for more information.

Series 2025 Reserve Account

The Indenture establishes a Series 2025 Reserve Account within the Debt Service Reserve Fund for the Series 2025 Bonds. The Series 2025 Reserve Account will, at the time of delivery of the Series 2025 Bonds, be funded from a portion of the net proceeds of the Series 2025 Bonds in an amount equal to the initial Series 2025 Reserve Requirement. “Series 2025 Reserve Requirement” or “Reserve Requirement” shall be (i) initially, an amount equal to the maximum annual debt service on the Series 2025 Bonds as calculated from time to time; (ii) upon the occurrence of the Reserve Release Conditions #1, fifty percent (50%) of the maximum annual debt service on the Series 2025 Bonds as calculated from time to time; and (iii) upon the occurrence of the Reserve Release Conditions #2, ten percent (10%) of the maximum annual debt service on the Series 2025 Bonds as calculated from time to time. Upon satisfaction of the Reserve Release Conditions #1 or Reserve Release Conditions #2, as applicable, such excess amount shall be released from the Series 2025 Reserve Account and transferred to the Series 2025 Acquisition and

Construction Account in accordance with the provisions of the First Supplemental Indenture. "Reserve Release Conditions #1" shall mean collectively (i) all of the Outstanding principal amount of the Series 2025 Special Assessments shall have been assigned to lots that have been developed, platted and conveyed to homebuilders, and (ii) there shall be no Events of Default under the Indenture, all as certified by the District Manager in writing and upon which the Trustee may conclusively rely. "Reserve Release Conditions #2" shall mean collectively (i) satisfaction of Reserve Release Conditions #1, (ii) all of the Outstanding principal portion of the Series 2025 Special Assessments has been assigned to homes that have received a certificate of occupancy and (iii) there shall be no Events of Default under the Indenture, all as certified by the District Manager in writing and upon which the Trustee may conclusively rely. Amounts on deposit in the Series 2025 Reserve Account may, upon final maturity or redemption of all Outstanding Series 2025 Bonds be used to pay principal of and interest on the Series 2025 Bonds at that time. Initially, the Series 2025 Reserve Requirement shall be equal to \$_____.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2025 Reserve Account and transfer any excess therein above the Reserve Requirement resulting from investment earnings to the Series 2025 Revenue Account in accordance with the provisions of the First Supplemental Indenture.

Subject to the provisions of the First Supplemental Indenture, on any date the District receives notice from the District Manager that a landowner wishes to prepay its Series 2025 Special Assessments relating to the benefited property of such landowner, or as a result of a mandatory true-up payment, the District shall, or cause the District Manager, on behalf of the District to calculate the principal amount of such Prepayment taking into account a credit against the amount of Series 2025 Prepayment Principal due by the amount of money in the Series 2025 Reserve Account that will exceed the Series 2025 Reserve Requirement for the Series 2025 Bonds, taking into account the proposed Prepayment. Such excess shall be transferred to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the District, shall make such calculation within ten (10) Business Days after such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the respective landowner from the Series 2025 Reserve Account to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2025 Bonds in accordance with the provisions of the First Supplemental Indenture. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding any of the foregoing, amounts on deposit in the Series 2025 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holder of the Series 2025 Bonds to the Series 2025 General Redemption Subaccount, if as a result of the application of the provisions within the Master Indenture, the proceeds received from lands sold subject to the Series 2025 Special Assessments and applied to redeem a portion of the Series 2025 Bonds are less than the principal amount of Series 2025 Bonds indebtedness attributable to such lands.

Upon satisfaction of the Reserve Release Conditions #1 and Reserve Release Conditions #2, the amount on deposit in the Series 2025 Reserve Account in excess of the Series 2025 Reserve Requirement, as applicable and as calculated by the District shall then be transferred by the Trustee to the Series 2025 Acquisition and Construction Account, as directed in writing to the Trustee by the District Manager, upon consultation with the Consulting Engineer, and applied as provided in the First Supplemental Indenture.

Notwithstanding the foregoing, upon satisfaction of the Reserve Release Conditions #2, the Trustee shall deposit such excess as directed by the District Manager in writing on deposit in the Series 2025 Reserve Account to the Series 2025 Acquisition and Construction Account and pay such amount as designated in a requisition in the form attached as Exhibit D to the Master Indenture to the District submitted by the Developer within thirty (30) days of such transfer which requisition shall be executed by the District

and the Consulting Engineer. Such payment is authorized notwithstanding that the Completion Date might have been declared provided the Developer can establish, to the satisfaction of the Consulting Engineer, Costs of the 2025 Project that were not paid from moneys initially deposited in the Series 2025 Acquisition and Construction Account. In the event that there are no unreimbursed Costs to pay to the Developer, such excess moneys transferred from the Series 2025 Reserve Account to the Series 2025 Acquisition and Construction Account shall be deposited into the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account upon direction to the Trustee by the District. If no completed requisition as provided in this paragraph is submitted to the Trustee within thirty (30) days of moneys having been transferred from the Series 2025 Reserve Account to the Series 2025 Acquisition and Construction Account as a result of the satisfaction of the Reserve Release Conditions #2, such excess moneys in the Series 2025 Acquisition and Construction Account shall then be transferred by the Trustee to the Series 2025 General Redemption Subaccount and applied to the redemption of Series 2025 Bonds as provided in the provisions of the First Supplemental Indenture.

In addition, and together with the moneys transferred from the Series 2025 Reserve Account pursuant to this paragraph, if the amount on deposit in the Series 2025 General Redemption Subaccount, is not sufficient to redeem a principal amount of the Series 2025 Bonds in an Authorized Denomination, the Trustee is authorized to withdraw amounts from the Series 2025 Revenue Account to round up the amount in the Series 2025 General Redemption Subaccount to the nearest Authorized Denomination. Notwithstanding the foregoing, no transfers from the Series 2025 Revenue Account shall be made to pay interest on and/or principal of the Series 2025 Bonds for the redemption pursuant to the provisions of the First Supplemental Indenture if as a result the deposits required in “– Deposit and Application of the Series 2025 Pledged Revenues” cannot be made in full.

It shall be an Event of Default under the Indenture if at any time the amount in the Series 2025 Reserve Account is less than the Series 2025 Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement for the Series 2025 Bonds and such amount has not been restored within thirty (30) days of such withdrawal.

Deposit and Application of the Series 2025 Pledged Revenues

Pursuant to the Indenture, the Trustee shall transfer from amounts on deposit in the Series 2025 Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each Interest Payment Date, commencing May 1, 2025, to the Series 2025 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2025 Bonds becoming due on the next succeeding Interest Payment Date, less any amount on deposit in the Series 2025 Interest Account not previously credited;

SECOND, no later than the Business Day next preceding each May 1, commencing May 1, 20__, to the Series 2025 Sinking Fund Account, an amount equal to the principal amount of Series 2025 Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Series 2025 Sinking Fund Account not previously credited;

THIRD, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2025 Bonds remain Outstanding, to the Series 2025 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Series 2025 Bonds;

FOURTH, notwithstanding the foregoing, at any time the Series 2025 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer to the Series 2025 Interest Account, the amount necessary to pay interest on the Series 2025 Bonds subject to redemption on such date; and

FIFTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be first deposited into the Series 2025 Costs of Issuance Account upon the written request of the District to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2025 Bonds and next, any balance in the Series 2025 Revenue Account shall remain on deposit in such Series 2025 Revenue Account, unless needed to be transferred to the Series 2025 Prepayment Subaccount for the purposes of rounding the principal amount of a Series 2025 Bond subject to extraordinary mandatory redemption pursuant to the provisions of the First Supplemental Indenture to an Authorized Denomination, or unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2025 Rebate Fund, in which case, the District shall direct the Trustee to make such deposit thereto.

In addition to a redemption of Series 2025 Bonds from Prepayments on deposit in the Series 2025 Prepayment Subaccount, the Trustee is further authorized, upon written direction from the District, to transfer from the Series 2025 Revenue Account to the Series 2025 General Redemption Subaccount sufficient funds to cause the redemption of the next closest Authorized Denomination of Series 2025 Bonds, as provided in the provisions of the First Supplemental Indenture.

Investments

The Trustee shall, as directed by the District in writing, invest moneys held in any Account within the Debt Service Fund, any Account within the Debt Service Reserve Fund and any Account within the Bond Redemption Fund only in Investment Securities. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for purposes set forth in the Indenture. All securities securing investments shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to the provisions of the Indenture, any interest and other income so received shall be deposited in the Series 2025 Revenue Account. Upon written request of the District, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof. If net proceeds from the sale of securities held in any Fund or Account shall be less than the amount invested and, as a result, the amount on deposit in such Fund or Account is less than the amount required to be on deposit in such Fund or Account, the amount of such deficit shall be transferred to such Fund or Account from the related Account of the Revenue Fund.

In the absence of written investment instructions from the District, the Trustee shall not be responsible or liable for keeping the moneys held by it under the Indenture invested or for any losses because such amounts were not invested. Moneys in any of the Funds and Accounts established pursuant to the Indenture, when held by the Trustee, shall be promptly invested by the Trustee in accordance with

all written directions from the District and the District shall be responsible for ensuring that such instructions conform to requirements of the Indenture. The Trustee shall not be liable or responsible for any loss or entitled to any gain resulting from any investment or sale upon the investment instructions of the Issuer or otherwise, including that set forth in the first sentence of this paragraph. The Trustee may conclusively rely upon the District's written instructions as to both the suitability and legality of all investments directed under the Indenture. Ratings of investments shall be determined by the District at the time of purchase of such investments and without regard to ratings subcategories. The Trustee shall have no responsibility to monitor the ratings of investments. The Trustee may make any and all such investments through its own investment department or that of its affiliates or subsidiaries, and may charge its ordinary and customary fees for such trades. Confirmations of investments are not required to be issued by the Trustee for each month in which a monthly statement is rendered. No statement need be rendered for any fund or account if no activity occurred in such fund or account during such month. See "APPENDIX A: PROPOSED FORMS OF INDENTURE" hereto.

Covenant to Levy the Series 2025 Special Assessments

The District will covenant to levy the Series 2025 Special Assessments to the extent and in the amount sufficient to pay debt service on the Series 2025 Bonds when due. If any Series 2025 Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Series 2025 Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Series 2025 Special Assessment when it might have done so, the District has additionally covenanted to either (i) take all necessary steps to cause a new Series 2025 Special Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement, or (ii) in its sole discretion, make up the amount of such Series 2025 Special Assessment from any legally available moneys, which moneys shall be deposited into the Series 2025 Revenue Account. In case such second Series 2025 Special Assessment shall be annulled, the District shall obtain and make other Series 2025 Special Assessments until a valid Series 2025 Special Assessment shall be made.

Prepayment of Series 2025 Special Assessments

Pursuant to the Indenture, at any time any owner of property subject to the Series 2025 Special Assessments may, at its option, or as a result of acceleration of the Series 2025 Special Assessments because of non-payment thereof, shall, or by operation of law, require the District to reduce or release and extinguish the lien upon its property by virtue of the levy of the Series 2025 Special Assessments by paying or causing there to be paid, to the District all or a portion of the Series 2025 Special Assessment, which shall constitute Series 2025 Prepayment Principal, plus, except as provided below, accrued interest to the next succeeding Quarterly Redemption Date (or the first succeeding Quarterly Redemption Date that is at least forty-five (45) days after such Prepayment, if such Prepayment is made within forty-five (45) calendar days before the next succeeding Quarterly Redemption Date, as the case may be), attributable to the property subject to Series 2025 Special Assessments owned by such owner. To the extent that such Prepayments are to be used to redeem Series 2025 Bonds pursuant to the provisions of the First Supplemental Indenture, in the event the amount on deposit in the Series 2025 Reserve Account will exceed the Series 2025 Reserve Requirement for the Series 2025 Bonds as a result of a Prepayment in accordance with the First Supplemental Indenture and the resulting extraordinary mandatory redemption of the Series 2025 Bonds in accordance with the First Supplemental Indenture, the excess amount shall be transferred from the Series 2025 Reserve Account to the Series 2025 Prepayment Subaccount, as a credit against the Series 2025 Prepayment Principal otherwise required to be paid by the owner of such lot or parcel, upon written instructions of the District to the Trustee together with a certificate of a Responsible Officer of the District, upon which the Trustee may conclusively rely, stating that, after giving effect to such transfers sufficient

moneys will be on deposit in the Series 2025 Reserve Account to equal or exceed the Series 2025 Reserve Requirement.

Pursuant to the Act, an owner of property subject to the levy of Series 2025 Special Assessments may pay the entire balance of the Series 2025 Special Assessments remaining due, without interest, within thirty (30) days after the 2025 Project has been completed or acquired by the District, and the Board has adopted a resolution accepting the 2025 Project pursuant to Chapter 170.09, Florida Statutes. The Developer, as the owner of the property within the District, will covenant to waive this right on behalf of itself and its respective successors and assigns in connection with the issuance of the Series 2025 Bonds.

Any prepayment of Series 2025 Special Assessments will result in the extraordinary mandatory redemption of a portion of the Series 2025 Bonds as indicated under “DESCRIPTION OF THE SERIES 2025 BONDS - Redemption Provisions - Extraordinary Mandatory Redemption.” The prepayment of Series 2025 Special Assessments does not entitle the owner of the property to a discount for early payment.

Indenture Provisions Relating to Bankruptcy or Insolvency of Certain Landowners

For purposes of this heading and as described in the Master Indenture, (a) each Series of Bonds, including the Series 2025 Bonds, secured by and payable from Special Assessments, including the Series 2025 Special Assessments, levied against property owned by any Insolvent Taxpayer (defined below) are collectively referred to herein as the “Affected Bonds” and (b) the Special Assessments levied against any Insolvent Taxpayer’s property and pledged under one or more Supplemental Indentures as security for the Affected Bonds are collectively referred to herein as the “Affected Special Assessments.”

The following provisions of the Master Indenture shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to the Series 2025 Special Assessments (an “Insolvent Taxpayer”) under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a “Proceeding”). For as long as any Series 2025 Bonds remain Outstanding, in any Proceeding involving the District, any Insolvent Taxpayer, the Series 2025 Bonds or the Series 2025 Special Assessments, the District, to the extent permitted by applicable law, shall be obligated to act in accordance with any direction from the Trustee with regard to all matters directly or indirectly affecting at least three percent (3%) of the Outstanding aggregate principal amount of the Series 2025 Bonds or for as long as any Series 2025 Bonds remain Outstanding, in any Proceeding involving the District, any Insolvent Taxpayer, the Series 2025 Bonds or the Series 2025 Special Assessments or the Trustee. The District agrees that it shall not be a defense to a breach of the foregoing covenant that it has acted upon advice of counsel in not complying with this covenant.

In the Master Indenture, the District acknowledges and agrees that, although the Affected Bonds were issued by the District, the Owners of the Affected Bonds are categorically the party with the ultimate financial stake with respect to the Affected Bonds and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving any Insolvent Taxpayer: (a) the District hereby agrees that it shall follow the direction of the Trustee in making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Master Indenture; (b) the District hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the

Indenture that is inconsistent with any direction from the Trustee; (c) to the extent permitted by law, the Trustee shall have the right, but is not obligated to, (i) vote in any such Proceeding any and all claims of the District, or (ii) file any motion, pleading, plan or objection in any such Proceeding on behalf of the District, including without limitation, motions seeking relief from the automatic stay, dismissal the Proceeding, valuation of the property belonging to the Insolvent Taxpayer, termination of exclusivity, and objections to disclosure statements, plans of liquidation or reorganization, and motions for use of cash collateral, seeking approval of sales or post-petition financing. If the Trustee chooses to exercise any such rights, the District shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute any claims, to propose and prosecute a plan, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (d) the District shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of the lands owned by any Insolvent Taxpayer submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the District claim and rights with respect to the Affected Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District agrees that the Trustee shall have the right (i) to file a proof of claim with respect to the Affected Special Assessments, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim.

Events of Default and Remedies

Events of Default Defined. The Indenture provides that each of the following shall be an "Event of Default" under the Indenture, with respect to the Series 2025 Bonds:

- (a) if payment of any installment of interest on any Series 2025 Bond is not made when it becomes due and payable; or
- (b) if payment of the principal or Redemption Price of any Series 2025 Bond is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or
- (c) if the District, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act, as determined by the Majority Holders; or
- (d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the District and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or
- (e) if the District defaults in the due and punctual performance of any other covenant in the Indenture or in the Series 2025 Bonds and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the District by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Holders of the Outstanding Series 2025 Bonds; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken

or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) if at any time the amount in the Series 2025 Reserve Account is less than the Series 2025 Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to pay debt service on the Series 2025 Bonds and such amount has not been restored within thirty (30) days of such withdrawal; or

(g) if at any time after eighteen (18) months following issuance of the Series 2025 Bonds, more than twenty percent (20%) of the “maintenance special assessments” levied by the District on the District Lands upon which the Series 2025 Special Assessments are levied to secure the Series 2025 Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid, when due.

The Trustee shall not be required to rely on any official action, admission or declaration by the District before recognizing that an Event of Default under (c) above has occurred.

No Acceleration; Redemption. No Series 2025 Bonds shall be subject to acceleration. Upon occurrence and continuance of an Event of Default, no optional redemption or extraordinary mandatory redemption of the Series 2025 Bonds pursuant to the Indenture shall occur unless all of the Series 2025 Bonds where an Event of Default has occurred will be redeemed or if 100% of the Holders of the Series 2025 Bonds agree to such redemption; provided however, that in no event shall this sentence prevent a pro rate default distribution under the provisions of the Master Indenture.

Legal Proceedings by Trustee. If any Event of Default with respect to the Series 2025 Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Majority Holders of the Outstanding Series 2025 Bonds and receipt of indemnity to its satisfaction shall, in its capacity as Trustee:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Series 2025 Bonds, including, without limitation, the right to require the District to carry out any agreements with, or for the benefit of, the Series 2025 Bondholders and to perform its or their duties under the Act;

(b) bring suit upon the Series 2025 Bonds;

(c) by action or suit in equity require the District to account as if it were the trustee of an express trust for the Holders of the Series 2025 Bonds;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Series 2025 Bonds; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing the Series 2025 Bonds.

Discontinuance of Proceedings by Trustee. If any proceeding taken by the Trustee on account of any Event of Default is discontinued or is determined adversely to the Trustee, the District, the Trustee, the Paying Agent and the Bondholders shall be restored to their former positions and rights hereunder as though no such proceeding had been taken.

Bondholders May Direct Proceedings. The Majority Holders then subject to remedial proceedings under the Indenture shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with law or the provisions of the Indenture.

Application of Moneys in Event of Default. Any moneys received by the Trustee or the Paying Agent, as the case may be, in connection with any proceedings brought under Article X of the Master Indenture with respect to the Series 2025 Bonds shall be applied in the following order of priority:

(a) to the payment of the costs of the Trustee and Paying Agent incurred in connection with actions taken under Article X of the Master Indenture with respect to such Series 2025 Bonds, including counsel fees, costs and expenses and any disbursements of the Trustee and the Paying Agent and payment of unpaid fees owed to the Trustee, the Registrar or the Paying Agent.

(b) unless the principal of all the Series 2025 Bonds shall have become or shall have been declared due and payable:

FIRST, to payment of all installments of interest then due on the Series 2025 Bonds in the order of maturity of such installments of interest, and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any preference or priority of one installment of interest over any other installment; and

SECOND, to payment to the persons entitled thereto of the unpaid principal or Redemption Price of any of the Series 2025 Bonds which shall have become due in the order of their due dates, with interest on such Series 2025 Bonds from the respective dates upon which they become due and, if the amount available shall not be sufficient to pay in full the principal or Redemption Price coming due on such Series 2025 Bonds on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto without any preference or priority of one such Series 2025 Bond over another Bond or of any installment of interest over another.

(c) if the principal of all Series 2025 Bonds shall have become or shall have been declared due and payable, to the payment of principal or Redemption Price (as the case may be) and interest then owing on the Series 2025 Bonds and in case such moneys shall be insufficient to pay the same in full, then to the payment of principal or Redemption Price and interest ratably, without preference or priority of one Series 2025 Bond over another or of any installment of interest over any other installment of interest.

Any surplus remaining after the payments described above shall be paid to the District or to the Person lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary source of payment for the Series 2025 Bonds is the Series 2025 Special Assessments imposed on the assessable lands within the District specially benefited by the 2025 Project pursuant to the Assessment Proceedings. See “ASSESSMENT METHODOLOGY” herein and “APPENDIX D: ASSESSMENT METHODOLOGY.”

The determination, order, levy, and collection of Series 2025 Special Assessments must be done in compliance with procedural requirements and guidelines provided by State law. Failure by the District, the Polk County Tax Collector (the “Tax Collector”) or the Polk County Property Appraiser (the “Property Appraiser”) to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Series 2025 Special Assessments during any year. Such delays in the collection of Series 2025 Special Assessments, or complete inability to collect any of the Series 2025 Special Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on such Series 2025 Bonds. To the extent that landowners fail to pay the Series 2025 Special Assessments or delay payments, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2025 Bonds. The Act provides for various methods of collection of delinquent Series 2025 Special Assessments by reference to other provisions of the Florida Statutes. See “BONDOWNERS’ RISKS” herein. The following is a description of certain statutory provisions of assessment payment and collection procedures appearing in the Florida Statutes but is qualified in its entirety by reference to such statutes.

Alternative Uniform Tax Collection Procedure for Series 2025 Special Assessments

Except as stated below, the District will covenant in the Indenture to collect the Series 2025 Special Assessments through the Uniform Method (as herein defined) with respect to platted lots, unless the District determines that it is in its best interests to collect directly. Pursuant to the terms and provisions of the Master Indenture, the District shall, pursuant to the provisions of the Assessment Resolutions, directly collect the Series 2025 Special Assessments levied in lieu of the Uniform Method with respect to any assessable lands which have not yet been platted, or the timing for using the Uniform Method will not yet allow for using such method, unless the Trustee at the direction of the Majority Holders directs the District otherwise. At such time as the Series 2025 Special Assessments are collected pursuant to the Uniform Method, the provisions under this heading shall become applicable.

Sections 197.3632 and 197.3635, Florida Statutes, provide that, subject to certain conditions, non-ad valorem special assessments may be collected by using the uniform method of collection (the “Uniform Method”). The Uniform Method is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2025 Special Assessments to be levied and then collected in this manner. The District’s election to use a certain collection method with respect to the Series 2025 Special Assessments does not preclude it from electing to use another collection method in the future. See “Foreclosure” below with respect to collection of delinquent assessments not collected pursuant to the Uniform Method.

If the Uniform Method is utilized, the Series 2025 Special Assessments will be collected together with the City, County, school board, special district, and other ad valorem taxes and non-ad valorem assessments, all of which will appear on the tax bill (also referred to as a “tax notice”) issued to each landowner in the District. The statutes relating to enforcement of ad valorem taxes and non-ad valorem assessments provide that such taxes and assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such taxes and assessments (including the Series 2025 Special Assessments, if any, being collected by the Uniform Method) are to be billed, and landowners in the District are required to pay all such taxes and assessments, without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2025 Special Assessments.

All City, County, school and special districts, including the District, ad valorem taxes, non-ad valorem special assessments, including the Series 2025 Special Assessments, and voter-approved ad

valorem taxes levied to pay principal of and interest on bonds, are payable at one time, except for partial payment schedules as may be provided by Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the Series 2025 Special Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item, would cause the Series 2025 Special Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2025 Bonds.

Under the Uniform Method, if the Series 2025 Special Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid taxes and assessments become delinquent on April 1 of the year following assessment. The Tax Collector is required to collect the ad valorem taxes and non-ad valorem special assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such taxes and assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process.

Neither the District nor the Underwriter can give any assurance to the holders of the Series 2025 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2025 Special Assessments, (2) that future landowners and taxpayers in the District will pay such Series 2025 Special Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (4) that the eventual sale of tax certificates (as described below) for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Series 2025 Special Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2025 Special Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2025 Special Assessments due. In the event of a delinquency in the payment of taxes and assessments on real property, the landowner may, prior to the sale of tax certificates, pay the total amount of delinquent ad valorem taxes and non-ad valorem assessments plus the cost of advertising and the applicable interest charge on the amount of such delinquent taxes and assessments. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates on such property to the person who pays the delinquent taxes and assessments owing, penalties and interest thereon and certain costs, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%). Tax certificates are sold by public bid. If there are no bidders, the tax certificate is issued to the County. During the pendency of any litigation arising from the contest of a landowner's tax assessment collected through the Uniform Method, which may possibly include non-ad valorem special assessments such as the Series 2025 Special Assessments, it is possible that the tax collector will not sell tax certificates with respect to such property. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest (currently 18%). The Tax Collector does not collect any money if tax certificates are "struck off" (issued) to the County. The County may sell such certificates to the public at any time at the principal amount thereof plus interest at the rate of not more than 18% per annum and a fee. Proceeds from the sale of tax certificates are required to be used to pay taxes and assessments (including the Series 2025 Special Assessments), interest, costs and charges on the real property described in the certificate. The demand for such certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale

at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2025 Special Assessments, which are the primary source of payment of the Series 2025 Bonds. Legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates.

Any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued (unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees), at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, charges and omitted taxes due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5% to the holders thereof, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described in the preceding paragraph.

Any holder, other than the County, of a tax certificate that has not been redeemed has seven years from the date of issuance of the tax certificate during which to act against the land that is the subject of the tax certificate. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and the amount paid by such holder in applying for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, and all other amounts paid by such person in applying for a tax deed, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear.

Except for certain governmental liens and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the County may, at any time within ninety (90) days from the date of offering for public sale, purchase the land without further notice or advertising for a statutorily prescribed opening bid. After ninety (90) days have passed, any person or governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date of delinquency, unsold lands escheat to the county in which they are located and all tax certificates and liens against the property are canceled and a deed is executed vesting title in the governing board of such county.

Foreclosure

The following discussion regarding foreclosure is not applicable if the Series 2025 Special Assessments are being collected pursuant to the Uniform Method. In the event that the District, itself, directly levies and enforces, pursuant to Chapters 170 and 190, Florida Statutes, the collection of the Series 2025 Special Assessments levied on the land within the District, Section 170.10, Florida Statutes provides that upon the failure of any property owner to pay all or any part of the principal of a special assessment, including a Series 2025 Special Assessment, or the interest thereon, when due, all of the Series 2025 Special Assessments levied on the land owned by such property owner shall be accelerated and the governing body of the entity levying the assessment, including such Series 2025 Special Assessments, is authorized to commence legal proceedings for the enforcement of the payment thereof, including commencement of an action in chancery, commencement of a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or commencement of an action under Chapter 173, Florida Statutes relating to foreclosure of municipal tax and special assessment liens. Such proceedings would be in rem, meaning that each would be brought against the land not against the owner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2025 Special Assessments and the ability to foreclose the lien of such Series 2025 Special Assessments upon the failure to pay such Series 2025 Special Assessments may not be readily available or may be limited as such enforcement is dependent upon judicial action which is often subject to discretion and delay.

BONDOWNERS' RISKS

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described under other headings of this Limited Offering Memorandum. Certain additional risks are associated with the Series 2025 Bonds offered hereby and are set forth below. Prospective investors in the Series 2025 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2025 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. The information under this heading does not purport to summarize all risks that may be associated with purchasing or owning the Series 2025 Bonds and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2025 Bonds.

1. As of the date hereof, the Developer is the landowner of the assessable lands within the District, which are the lands that will be subject to the Series 2025 Special Assessments securing the Series 2025 Bonds. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS” herein. Payment of the Series 2025 Special Assessments is primarily dependent upon their timely payment by the Developer and subsequent landowners in the District. See “THE DEVELOPER” herein. In the event of the institution of bankruptcy or similar proceedings with respect to the Developer or any other owner of benefited property, delays could occur in the payment of debt service on the Series 2025 Bonds as such bankruptcy could negatively impact the ability of: (i) the Developer and any other landowner being able to pay the Series 2025 Special Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2025 Special Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2025 Special Assessments not being collected pursuant to the Uniform Method. The Uniform Method will not be used with respect to any assessable lands which are still owned by the Developer or an entity affiliated with the Developer until such time lots are platted unless the majority of the owners of the Bonds Outstanding direct the District to use the Uniform Method or the District is unable to use the Uniform Method. In addition, the remedies available to the Owners of the Series 2025 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2025 Bonds, including, without limitation, enforcement of the obligation to pay Series 2025 Special Assessments and the ability of the District to foreclose the lien of the Series 2025 Special Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2025 Bonds (including Bond Counsel’s approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2025 Bonds could have a material adverse impact on the interest of the Owners thereof.

2. The principal security for the payment of the principal and interest on the Series 2025 Bonds is the timely collection of the Series 2025 Special Assessments. The Series 2025 Special Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the landowners will be able to pay the Series 2025 Special Assessments or that they will pay such Series 2025 Special Assessments even though financially able to do so. Beyond legal delays that could result from bankruptcy or other legal proceedings contesting an ad valorem tax or non-ad valorem assessment, the ability of the Tax Collector to sell tax certificates in regard to delinquent Series 2025 Special Assessments collected pursuant to the Uniform Method will be dependent upon various factors, including the interest rate which can be earned by ownership of such certificates and the value of the land which is the subject of such certificates. The assessment of the benefits to be received by the benefited land within the District as a result of implementation and development of the 2025 Project is not indicative of the realizable or market value of the land, which value may actually be higher or lower than the assessment of benefits. To the extent that the realizable or market value of the land benefited by the 2025 Project is lower than the assessment of benefits, the ability of the Tax Collector to sell tax certificates relating to such land or the ability of the District to realize sufficient value from a foreclosure action to pay debt service on the Series 2025 Bonds may be adversely affected. Such adverse effect could render the District unable to collect delinquent Series 2025 Special Assessments and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the Series 2025 Bonds.

3. The value of the lands subject to the Series 2025 Special Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic

events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the District lands unable to support future development. Changing weather patterns have increased the likelihood of flooding within the County. The occurrence of any such events could materially adversely impact the District's ability to pay principal and interest on the Series 2025 Bonds. The Series 2025 Bonds are not insured and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

4. The development of the 2025 Project is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the District Lands. See "THE DEVELOPMENT – Development Approvals," and "– Environmental" herein for more information. Moreover, the Developer has the right to modify or change its plan for development of the Development, from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with, and subject to the provisions of the Act, to contract or expand the boundaries of the District.

5. The successful sale of the residential units, once such homes are built within the District may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Developer. See "BONDOWNERS' RISKS – No. 20" herein.

6. Neither the Developer nor any other subsequent landowner within the District has any obligation to pay the Series 2025 Special Assessments. As described in paragraph 2 above, the Series 2025 Special Assessments are an imposition against the land only. Neither the Developer nor any other subsequent landowner is a guarantor of payment of any Series 2025 Special Assessment and the recourse for the failure of the Developer or any other landowner to pay the Series 2025 Special Assessments is limited to the collection proceedings against the land as described herein.

7. The willingness and/or ability of an owner of benefited land to pay the Series 2025 Special Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the City, the County or any other local special purpose or general purpose governmental entities. City, County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2025 Special Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District, could, without the consent of the owners of the land within the District, impose additional taxes on the property within the District. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the Series 2025 Special Assessments. In addition, lands within the District may also be subject to assessments or fees by property and home owner associations.

8. The Series 2025 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2025 Bonds in the event an Owner thereof determines to solicit purchasers of the Series 2025 Bonds. The Series 2025 Bonds are being sold pursuant to exemptions from registration under applicable securities laws. No secondary market may develop and an owner may not be able to resell the Series 2025 Bonds. Even if a liquid secondary market exists, there can

be no assurance as to the price for which the Series 2025 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2025 Bonds, depending on the progress of development of the Development and the lands within the District, existing real estate and financial market conditions and other factors.

9. In addition to legal delays that could result from bankruptcy or legal proceedings contesting an ad valorem tax or non-ad valorem assessment, the ability of the District to enforce collection of delinquent Series 2025 Special Assessments will be dependent upon various factors, including the delay inherent in any judicial proceeding to enforce the lien of the Series 2025 Special Assessments and the value of the land which is the subject of such proceedings and which may be subject to sale. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Indenture Provisions Relating to Bankruptcy or Insolvency of Certain Landowners” herein. If the District has difficulty in collecting the Series 2025 Special Assessments, the Series 2025 Reserve Account could be rapidly depleted and the ability of the District to pay debt service would be materially adversely affected. In addition, during an Event of Default under the Indenture, the Trustee may withdraw moneys from the Series 2025 Reserve Account and such other Funds, Accounts and subaccounts created under the Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Series 2025 Reserve Account is accessed for such purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2025 Special Assessments in order to provide for the replenishment of the Series 2025 Reserve Account.

10. The value of the land within the District, the success of the development of the Development and the likelihood of timely payment of principal and interest on the Series 2025 Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the lands within the District and the likelihood of the timely payment of the Series 2025 Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. Except as described under “THE DEVELOPMENT – Environmental”, the Developer is not aware of any condition which currently requires, or is reasonably expected to require in the foreseeable future, investigation or remediation under any applicable federal, state or local governmental laws or regulations relating to the environment. See “THE DEVELOPMENT – Environmental” for more information on the Developer’s environmental site assessments. Nevertheless, it is possible that hazardous environmental conditions could exist within the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within the District and no assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future whether originating within the District or from surrounding property, and what effect such may have on the development of the Development.

11. If the District should commence a foreclosure action against a landowner for nonpayment of Series 2025 Special Assessments if the Series 2025 Special Assessments are not being collected pursuant to the Uniform Method, such landowners may raise affirmative defenses to such foreclosure action, which although such affirmative defenses would likely be proven to be without merit, could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Series 2025 Bondholders to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Code, there are limitations on the amounts of Series 2025 Bond proceeds that can be used for such purpose.

12. Under Florida law, a landowner may contest the assessed valuation determined for its property which forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a Tax Certificate under the Uniform Method will be suspended. If the Series 2025 Special Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to the Series 2025 Special Assessment even though the landowner is not contesting the amount Series 2025 Special Assessment. However, Section 194.014, Florida Statutes, requires taxpayers to pay all non-ad valorem taxes and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. In the event a taxpayer fails to pay their property taxes by April 1, the Value Adjustment Board is required to deny their petition by written decision by April 20 of such year.

13. The Internal Revenue Service (the “IRS”) routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this subsection, the “Audited Bonds”) issued by Village Center Community Development District (the “Village Center CDD”). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum (“TAM”) concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS’s conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a “proper issuer of tax-exempt bonds” and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations require that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4,

2017, the Treasury Department (“Treasury”) announced that it will withdraw the proposed regulations, stating that, “while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS believed that these proposed regulations should be withdrawn in their entirety.” On October 20, 2017 a notice of withdrawal was published in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues.

It has been reported that the IRS has closed audits of other community development districts in the State with no change to such districts’ bonds’ tax-exempt status, but has advised such districts that they must have qualified electors within five years of the issuance of tax-exempt bonds or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six years and there are 250 qualified electors in the district. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by resident landowners unaffiliated with the Developer. Currently, all members of the Board of the District were elected by the Developer and none were elected by qualified electors or resident landowners. The Developer will certify as to its expectations as to the timing of the transition of control of the Board of the District to qualified electors or resident landowners pursuant to the Act, and its expectations as to compliance with the Act by any members of the Board that they elect; thus, if the District does not reach the minimum of 250 qualified electors after the sale of units to homebuyers, although the Board will continue to be elected by landowners, these landowners will be homebuyers, in the District. Such certification by the Developer does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Series 2025 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable state or federal law.

Owners of the Series 2025 Bonds are advised that, if the IRS does audit the Series 2025 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2025 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2025 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2025 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2025 Bonds would adversely affect the availability of any secondary market for the Series 2025 Bonds. Should interest on the Series 2025 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2025 Bonds be required to pay income taxes on the interest received on such Series 2025 Bonds and related penalties, but because the interest rate on such Series 2025 Bonds will not be adequate to compensate Owners of the Series 2025 Bonds for the income taxes due on such interest, the value of the Series 2025 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATE ON THE SERIES 2025 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2025 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2025 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2025 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2025 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

14. In addition to a possible determination by the IRS that the District is not a political subdivision for purposes of the Code, and regardless of the IRS determination, it is possible that federal or state regulatory authorities could also determine that the District is not a political subdivision for purposes of the federal and state securities laws. Accordingly, the District and purchasers of Series 2025 Bonds may not be able to rely on the exemption from registration under the Securities Act of 1933, as amended (the “Securities Act”), relating to securities issued by political subdivisions. In that event the Owners of the Series 2025 Bonds would need to ensure that subsequent transfers of the Series 2025 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act.

15. Various proposals are mentioned from time to time by members of the Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of changing the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Series 2025 Bonds, by eliminating or changing the tax-exempt status of interest on certain of such bonds. Whether any of such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Series 2025 Bonds, cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Series 2025 Bonds. See also “TAX MATTERS.”

16. There can be no assurance, in the event the District does not have sufficient moneys on hand to complete the 2025 Project, that the District will be able to raise through the issuance of bonds, or otherwise, the moneys necessary to complete the 2025 Project. Further, pursuant to the First Supplemental Indenture, the District covenants not to issue any other Bonds or debt obligations secured by the Series 2025 Special Assessments. In addition, the District covenants not to issue any other Bonds or debt obligations for capital projects, secured by Special Assessments on the assessable lands within the District that are subject to the Series 2025 Special Assessments, until the Series 2025 Special Assessments are Substantially Absorbed or the Majority Holders have consented in writing. Such covenant shall not prohibit the District from issuing refunding Bonds or any Bonds or other obligations secured by Special Assessments levied on District Lands outside of the District, or to finance any other capital project that is necessary to remediate a natural disaster, catastrophic damage or failure with respect to the 2025 Project. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Additional Obligations” for more information. The Developer will enter into a completion agreement with the District with respect to any unfinished portions of the 2025 Project not funded with the proceeds of the Series 2025 Bonds. The Developer will execute and deliver to the District a collateral assignment agreement, pursuant to which the Developer will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Developer, development rights relating to the 2025 Project. Notwithstanding such collateral assignment agreement, in the event the District forecloses on the lands subject to the Series 2025 Special Assessments as a result of the Developer’s or subsequent landowners’ failure to pay such assessments, there is a risk that the District or its designee will not have all permits and entitlements necessary to complete the development of the Development. All such obligations of the Developer are unsecured obligations. See “THE 2025 Project” and “THE DEVELOPMENT” herein for more information.

17. It is impossible to predict what new proposals may be presented regarding ad valorem tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to

establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renews requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the “Executive Order”) directing the Office of Policy and Budget in the Executive Office of the Governor (“OPB”) to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any future legislation will or may have on the security for the Series 2025 Bonds. It should be noted that Section 190.16(14) of the Act provides in pertinent part that “The state pledges to the holders of any bonds issued under the Act that it will not limit or alter the rights of the district to levy and collect the ... assessments... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not impair the rights or remedies of such holders.”

18. In the event a bank forecloses on property within the District because of a default on a mortgage on such property in favor of such bank and then the bank itself fails, the Federal Deposit Insurance Corporation (the “FDIC”), as receiver will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2025 Special Assessments levied on such property. In addition, the District would require the consent of the FDIC prior to commencing a foreclosure action.

19. The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties’ digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of debt service on the Series 2025 Bonds.

20. The COVID-19 pandemic severely impacted global financial markets, unemployment levels and commerce generally. It is possible that, in the future, the spread of epidemic or pandemic diseases and/or government health and public safety restrictions imposed in response thereto could adversely impact the District, the Developer, the timely and successful completion of the Development and the construction and sale to purchasers of residential units therein. Such impacts could include delays in obtaining development approvals, construction delays, supply chain delays, or increased costs. See also “BONDOWNERS’ RISKS – No. 5” and “–No. 16” herein.

21. In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2025 Bonds are subject to extraordinary mandatory redemption as a result of prepayments of the Series 2025 Special Assessments by owners of the property within the Development. Any such redemptions of the Series 2025 Bonds would be at the principal amount of such Series 2025 Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Series 2025 Bonds may not realize their anticipated rate of return on the Series 2025 Bonds and owners of any Premium Bonds (as defined herein) may receive less than the price they paid for the Series 2025 Bonds. See “DESCRIPTION OF THE SERIES 2025 BONDS – Redemption Provisions” and “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Prepayment of Series 2025 Special Assessments” herein for more information.

THE DISTRICT

General Information

The District was established under the provisions of the Act and created by Ordinance No. 24-2072 adopted by the City Commission of the City on April 18, 2024 and effective on April 18, 2024, pursuant to the provisions of the Act. The boundaries of the District include approximately [79.05]+/- gross acres of land (the “District Lands”) located entirely within the City within Polk County, Florida (the “County”).

Legal Powers and Authority

The District is an independent unit of local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State of Florida. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter. The District is classified as an independent district under Chapter 189, Florida Statutes.

Among other provisions, the Act gives the District’s Board of Supervisors, as governing body of the District (the “Board”), the authority to, among other things, (a) plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems and facilities for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and waste-water management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines; and (iv) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses and security; (b) borrow money and issue bonds of the District; (c) impose and foreclose special assessments liens as provided in the Act; and (d) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

The Act does not empower the District to adopt and enforce any land use plans or zoning ordinances and the Act does not empower the District to grant building permits; these functions are to be performed by general purpose local governments having jurisdiction over the lands within the District.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any owner of Bonds of the District to pursue any remedy for enforcement of any lien or pledge of the District in connection with its bonds, including the Series 2025 Bonds.

Board of Supervisors

The Board is composed of five Supervisors. The Act provides that, at the initial meeting of the landowners, Supervisors must be elected by the landowners with the two Supervisors receiving the highest number of votes to serve for four years and the remaining Supervisors to serve for a two-year term. Three

of the five Supervisors are elected to the Board every two years in November. At such election the two Supervisors receiving the highest number of votes are elected to four-year terms and the remaining Supervisor is elected to a two-year term. Until the later of six (6) years after the initial appointment of Supervisors or the year in which there are at least 250 qualified electors in the District, or such earlier time as the Board may decide to exercise its ad valorem taxing power, the Supervisors are elected by vote of the landowners of the District. Ownership of the land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number and, for purposes of determining voting interests, platted lots shall be counted individually and rounded up to the nearest whole acre and shall not be aggregated for determining the number of voting units held). Upon the later of six (6) years after the initial appointment of Supervisors or the year in which there are at least 250 qualified electors in the District, the Supervisors whose terms are expiring will be elected (as their terms expire) by qualified electors of the District, except as described below. A qualified elector is a registered voter who is at least eighteen years of age, a resident of the District and the State of Florida and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, both to four-year terms. Thereafter, as terms expire, all Supervisors must be qualified electors and are elected to serve four-year terms. If there is a vacancy on the Board, whether as a result of the resignation or removal of a Supervisor or because no elector qualifies for a seat to be filled in an election, the remaining Board members are to fill such vacancy for the unexpired term.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be qualified electors and shall be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under Florida law governing public officials for a Supervisor to be a stockholder, officer or employee of a landowner or of any entity affiliated with a landowner.

The current members of the Board and the expiration of the term of each member are set forth below:

<u>Name</u>	<u>Title</u>	<u>Term Expires</u>
Stephen McConn*	Chairperson	November 2028
Casey Dare*	Vice-Chairperson	November 2028
Aaron Reid*	Assistant Secretary	November 2026
Jeff Myers*	Assistant Secretary	November 2026
Sammy Chakhachiro*	Assistant Secretary	November 2026

* Employee of, or affiliated with, the Developer.

A majority of the members of the Board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the Board shall be upon a vote of a majority of the members present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under Florida's open meeting or "Sunshine" law.

The District Manager and Other Consultants

The chief administrative official of the District is the District Manager (as hereinafter defined). The Act provides that a district manager has charge and supervision of the works of the District and is responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board.

The District has retained Wrathell, Hunt & Associates, LLC, to serve as its district manager (“District Manager”). The District Manager’s office is located at 2300 Glades Road, Suite #410W, Boca Raton, Florida 33431.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of George A. Smith PLLC, Tallahassee, Florida, as Bond Counsel; Poulos & Bennet, LLC, Orlando, Florida, as District Engineer; and Kilinski | Van Wyk PLLC, Tallahassee, Florida, as District Counsel. The Board has also retained the District Manager to serve as Methodology Consultant and to prepare the Assessment Methodology and to serve as dissemination agent for the Series 2025 Bonds.

No Existing Indebtedness

The District has not previously issued any other bonds or indebtedness.

The information appearing below under the captions “THE DEVELOPMENT” and “THE DEVELOPER” has been furnished by the Developer for inclusion in this Limited Offering Memorandum and, although believed to be reliable, such information has not been independently verified by Bond Counsel, the District or its counsel, or the Underwriter or its counsel, and no persons other than the Developer make any representation or warranty as to the accuracy or completeness of such information supplied by them. The following information is provided by the Developer as a means for the prospective bondholders to understand the anticipated development plan and risks associated with the Development. Neither the Developer nor any other party is guaranteeing payment of the Series 2025 Bonds or the Series 2025 Special Assessments.

The total millage rate imposed on taxable properties in the District for 2024 was approximately 19.7112 mills, which millage rate is subject to change in future tax years. These taxes would be payable in addition to the Series 2025 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the City, the County and the School District of Polk County, Florida may each levy ad valorem taxes and/or special assessments upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year.

ASSESSMENT METHODOLOGY

General

The Master Special Assessment Methodology Report dated May 30, 2024 (the “Master Methodology”), as supplemented by the final Supplemental Special Assessment Methodology Report to be dated the sale date of the Series 2025 Bonds (the “Supplemental Methodology” and together with the Master Methodology, the “Assessment Methodology”), describes the methodology for allocation of the Series 2025 Special Assessments to lands within the District, has been prepared by Wrathell, Hunt & Associates, LLC (the “Methodology Consultant”). See “EXPERTS” herein for more information. The Assessment Methodology is included herein as APPENDIX D. Once the final terms of the Series 2025 Bonds are determined, the Supplemental Methodology will be amended to reflect such final terms.

Once levied and imposed, the Series 2025 Special Assessments are a first lien on the land against which assessed until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District and other non-federal units of government. See “ENFORCEMENT OF ASSESSMENT COLLECTIONS” herein.

Projected Level of District Assessments

As set forth in the Assessment Methodology, the Series 2025 Special Assessments are levied on ___ platted lots which comprise Phase One and initially the ___ +/- gross acres which comprise Phase Two until such time as the ___ lots within Phase Two are platted. As platting of the ___ lots within Phase Two occurs, the Series 2025 Special Assessments will be assigned to such platted lots on a first platted, first assigned basis. Assuming that all of the planned 300 residential units are developed and platted, then the Series 2025 Special Assessments will be allocated on a per unit basis below and as set forth in the Assessment Methodology. See “THE DEVELOPMENT – Development Plan/Status” and “APPENDIX D: ASSESSMENT METHODOLOGY” herein.

Single-Family 52'	129	[1,440]	[20,649.13]

Single-Family 70'	<u>17</u>	[1,680]	[24,090.65]
Total	300		

*Preliminary, subject to change.

**This amount is grossed up to include early payment discounts and County collection fees, currently 7%.

The District anticipates levying assessments to cover its operation and maintenance costs that are initially expected to be approximately \$_____ per residential unit annually; which amount is subject to change. In addition, residents within the Development will be required to pay homeowners association fees currently estimated to be \$_____ per residential unit annually; which amount is subject to change [Will there be a separate amenity fee? If so, how much annually?]. The land within the District has been and is expected to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District for 2024 was approximately 19.7112 mills, which millage rate is subject to change in future tax years. These taxes would be payable in addition to the Series 2025 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the City, the County and the School District of Polk County, Florida may each levy ad valorem taxes and/or special assessments upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year.

True-Up Mechanism

To ensure that each residential lot in the District is assessed no more than its pro-rata amount of special assessments, the Assessment Methodology sets forth a “true-up mechanism” which provides that the debt per equivalent residential unit (“ERU”) remaining on the unplatted land within the District is never allowed to increase above its maximum debt per ERU level. If the debt per ERU remaining on unplatted or replatted land within the District increases above the maximum debt per ERU level, a debt reduction payment would be made by the Developer, so that the maximum debt per ERU level is not breached. This debt reduction payment would result in the extraordinary mandatory redemption of a portion of the Series 2025 Bonds. The Developer is expected to enter into a True-up Agreement in connection with its obligations to pay true-up payments. All such obligations of the Developer are unsecured obligations. See “APPENDIX D: ASSESSMENT METHODOLOGY” herein for additional information regarding the “true-up mechanism.”

TAX MATTERS

General

The Internal Revenue Code of 1986, as amended (the “Code”), establishes certain requirements which must be met subsequent to the issuance of the Series 2025 Bonds in order that interest on the Series 2025 Bonds be and remain excluded from gross income for purposes of federal income taxation. Non-compliance may cause interest on the Series 2025 Bonds to be included in federal gross income retroactive to the date of issuance of the Series 2025 Bonds, regardless of the date on which such non-compliance occurs or is ascertained. These requirements include, but are not limited to, provisions which prescribe yield and other limits within which the proceeds of the Series 2025 Bonds and the other amounts are to be invested and require that certain investment earnings on the foregoing must be rebated on a periodic basis to the Treasury Department of the United States. The District has covenanted in the Indenture to comply with such requirements in order to maintain the exclusion from federal gross income of interest on the Series 2025 Bonds.

In the opinion of George A. Smith PLLC, Bond Counsel, the form of which is attached hereto as APPENDIX B, assuming compliance with certain covenants, under existing laws, regulations, judicial decisions and rulings, interest on the Series 2025 Bonds is excluded from gross income for purposes of federal income taxation and is not an item of tax preference for purposes of the federal alternative minimum

tax imposed on individuals; however, interest on the Series 2025 Bonds may be included in the adjusted financial statement income of certain “applicable corporations”.

Except as described above, Bond Counsel will express no opinion regarding other federal income tax consequences resulting from the ownership of, receipt or accrual of interest on, or disposition of Series 2025 Bonds. Prospective purchasers of Series 2025 Bonds should be aware that the ownership of Series 2025 Bonds may result in collateral federal income tax consequences, including (i) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry Series 2025 Bonds; (ii) the reduction of the loss reserve deduction for property and casualty insurance companies by fifteen percent (15%) of certain items, including interest on Series 2025 Bonds; (iii) the inclusion of interest on Series 2025 Bonds in earnings of certain foreign corporations doing business in the United States for purposes of the branch profits tax; (iv) the inclusion of interest on Series 2025 Bonds in passive income subject to federal income taxation of certain Subchapter S corporations with Subchapter C earnings and profits at the close of the taxable year; and (v) the inclusion of interest on Series 2025 Bonds in “modified adjusted gross income” by recipients of certain Social Security and Railroad Retirement benefits for the purposes of determining whether such benefits are included in gross income for federal income tax purposes.

As to questions of fact material to the opinion of Bond Counsel, Bond Counsel will rely upon representations and covenants made on behalf of the District, certifications of appropriate officers and certifications of public officials (including certifications as to the use of proceeds of the Series 2025 Bonds and of the property financed or refinanced thereby), without undertaking to verify the same by independent investigation.

PURCHASE, OWNERSHIP, SALE OR DISPOSITION OF THE SERIES 2025 BONDS AND THE RECEIPT OR ACCRUAL OF THE INTEREST THEREON MAY HAVE ADVERSE FEDERAL TAX CONSEQUENCES FOR CERTAIN INDIVIDUAL AND CORPORATE BONDHOLDERS, INCLUDING, BUT NOT LIMITED TO, THE CONSEQUENCES DESCRIBED ABOVE. PROSPECTIVE BONDHOLDERS SHOULD CONSULT WITH THEIR TAX SPECIALISTS FOR INFORMATION IN THAT REGARD.

Information Reporting and Backup Withholding

Interest paid on tax-exempt obligations such as the Series 2025 Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Series 2025 Bonds from gross income for federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of Series 2025 Bonds, under certain circumstances, to “backup withholding” at the rate specified in the Code with respect to payments on the Series 2025 Bonds and proceeds from the sale of Series 2025 Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of Series 2025 Bonds. This withholding generally applies if the owner of Series 2025 Bonds (i) fails to furnish the payor such owner’s social security number or other taxpayer identification number (“TIN”), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other “reportable payments” as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner’s securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Series 2025 Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

Other Tax Matters

During recent years, legislative proposals have been introduced in Congress, and in some cases enacted, that altered certain federal tax consequences resulting from the ownership of obligations that are similar to the Series 2025 Bonds. In some cases, these proposals have contained provisions that altered these consequences on a retroactive basis. Such alteration of federal tax consequences may have affected the market value of obligations similar to the Series 2025 Bonds. From time to time, legislative proposals are pending which could have an effect on both the federal tax consequences resulting from ownership of the Series 2025 Bonds and their market value. No assurance can be given that legislative proposals will not be enacted that would apply to, or have an adverse effect upon, the Series 2025 Bonds.

Prospective purchasers of the Series 2025 Bonds should consult their own tax advisors as to the tax consequences of owning the Series 2025 Bonds in their particular state or local jurisdiction and regarding any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

Tax Treatment of Original Issue Discount

Under the Code, the difference between the maturity amount of the Series 2025 Bonds maturing on May 1, 20__, through and including May 1, 20__ (collectively, the “Discount Bonds”), and the initial offering price to the public, excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers, at which price a substantial amount of the Discount Bonds of the same maturity and, if applicable, interest rate, was sold is “original issue discount.” Original issue discount will accrue over the term of the Discount Bonds at a constant interest rate compounded periodically. A purchaser who acquires the Discount Bonds in the initial offering at a price equal to the initial offering price thereof to the public will be treated as receiving an amount of interest excludable from gross income for federal income tax purposes equal to the original issue discount accruing during the period he or she holds the Discount Bonds, and will increase his or her adjusted basis in the Discount Bonds by the amount of such accruing discount for purposes of determining taxable gain or loss on the sale or disposition of the Discount Bonds. The federal income tax consequences of the purchase, ownership and redemption, sale or other disposition of the Discount Bonds which are not purchased in the initial offering at the initial offering price may be determined according to rules which differ from those above. Owners of the Series 2025 Bonds should consult their own tax advisors with respect to the precise determination for federal income tax purposes of interest accrued upon sale, redemption or other disposition of the Discount Bonds and with respect to the state and local tax consequences of owning and disposing of the Discount Bonds.

Tax Treatment of Bond Premium

The difference between the principal amount of the Series 2025 Bonds maturing on May 1, 20__, through and including May 1, 20__ (collectively, the “Premium Bonds”), and the initial offering price to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at which price a substantial amount of such Premium Bonds of the same maturity and, if applicable, interest rate, was sold constitutes to an initial purchaser amortizable bond premium which is not deductible from gross income for federal income tax purposes. The amount of amortizable bond premium for a taxable year is determined actuarially on a constant interest rate basis over the term of each of the Premium Bonds, which ends on the earlier of the maturity or call date for each of the Premium Bonds which minimizes the yield on such Premium Bonds to the purchaser. For purposes of determining gain or loss on the sale or other disposition of a Premium Bond, an initial purchaser who acquires such obligation in the initial offering is required to decrease such purchaser’s adjusted basis in

such Premium Bond annually by the amount of amortizable bond premium for the taxable year. The amortization of bond premium may be taken into account as a reduction in the amount of tax-exempt income for purposes of determining various other tax consequences of owning such Premium Bonds. Owners of Premium Bonds are advised that they should consult with their own tax advisors with respect to the state and local tax consequences of owning such Premium Bonds.

AGREEMENT BY THE STATE

Under the Act, the State of Florida pledges to the holders of any bonds issued thereunder, including the Series 2025 Bonds, that it will not limit or alter the rights of the District to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the 2025 Project subject to the Act or to levy and collect taxes, assessments, rentals, rates, fees, and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

LEGALITY FOR INVESTMENT

The Act provides that the Series 2025 Bonds are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State of Florida, and constitute securities which may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

SUITABILITY FOR INVESTMENT

In accordance with applicable provisions of Florida law, the Series 2025 Bonds may initially be sold by the District only to “accredited investors” within the meaning of Chapter 517, Florida Statutes and the rules promulgated thereunder. The limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2025 Bonds. Investment in the Series 2025 Bonds poses certain economic risks. No dealer, broker, salesperson or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum.

The Series 2025 Bonds will be issued in fully registered form, without coupons, in authorized denominations of \$5,000 and any integral multiple thereof, provided, however, if any initial beneficial owner of Series 2025 Bonds does not purchase at least \$100,000 of the Series 2025 Bonds at the time of initial delivery of the Series 2025 Bonds, such beneficial owner must execute and deliver to the District and the Underwriter on the date of delivery of the Series 2025 Bonds the investor letter in the form attached to the First Supplemental Indenture or otherwise establish to the satisfaction of the Underwriter that such beneficial owner is an “accredited investor,” as described in Rule 501(a) under Regulation D of the Securities Act of 1933, as amended.

ENFORCEABILITY OF REMEDIES

The remedies available to the Owners of the Series 2025 Bonds upon an Event of Default under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2025 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of

the Series 2025 Bonds will be qualified as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery.

LITIGATION

The District

There is no litigation against the District of any nature now pending or, to the knowledge of the District threatened, seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2025 Bonds, or in any way contesting or affecting (i) the validity of the Series 2025 Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Series 2025 Bonds, (iii) the existence or powers of the District or (iv) the validity of the Assessment Proceedings.

The Developer

There is no litigation of any nature now pending or, to the knowledge of the Developer, threatened, which could reasonably be expected to have a material and adverse effect upon the completion of the 2025 Project or the development of the District Lands, as described herein, materially and adversely affect the ability of the Developer to pay the Series 2025 Special Assessments imposed against the land within the District owned by the Developer or materially and adversely affect the ability of the Developer to perform their various obligations described in this Limited Offering Memorandum.

CONTINGENT FEES

The District has retained Bond Counsel, District Counsel, the District Engineer, the Methodology Consultant, the Underwriter (who has retained Underwriter's counsel) and the Trustee (who has retained Trustee's Counsel), with respect to the authorization, sale, execution and delivery of the Series 2025 Bonds. Except for the payment of fees to District Counsel, the District Engineer and the Methodology Consultant, the payment of fees of the other professionals is each contingent upon the issuance of the Series 2025 Bonds.

NO RATING

No application for a rating for the Series 2025 Bonds has been made to any rating agency, nor is there any reason to believe that an investment grade rating for the Series 2025 Bonds would have been obtained if application had been made.

EXPERTS

The Engineer's Report included in APPENDIX C to this Limited Offering Memorandum has been prepared by Poulos & Bennet, LLC, Orlando, Florida, the District Engineer. APPENDIX C should be read in its entirety for complete information with respect to the subjects discussed therein. Wrathell, Hunt & Associates, LLC, as Methodology Consultant, has prepared the Assessment Methodology set forth as APPENDIX D hereto. APPENDIX D should be read in its entirety for complete information with respect to the subjects discussed therein. As a condition to closing on the Series 2025 Bonds, both the District Engineer and the Methodology Consultant have consented to the inclusion of their reports in this Limited Offering Memorandum.

FINANCIAL INFORMATION

The District will covenant in the Disclosure Agreement (as defined below), the form of which is set forth in APPENDIX E hereto to provide its annual audit to the Municipal Securities Rulemaking Board's ("MSRB") Electronic Municipal Markets Access repository ("EMMA") as described in APPENDIX E, commencing with the audited financial statements of the District for the Fiscal Year ending September 30, 2025. Since its creation, the expenses of the District have been funded entirely by voluntary contributions from the Developer. Attached hereto as APPENDIX F is a copy of the District's unaudited financial statements for the period ended [September 30, 2024].

Each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, F.S. Under such statute, each district must post its proposed budget and final budget and a link to the auditor general's website (and the district's audit) on a district website or the website of the municipal or county government. The District currently has a website in place.

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Rule 69W-400.003, Rules of Government Securities under Section 517.051(1), Florida Statutes, promulgated by the Florida Department of Financial Services, Office of Financial Regulation, Division of Securities and Finance ("Rule 69W-400.003"), requires the District to disclose each and every default as to the payment of principal and interest with respect to obligations issued or guaranteed by the District after December 31, 1975. Rule 69W-400.003 further provides, however, that if the District, in good faith, believes that such disclosures would not be considered material by a reasonable investor, such disclosures may be omitted. The District has not previously issued any bonds or other debt obligations. Accordingly, the District is not and has never been in default as to principal or interest on its bonds or other debt obligations.

CONTINUING DISCLOSURE

The District and the Developer, each as an Obligated Person, will enter into a Continuing Disclosure Agreement (the "Disclosure Agreement"), the proposed form of which is set forth in APPENDIX E, for the benefit of the Series 2025 Bondholders (including owners of beneficial interests in such Series 2025 Bonds), respectively, to provide certain financial information and operating data relating to the District and the Development by certain dates prescribed in the Disclosure Agreement (the "Reports") through EMMA. In addition, certain listed events must be disclosed through EMMA within a prescribed time period. The specific nature of the information to be contained in the Reports is set forth in "APPENDIX E: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT." Under certain circumstances, the failure of the District or the Developer to comply with their respective obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an Event of Default under the Indenture, but such event of default under the Disclosure Agreement would allow the Series 2025 Bondholders (including owners of beneficial interests in such Bonds), as applicable, to bring an action for specific performance.

The District has not previously entered into continuing disclosure obligations in connection with Rule 15c2-12 of the Securities Exchange Act of 1934, as amended (the "Rule"). The District appointed the District Manager to serve as the initial dissemination agent under the Disclosure Agreement.

Also, pursuant to the Disclosure Agreement, the Developer will covenant to provide certain financial information and operating data relating to the District and the Developer, as applicable, on a quarterly basis, upon the written request of the Dissemination Agent. The Developer has previously entered

into any continuing disclosure undertakings pursuant to the Rule. A review of filings made pursuant to such prior undertaking indicates that certain filings required to be made by the Developer were not timely filed and that notice of such late filings was not provided. The Developer anticipates satisfying all future disclosure obligations required pursuant to the Disclosure Agreement. See “APPENDIX E: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT.”

The Issuer, the Developer and the Dissemination Agent covenant and agree as follows:

1. **Purpose of this Disclosure Agreement.** This Disclosure Agreement is being executed and delivered by the Issuer, the Developer, and the Dissemination Agent for the benefit of the Beneficial Owners (as defined herein) of the Bonds and to assist the Participating Underwriter (as defined herein) of the Bonds in complying with the Rule (as defined herein). The Issuer and the Developer have no reason to believe that this Disclosure Agreement does not satisfy the requirements of the Rule and the execution and delivery of this Disclosure Agreement is intended to comply with the Rule. To the extent it is later determined by a court of competent jurisdiction, a governmental regulatory agency, or an attorney specializing in federal securities law, that the Rule requires the Issuer or the Developer to provide additional information, the Issuer and the Developer, as applicable, each agree to promptly provide such additional information.

The provisions of this Disclosure Agreement are supplemental and in addition to the provisions of the Indenture with respect to reports, filings and notifications provided for therein, and do not in any way relieve the Issuer, the Trustee or any other person of any covenant, agreement or obligation under the Indenture (or remove any of the benefits thereof) nor shall anything herein prohibit the Issuer, the Trustee or any other person from making any reports, filings or notifications required by the Indenture or any applicable law.

WHEREAS, the Master Assessment Resolutions provides that as each series of bonds is issued to fund all or any portion of the District's improvements, a supplemental resolution may be adopted to set forth the specific terms of the bonds and certify the amount of the lien of the special assessments securing any portion of the bonds, including interest, costs of issuance, the number of payments due, and the application of receipt of any true-up proceeds; and

WHEREAS, on January 15, 2025, and in order to finance all or a portion of what is known as the Series 2025 Project, as defined herein, the District adopted Resolution No. 2025-01 (the "**Delegated Award Resolution**"), which authorized the District to enter into a *Bond Purchase Contract* and sell its Special Assessment Bonds, Series 2025 ("**Series 2025 Bonds**") within certain parameters set forth in the Delegated Award Resolution; and

WHEREAS, the District intends to secure the Series 2025 Bonds by levying debt service special assessments on benefiting property on District Lands (as defined herein) (the “**Series 2025 Assessments**”) pursuant to the terms of the Master Assessment Resolutions, and in accordance with the master and supplemental trust indentures applicable to the Series 2025 Bonds and associated financing documents; and

WHEREAS, pursuant to and consistent with the Master Assessment Resolutions and Delegated Award Resolution, the District desires to authorize the finalization of its Series 2025 Assessments, among other actions.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF CEDAR CROSSINGS COMMUNITY DEVELOPMENT DISTRICT AS FOLLOWS:

1. **INCORPORATION OF RECITALS.** All of the above representations, findings and determinations contained above are recognized as true and accurate and are expressly incorporated into this Resolution.

2. **AUTHORITY FOR THIS RESOLUTION.** This Resolution is adopted pursuant to the provisions of Florida law, including Chapters 170, 190 and 197, *Florida Statutes*, and the Master Assessment Resolutions.

3. **ADDITIONAL FINDINGS; ADOPTION OF ENGINEER’S REPORT AND SUPPLEMENTAL ASSESSMENT REPORT.** The Board hereby finds and determines as follows:

- a. The *Engineer's Report*, dated June 13, 2024 (the “**Engineer’s Report**”), attached to this Resolution as **Exhibit A**, identifies and describes, among other things, the presently expected components and estimated costs of the District’s Capital Improvement Plan (the portion to be financed with the Series 2025 Bonds being hereinafter called the “**Series 2025 Project**”). The District hereby confirms that the Series 2025 Project serves a proper, essential and valid public purpose. The Engineer’s Report is hereby approved, adopted, and confirmed in substantial form. The District authorizes and ratifies its use in connection with the sale of the Series 2025 Bonds, subject to any changes deemed necessary under Section 4.a herein.
- b. The *Supplemental Special Assessment Methodology Report*, dated January 15, 2025, attached to this Resolution as **Exhibit B** (“**Supplemental Assessment Methodology Report**”), applies the master assessment methodology set forth in *Master Special Assessment Methodology Report*, dated June 13, 2024, (the “**Master Assessment Methodology Report**” and, with the Supplemental Assessment Methodology Report, the “**Assessment Methodology Report**”) to the Series 2025 Project and, as finalized, to the actual terms of the Series 2025 Bonds. The Assessment Methodology Report is hereby approved, adopted and confirmed in substantial form. The District authorizes and ratifies its use in connection with

the sale of the Series 2025 Bonds, subject to any changes deemed necessary under Section 4.a. herein.

- c. Generally speaking, and subject to the terms of **Exhibit A** and **Exhibit B**, the Series 2025 Project benefits all developable property within the District, as such lands are further described in **Exhibit C** attached hereto (“**District Lands**”). Moreover, the benefits from the Series 2025 Project funded by the Series 2025 Bonds equal or exceed the amount of the Series 2025 Assessments, as described in **Exhibit B**, and such the Series 2025 Assessments are fairly and reasonably allocated across all developable property in the District. It is reasonable, proper, just and right to assess the portion of the costs of the Series 2025 Project to be financed with the Series 2025 Bonds to the specially benefited properties within the District as set forth in Master Assessment Resolutions and this Resolution.

4. **CONFIRMATION OF MAXIMUM ASSESSMENT LIEN SECURING THE SERIES 2025 BONDS; DELEGATION OF AUTHORITY FOR DISTRICT STAFF TO ISSUE FINAL REPORTS AND UPDATE THIS RESOLUTION.** As provided in the Master Assessment Resolutions, this Resolution is intended to set forth the terms of the Series 2025 Bonds and the final amount of the lien of the Series 2025 Assessments. In connection with the closing on the sale of the Series 2025 Bonds, District Staff is authorized to:

- a. Prepare final versions of the Engineer’s Report and Supplemental Assessment Methodology Report attached hereto as **Exhibit A** and **Exhibit B**, respectively, to incorporate final pricing terms and make such other revisions as may be deemed necessary, provided however that:
 - i. the Series 2025 Assessments shall be levied and imposed within the parameters of the Master Assessment Resolutions and Delegated Award Resolution,
 - ii. the final versions of shall be approved by the Chairperson or, in the Chairperson’s absence, the Vice Chairperson, and in the absence or unavailability of the Vice Chairperson, any other member of the Board, which approval shall be conclusively evidenced by the execution of the Bond Purchase Contract and closing on the Series 2025 Bonds, and
 - iii. the actual amounts financed, costs of issuance, expected costs of collection, and the total amount of non-ad valorem assessments pledged to the issuance of the Series 2025 Bonds shall be consistent with the lien imposed by the Master Assessment Resolutions, and shall all be as set forth in the final Supplemental Assessment Methodology Report.
- b. After pricing of the Series 2025 Bonds, there shall be attached **Composite Exhibit D** to this Resolution showing: (i) Maturities and Coupon of the Series 2025 Bonds, (ii) Sources and Uses of Funds for the Series 2025 Bonds, and (iii) Annual Debt Service Payment Due on the Series 2025 Bonds; and

- c. Upon closing on the District's Series 2025 Bonds, the District's Counsel is hereby authorized and directed to record a Notice of Series 2025 Assessments in the Official Records of Polk County, or such other instrument evidencing the actions taken by the District. The lien of the Series 2025 Assessments shall be the principal amount due on the Series 2025 Bonds, together with interest and collection costs, and other pledged revenues as set forth in the applicable indenture(s) and shall cover all developable acreage within the District, as further provided in the assessment roll included in the Supplemental Assessment Methodology Report, and as such land is ultimately defined and set forth in site plans or other designations of developable acreage. To the extent that land is added to the District and made subject to the master assessment lien described in the Master Assessment Methodology Report, the District may, by supplemental resolution at a regularly noticed meeting and without the need for a public hearing on reallocation, determine such land to be benefitted by the Series 2025 Project and reallocate the Series 2025 Assessments securing the Series 2025 Bonds in order to impose the Series 2025 Assessments on the newly added and benefitted property, as may be applicable.

5. ALLOCATION AND COLLECTION OF THE SERIES 2025 ASSESSMENTS.

- a. The Series 2025 Assessments shall be allocated in accordance with **Exhibit B** and the Master Assessment Report. The final Supplemental Assessment Methodology Report to be attached as **Exhibit B** shall reflect the actual terms of the issuance of the Series 2025 Bonds. The Series 2025 Assessments shall be paid in not more than thirty (30) years of principal installments.
- b. The District hereby certifies the Series 2025 Assessments for collection and authorizes and directs staff to take all actions necessary to meet the time and other deadlines imposed for collection by Polk County and other Florida law. The District's Board each year shall adopt a resolution addressing the manner in which the Series 2025 Assessments shall be collected for the upcoming fiscal year. The decision to collect the Series 2025 Assessments by any particular method – e.g., on the tax roll or by direct bill – does not mean that such method will be used to collect the Series 2025 Assessments in future years, and the District reserves the right in its sole discretion to select collection methods in any given year, regardless of past practices.

6. IMPACT FEE CREDITS. In lieu of receiving impact fee credits (if any) from any public improvements financed by the District, the District may elect to receive a contribution of infrastructure, reduce the cost of acquiring the improvements, or otherwise address the credits, as set forth in any applicable *Acquisition Agreement* between the District and the project developer(s) and/or landowner(s).

7. PREPAYMENT OF SERIES 2025 ASSESSMENTS. Any owner of property subject to the Series 2025 Assessments may, at its option, pre-pay the entire amount of the Series

2025 Assessments any time, or a portion of the amount of the Series 2025 Assessments up to two (2) times (or as otherwise provided by the applicable Supplemental Indenture for the Series 2025 Bonds), plus any applicable interest (as provided for in the applicable Supplemental Indenture for the Series 2025 Bonds), attributable to the property subject to the Series 2025 Assessments owned by such owner. In connection with any prepayment of the Series 2025 Assessments, the District may grant a discount equal to all or part of the payee's proportionate share of financing costs (e.g., reserves) to the extent such discounts are provided for under the applicable Supplemental Indenture for the Series 2025 Bonds and Supplemental Assessment Methodology Report. Except as otherwise set forth herein, the terms of the Master Assessment Resolutions addressing prepayment of Series 2025 Assessments shall continue to apply in full force and effect and will supersede this Section 7.

8. **APPLICATION OF TRUE-UP PAYMENTS.** The terms of the Master Assessment Resolutions addressing True-Up Payments, as defined therein, shall continue to apply in full force and effect.

9. **IMPROVEMENT LIEN BOOK.** Immediately following the closing on the District's Series 2025 Bonds, the Series 2025 Assessments as reflected herein shall be recorded by the Secretary of the Board in the District's Improvement Lien Book. The Series 2025 Assessments shall be and shall remain a legal, valid and binding first lien against all benefited property as described in **Exhibit B** until paid and such lien shall be coequal with the lien of all state, county, district, municipal or other governmental taxes and superior in dignity to all other liens, titles, and claims.

10. **ADDITIONAL AUTHORIZATION.** The Chairperson, the Secretary, and all other Supervisors, officers and staff of the District are hereby authorized and directed to take all actions necessary or desirable in connection with the issuance and delivery of the Series 2025 Bonds, and final levy of the Series 2025 Assessments, and the consummation of all transactions in connection therewith, including the execution of all certificates, documents, papers, notices, and agreements necessary to the undertaking and fulfillment of all transactions referred to in or contemplated by the this Resolution. The Vice Chairperson is hereby authorized to act in the stead of the Chairperson in any undertaking authorized or required of the Chairperson hereunder, and in the absence of the Chairperson and Vice Chairperson, any other member of the District's Board of Supervisors is so authorized, and any Assistant Secretary is hereby authorized to act in the stead of the Secretary in any undertaking authorized or required of the Secretary hereunder.

11. **CONFLICTS.** This Resolution is intended to supplement the Master Assessment Resolutions, which remains in full force and effect and is applicable to the Series 2025 Bonds except as modified herein. This Resolution and the Master Assessment Resolutions shall be construed to the maximum extent possible to give full force and effect to the provisions of each resolution, provided however that to the extent of any conflict, this Resolution shall control. All District resolutions or parts thereof in actual conflict with this Resolution are, to the extent of such conflict, superseded and repealed.

12. **SEVERABILITY.** If any section or part of a section of this Resolution is declared invalid or unconstitutional, the validity, force and effect of any other section or part of a section of

this Resolution shall not thereby be affected or impaired unless it clearly appears that such other section or part of a section of this Resolution is wholly or necessarily dependent upon the section or part of a section so held to be invalid or unconstitutional.

13. **EFFECTIVE DATE.** This Resolution shall become effective upon its adoption.

APPROVED and **ADOPTED** this 15th day of January, 2025.

THIS ACQUISITION AGREEMENT (“Agreement”) is made and entered into, by and between:

Cedar Crossings Community Development District, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, being situated in City of Haines City, Polk County, Florida, and whose mailing address is c/o Wrathell, Hunt and Associates, LLC, 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431 (**“District”**); and

KB Home Orlando LLC, a Delaware limited liability company, the developer and owner of lands within the District, with a mailing address of 9102 Southpark Center Loop, Suite 100, Orlando, Florida 32819, and its successors and assigns (the **“Developer”** and, together with the District, the **“Parties”**).

RECITALS

WHEREAS, the District was established pursuant to the Uniform Community Development District Act of 1980, Chapter 190, *Florida Statutes*, as amended (**“Act”**), and is validly existing under the Constitution and laws of the State of Florida; and

WHEREAS, the Act authorizes the District to issue bonds for the purpose, among others, of planning, financing, constructing, and acquiring certain infrastructure, roadways, stormwater management systems, utilities (water and wastewater), undergrounding of conduit, hardscape, landscape, irrigation, recreational facilities, and other infrastructure within or without the boundaries of the District; and

WHEREAS, the Developer is the primary owner and developer of lands within the boundaries of the District; and

WHEREAS, the District presently intends to finance the planning, design, acquisition, construction, and installation of certain infrastructure improvements, facilities, and services known as the **Series 2025 Project**, which is estimated to cost \$17,573,375 and is detailed in the *Engineer’s Report for Cedar Crossings Community Development District*, dated June 13, 2024 (**“Engineer’s Report”**) attached to this Agreement as **Exhibit A**; and

WHEREAS, the District intends to finance a portion of the Series 2025 Project through issuance and the use of proceeds from its \$_____ Special Assessment Bonds, Series 2025 (**“Series 2025 Bonds”**); and

WHEREAS, the District has not had sufficient monies on hand to allow the District to contract directly for: (i) the preparation of the surveys, testing, reports, drawings, plans, permits, specifications, and related documents necessary to complete the Series 2025 Project (**“Work**

Product"); or (ii) construction and/or installation of the improvements comprising the Series 2025 Project ("**Improvements**"); and

WHEREAS, the District acknowledges the Developer's need to commence development of the lands within the District in an expeditious and timely manner; and

WHEREAS, in order to avoid a delay in the commencement of the development of the Work Product and/or the Improvements, the Developer has advanced, funded, commenced, and completed and/or will complete certain of the Work Product and/or Improvements; and

WHEREAS, the Developer and the District are entering into this Agreement to set forth the process by which the District may acquire the Work Product, the Improvements, and any related real property interests ("**Real Property**") and in order to ensure the timely provision of the infrastructure and development.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the Parties, the receipt of which and sufficiency of which are hereby acknowledged, the District and the Developer agree as follows:

1. INCORPORATION OF RECITALS. The recitals stated above are true and correct and by this reference are incorporated as a material part of this Agreement.

2. ADVANCED FUNDING. Prior to the issuance of the Bonds, the Developer may elect to make available to the District such monies as are necessary to enable the District to proceed with, and expedite, the design, engineering, and construction of the Series 2025 Project. The funds ("**Advanced Funds**") shall be placed in the District's depository as determined by the District and shall be repaid to the Developer solely from available proceeds of the Bonds, subject to the terms of this Agreement. The District shall individually account for costs incurred and Advanced Funds expended in connection with the Series 2025 Project.

3. WORK PRODUCT AND IMPROVEMENTS. The Parties agree to cooperate and use good faith and best efforts to undertake and complete the acquisition process contemplated by this Agreement on such date or dates as the Parties may jointly agree upon (each, an "**Acquisition Date**"). Subject to any applicable legal requirements (e.g., but not limited to, those laws governing the use of proceeds from tax exempt bonds), and the requirements of this Agreement, the District agrees to acquire completed Work Product and Improvements that are part of the Series 2025 Project.

- a. ***Request for Conveyance and Supporting Documentation*** – When Work Product or Improvements are ready for conveyance by the Developer to the District, the Developer shall notify the District in writing, describing the nature of the Work Product and/or Improvement and estimated cost. Additionally, Developer agrees to provide, at or prior to the applicable Acquisition Date, the following: (i) documentation of actual costs paid, (ii) instruments of conveyance such as bills of sale or such other instruments as may be requested by the District, and (iii) any other releases, warranties,

indemnifications or documentation as may be reasonably requested by the District.

- b. **Costs** – Subject to any applicable legal requirements (e.g., but not limited to, those laws governing the use of proceeds from tax exempt bonds), the availability of proceeds from the Bonds, and the requirements of this Agreement, the District shall pay the lesser of (i) the actual cost of creation/construction of the Work Product or Improvements, or (ii) the fair market value of the Work Product or Improvements. The Developer shall provide copies of any and all invoices, bills, receipts, or other evidence of costs incurred by the Developer for any Work Product and/or Improvements. The District Engineer shall review all evidence of cost and shall certify to the District’s Board of Supervisors (“**Board**”) whether the cost being paid is the lesser of (i) the actual cost of creation/construction of the Work Product or Improvements, or (ii) the fair market value of the Work Product or Improvements. The District Engineer’s opinion as to cost shall be set forth in an Engineer’s Certificate which shall accompany the requisition for the funds from the District’s Trustee for the Bonds (“**Trustee**”).
- c. **Conveyances on “As Is” Basis.** Unless otherwise agreed, all conveyances of Work Product and/or Improvements shall be on an “as is” basis. That said, the Developer agrees to assign, transfer and convey to the District any and all rights the Developer may have against any and all firms or entities which may have caused any latent or patent defects, including, but not limited to, any and all warranties and other forms of indemnification.
- d. **Right to Rely on Work Product and Releases** – The Developer agrees to release to the District all right, title, and interest which the Developer may have in and to any Work Product conveyed hereunder, as well as all common law, statutory, and other reserved rights, including all warranties and copyrights in the Work Product and extensions and renewals thereof under United States law and throughout the world, and all publication rights and all subsidiary rights and other rights in and to the Work Product in all forms, mediums, and media, now known or hereinafter devised. To the extent determined necessary by the District, the Developer shall reasonably obtain all releases from any professional providing services in connection with the Work Product to enable the District to use and rely upon the Work Product. The District agrees to allow the Developer access to and use of the Work Product without the payment of any fee by the Developer. However, to the extent the Developer’s access to and use of the Work Product causes the District to incur any cost or expense, such as copying costs, the Developer agrees to pay such cost or expense.
- e. **Transfers to Third-party Governments; Payment for Transferred Property** – If any item acquired is to be conveyed to a third-party governmental body, then the Developer agrees to cooperate and provide such certifications,

documents, bonds, warranties, and/or forms of security as may be required by that governmental body, if any. Further, the Developer shall make reasonable efforts to first transfer such Work Product and/or Improvements to the District pursuant to the terms of this Agreement, and prior to the transfer of such Work Product and/or Improvements to the third-party governmental entity. If the transfer of Work Product and/or Improvements to a third-party governmental entity occurs prior to the District's acquisition of the Work Product and/or Improvements, the District shall be obligated to pay for such Work Product and/or Improvements, subject to the terms of this Agreement, and subject to ensuring that such acquisition and payment would not affect the tax-exempt status of the Bonds.

- f. **Permits** – The Developer agrees to cooperate fully in the transfer of any permits to the District or a governmental entity with maintenance obligations for any Improvements conveyed pursuant to this Agreement.
- g. **Engineer's Certification** – The District shall accept any completed Work Product and/or Improvements where the District Engineer (or other consulting engineer reasonably acceptable to the District), in his/her professional opinion, is able to certify that, in addition to any other requirements of law: (i) the Work Product and/or Improvements are part of the Series 2025 Project; (ii) the price for such Work Product and/or Improvements did not exceed the lesser of the cost of creating the Work Product and/or Improvements or the fair market value of the Work Product and/or Improvements; (iii) as to Work Product, the Work Product is capable of being used for the purposes intended by the District, and, as to any Improvements, the Improvements were installed in accordance with their specifications, and are capable of performing the functions for which they were intended; and (iv) as to any Improvements, all known plans, permits and specifications necessary for the operation and maintenance of the Improvements are complete and on file with the District, and have been transferred, or are capable of being transferred, to the District for operations and maintenance responsibilities.

4. CONVEYANCE OF REAL PROPERTY. The Developer agrees that it will convey to the District at or prior to the applicable Acquisition Date as determined solely by the District, by a special warranty deed or other instrument acceptable to the Board together with a metes and bounds or other description, the Real Property upon which any Improvements are constructed or which are necessary for the operation and maintenance of, and access to, the Improvements.

- a. **Cost.** The Parties agree that all Real Property shall be provided to the District at no cost, unless (i) the costs for the Real Property are expressly included as part of the Series 2025 Project, as described in the Engineer's Report, and (ii) the purchase price for the Real Property is the lesser of the appraised value of the Real Property, based on an appraisal obtained by the District for this purpose, or the cost basis of the Real Property to the Developer.

- b. ***Fee Title and Other Interests*** – The District may determine in its reasonable discretion that fee title for Real Property is not necessary and, in such cases, shall accept such other interest in the lands upon which the Improvements are constructed as the District deems acceptable.
- c. ***Developer Reservation*** – Any conveyance of Real Property hereunder by special warranty deed or other instrument shall be subject to a reservation by Developer of its right and privilege to use the area conveyed to construct any Improvements and any future improvements to such area for any related purposes (including, but not limited to, construction traffic relating to the construction of the Development) not inconsistent with the District's use, occupation or enjoyment thereof.
- d. ***Fees, Taxes, Title Insurance*** – The Developer shall pay the cost for recording fees and documentary stamps required, if any, for the conveyance of the lands upon which the Improvements are constructed. The Developer shall be responsible for all taxes and assessments levied on the lands upon which the Improvements are constructed until such time as the Developer conveys all said lands to the District. At the time of conveyance, the Developer shall provide, at its expense, an owner's title insurance policy or other evidence of title in a form satisfactory to the District.
- e. ***Boundary Adjustments*** – Developer and the District agree that reasonable future boundary adjustments may be made as deemed necessary by both Parties in order to accurately describe lands conveyed to the District and lands which remain in Developer's ownership. The Parties agree that any land transfers made to accommodate such adjustments shall be accomplished by donation. However, the Party requesting such adjustment shall pay any transaction costs resulting from the adjustment, including but not limited to taxes, title insurance, recording fees or other costs. Developer agrees that if a court or other governmental entity determines that a re-platting of the lands within the District is necessary, Developer shall pay all costs and expenses associated with such actions.

5. TAXES, ASSESSMENTS, AND COSTS.

- a. ***Taxes and Assessments on Property Being Acquired.*** The District is an exempt governmental unit acquiring property pursuant to this Agreement for use exclusively for public purposes. Accordingly, in accordance with Florida law, the Developer agrees to place in escrow with the County tax collector an amount equal to the current ad valorem taxes and non-ad valorem assessments (with the exception of those ad valorem taxes and non-ad valorem assessments levied by the District) prorated to the date of transfer of title, based upon the expected assessment and millage rates giving effect to the greatest discount available for early payment.

- i. If and only to the extent the property acquired by the District is subject to ad valorem taxes or non-ad valorem assessments, the Developer agrees to reimburse the District for payment, or pay on its behalf, any and all ad valorem taxes and non-ad valorem assessments imposed during the calendar year in which each parcel of property is conveyed.
 - ii. Nothing in this Agreement shall prevent the District from asserting any rights to challenge any taxes or assessments imposed, if any, on any property of the District.
- b. **Notice.** The Parties agree to provide notice to the other within thirty (30) calendar days of receipt of any notice of potential or actual taxes, assessments, or costs, as a result of any transaction pursuant to this Agreement, or notice of any other taxes, assessments, or costs imposed on the property acquired by the District as described in subsection a. above. The Developer covenants to make any payments due hereunder in a timely manner in accord with Florida law. In the event that the Developer fails to make timely payment of any such taxes, assessments, or costs, the Developer acknowledges the District's right to make such payment. If the District makes such payment, the Developer agrees to reimburse the District within thirty (30) calendar days of receiving notice of such payment, and to include in such reimbursement any fees, costs, penalties, or other expenses which accrued to the District as a result of making such a payment, including interest at the maximum rate allowed by law from the date of the payment made by the District.
- c. **Tax liability not created.** Nothing herein is intended to create or shall create any new or additional tax liability on behalf of the Developer or the District. Furthermore, the Parties reserve all respective rights to challenge, pay under protest, contest or litigate the imposition of any tax, assessment, or cost in good faith they believe is unlawfully or inequitably imposed and agree to cooperate in good faith in the challenge of any such imposition.

6. ACQUISITIONS AND BOND PROCEEDS. The District may in the future, and in its sole discretion, elect to issue Bonds that may be used to finance portions of work acquired hereunder, as well as reimburse Advanced Funds. In the event that the District issues the Bonds and has bond proceeds available to pay for any portion of the Series 2025 Project acquired by the District, or any Advanced Funds, and subject to the terms of the applicable documents relating to the Bonds, then the District shall promptly make payment for any such acquired Work Product, Improvements or Real Property, or reimbursable Advanced Funds, pursuant to the terms of this Agreement; provided, however, that no such obligation shall exist where the Developer is in default on the payment of any debt service assessments due on any property owned by the Developer, or is in default under any agreements between the Developer and the District, or, further, in the event the District's bond counsel determines that any such acquisitions or payments for Advanced Funds are not properly compensable for any reason, including, but not limited to federal tax restrictions imposed on tax-exempt financing. Interest shall not accrue on any amounts owed for any prior acquisitions, or Advanced Funds. Unless

otherwise provided in an applicable trust indenture, and in the event the District does not or cannot issue sufficient bonds within five (5) years from the date of this Agreement to pay for all acquisitions hereunder, and reimburse Advanced Funds, and, thus does not make payment to the Developer for any unfunded acquisitions, or any unreimbursed Advanced Funds, then the Parties agree that the District shall have no payment or reimbursement obligation whatsoever for those unfunded acquisitions, or unreimbursed Advanced Funds. The Developer acknowledges that the District may convey some or all of the Work Product and/or Improvements described in the Engineer's Report to a general purpose unit of local government (e.g., the County) and consents to the District's conveyance of such Work Product and/or Improvements prior to any payment being made by the District.

7. CONTRIBUTIONS. In connection with the issuance of the Bonds, the District will levy debt service special assessments to secure the repayment of Bonds. As described in more detail in the *Master Special Assessment Methodology Report*, dated _____, as supplemented by the *First Supplemental Special Assessment Methodology Report*, dated _____, 2025 (collectively, "**Assessment Report**"), and prior to the issuance of any series of Bonds, the Developer may request that such debt service special assessments be reduced for certain product types. To accomplish any such requested reduction, and pursuant to the terms of this Agreement, the Developer agrees to provide a contribution of Improvements, Work Product and/or Real Property based on appraised value, comprising a portion of the Series 2025 Project and to meet the minimum requirements set forth in the Assessment Report, if any. Any such contributions shall not be eligible for payment by the District hereunder.

8. IMPACT FEE CREDITS. In connection with the District's capital improvement plan, the District may finance certain infrastructure that may generate impact fee credits. As set forth in the District's assessment proceedings, and in recognition of the uncertain market for such credits, and limited value, and as consideration for the District and the Developer undertaking the transactions involved with the Series 2025 Project and financing arrangements, the District and the Developer agree that the Developer may retain any such impact fee credits, provided that the Developer contributes a corresponding amount of Improvements, Work Product and/or Real Property based on appraised value as part of the District's capital improvement plan and/or reduces the cost of such Improvements, Work Product or Real Property to be acquired by the District by a corresponding amount of such impact fee credits. Alternatively, the Developer may provide the proceeds of the impact fee credits to the District for deposit into the applicable acquisition and construction account for the Bonds, and for use in acquiring and/or constructing the Series 2025 Project.

9. DEFAULT. A default by either Party under this Agreement shall entitle the other to all remedies available at law or in equity, which may include, but not be limited to, the right of damages and/or specific performance. Any default under an applicable trust indenture for the Bonds caused by the Developer and/or its affiliates shall be a default hereunder, and the District shall have no obligation to fund the Series 2025 Project in the event of such a default. Notwithstanding the foregoing, neither the District nor the Developer shall be liable for any consequential, special, indirect or punitive damages due to a default hereunder. Prior to commencing any action for a default hereunder, the Party seeking to commence such action shall

first provide written notice to the defaulting Party of the default and an opportunity to cure such default within 30 days.

10. ATTORNEYS' FEES AND COSTS. In the event that either Party is required to enforce this Agreement by court proceedings or otherwise, then the Parties agree that the prevailing Party shall be entitled to recover from the other all fees and costs incurred, including reasonable attorneys' fees and costs for trial, alternative dispute resolution, or appellate proceedings.

11. AMENDMENTS. Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both the District and the Developer.

12. AUTHORIZATION. The execution of this Agreement has been duly authorized by the appropriate body or official of the District and the Developer; both the District and the Developer have complied with all the requirements of law; and both the District and the Developer have full power and authority to comply with the terms and provisions of this instrument.

13. NOTICES. All notices, requests, consents and other communications hereunder ("Notices") shall be in writing and shall be delivered, mailed by First Class Mail, or electronic mail return receipt, postage prepaid, or telecopied to the Parties, as follows:

Any Party or other person to whom Notices are to be sent or copied may notify the other Parties and addressees of any change in name, address or telecopy number to which Notices shall be sent by providing the same on five (5) days written notice to the Parties and addressees set forth herein.

14. ARM'S LENGTH TRANSACTION. This Agreement has been negotiated fully between the District and the Developer as an arm's length transaction. The Parties participated fully in the preparation of this Agreement and received the advice of counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, the Parties are deemed to have drafted, chosen, and selected the language, and the doubtful language will not be interpreted or construed against either the District or the Developer.

15. THIRD-PARTY BENEFICIARIES. This Agreement is solely for the benefit of the District and the Developer, and no right or cause of action shall accrue upon or by reason, to or for the benefit of any third-party not a formal party to this Agreement. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or corporation other than the District and the Developer any right, remedy, or claim under or by reason of this Agreement or any of the provisions or conditions of this Agreement; and all of the provisions, representations, covenants, and conditions contained in this Agreement shall inure to the sole benefit of and shall be binding upon the District and the Developer and their respective representatives, successors, and assigns.

20. LIMITATIONS ON GOVERNMENTAL LIABILITY. Nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of the District beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by

the Florida Legislature in Section 768.28, *Florida Statutes*, or other law, and nothing in this Agreement shall inure to the benefit of any third-party for the purpose of allowing any claim which would otherwise be barred by sovereign immunity or by other operation of law.

COLLATERAL ASSIGNMENT AGREEMENT (SERIES 2025 BONDS)

THIS COLLATERAL ASSIGNMENT AGREEMENT (“**Agreement**”) is made and entered into, by and between:

Cedar Crossings Community Development District, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, being situated in the City of Haines City, Polk County, Florida, and whose mailing address is c/o Wrathell, Hunt and Associates, LLC, 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431 (“**District**”); and

KB Home Orlando LLC, a Delaware limited liability company, and the owner and developer of lands within the boundaries of the District, whose mailing address is 9102 Southpark Center Loop, Suite 100, Orlando, Florida 32819 (“**Developer**”, together with the District, the “**Parties**”, and separately “**Party**”).

RECITALS

WHEREAS, the District was established by ordinance enacted by the City Commission of the City of Haines City, Florida pursuant to the Uniform Community Development District Act of 1980, Chapter 190, *Florida Statutes*, as amended (“**Act**”), and is validly existing under the Constitution and laws of the State of Florida; and

WHEREAS, the Act authorizes the District to issue bonds for the purposes, among others, of planning, financing, constructing, and acquiring certain infrastructure, including roadways, stormwater management systems, utilities (water and wastewater), undergrounding of conduit, hardscape, landscape, irrigation, recreational facilities, and other infrastructure within or outside the boundaries of the District; and

WHEREAS, the District proposes to issue \$_____ Special Assessment Bonds, Series 2025 (“**Series 2025 Bonds**”) to finance certain public infrastructure, as defined in that certain *Engineer’s Report for Cedar Crossings Community Development District*, dated June 13, 2024 (the improvements described therein, the “**Series 2025 Project**”); and

WHEREAS, the security for the repayment of the Series 2025 Bonds is the special assessments (“**Series 2025 Special Assessments**”) levied against benefitted lands within the District (“**Property**”), the legal description of which is attached hereto as **Exhibit A**; and

WHEREAS, the District is presently planned to include certain single family residential product types and units¹ (as used herein with respect to the planned units and/or the undeveloped lands within the Property that may be developed into the planned units and that will fully secure the Series 2025 Special Assessments, the “**Lots**”) within the Property; and

WHEREAS, “**Development Completion**” will occur when the District’s Series 2025 Project is complete, all Lots have been developed, and all other infrastructure work necessary to support the Lots has been completed; and

WHEREAS, prior to Development Completion, there is an increased likelihood that adverse changes to local or national economic conditions may result in a default in the payment of the Series 2025 Special Assessments securing the Series 2025 Bonds; and

WHEREAS, in the event of default in the payment of the Series 2025 Special Assessments, the District has certain remedies – namely, if the Series 2025 Special Assessments are direct billed, the remedy available to the District would be an action in foreclosure, or if the Series 2025 Special Assessments are collected pursuant to Florida’s uniform method of collection, the remedy for non-payment of the Series 2025 Special Assessments is the sale of tax-certificates (collectively, “**Remedial Rights**”); and

WHEREAS, in the event the District exercises its Remedial Rights, the District will require the assignment of certain Development Rights (defined below) to complete development of the community; and

WHEREAS, the rights assigned to the District hereunder shall be exercised in a manner which will not materially affect the intended development of the Property.

NOW, THEREFORE, in consideration of the above recitals which the Parties hereby agree are true and correct and are hereby incorporated by reference and other good and valuable consideration, the receipt and sufficiency of which are acknowledged, the Developer and the District agree as follows:

1. COLLATERAL ASSIGNMENT.

Development Rights. The Developer hereby collaterally assigns to the District, to the extent assignable and to the extent that they are owned or controlled by the Developer at execution of this Agreement or subsequently acquired by the Developer, all of the Developer’s development rights relating to development of the Property and/or the Series 2025 Project (herein, collectively, “**Development Rights**”), as security for the Developer’s payment and performance and discharge of its obligation to pay the Series 2025 Special Assessments levied against the Property owned by the Developer from time to time. The Development Rights shall include the items listed in subsections (a) through (i) below as they pertain to development of the Property and/or the Series 2025 Project:

¹ The number and type of Lots may vary based on final development. Ultimately, and subject to true-up determinations, the Developer is obligated to develop sufficient residential units (i.e., presently planned for 298 residential units) that would absorb the full allocation of Series 2025 Special Assessments securing the Series 2025 Bonds, where such Series 2025 Special Assessments are based on the assessment levels for each product type established in the *First Supplemental Special Assessment Methodology Report*, dated _____, 2025.

(a) Zoning approvals, density approvals and entitlements, concurrency and capacity certificates, and development agreements.

(b) Engineering and construction plans and specifications for grading, roadways, site drainage, stormwater drainage, signage, water distribution, wastewater collection, and other improvements.

(c) Preliminary and final site plans.

(d) Architectural plans and specifications for public buildings and other public improvements relating to the Property.

(e) Permits, approvals, resolutions, variances, licenses, and franchises granted by governmental authorities, or any of their respective agencies, for or affecting the development within the Property and construction of improvements thereon, or off-site to the extent such off-site improvements are necessary or required for Development Completion.

(f) Contracts with engineers, architects, land planners, landscape architects, consultants, contractors, and suppliers for or relating to the construction of the development within the Property or the construction of improvements thereon.

(g) All declarant's rights under any homeowner's association or other similar governing entity with respect to the Property.

(h) All impact fee credits.

(i) All future creations, changes, extensions, revisions, modifications, substitutions, and replacements of any of the foregoing.

Exclusions. Notwithstanding the foregoing, the Development Rights shall not include any rights which relate solely to: (i) Lots conveyed to homebuilders or end-users, or (ii) any property which has been conveyed to Polk County, Florida, the District, any utility provider, or any governmental or quasi-governmental entity as may be required by applicable permits, approvals, plats, entitlements or regulations affecting the District, if any (items (i) and (ii) referred to herein as "**Permitted Transfer**").

Rights Inchoate. The assignment and assumption of rights under this Agreement shall be inchoate and shall only become an absolute assignment and assumption of the Development Rights, upon failure of the Developer to pay the Series 2025 Special Assessments levied against the Property; provided, however, that such assignment shall only be absolute to the extent that: (i) this Agreement has not been terminated earlier pursuant to the term of this Agreement, (ii) a Permitted Transfer has not already occurred with respect to the Development Rights, or (iii) a Lot is conveyed to an unaffiliated homebuilder or end-user, in which event such Lot shall be released automatically from this Agreement.

Rights Severable. To the extent that any Development Rights apply to the Property and additional lands, or to Property that is the subject of a Permitted Transfer, the Developer shall at the request of the District cooperate and take reasonable steps to separate such rights for the District's use.

2. **WARRANTIES BY DEVELOPER.** The Developer represents and warrants to the District that:

(a) Other than Permitted Transfers, the Developer has made no assignment of the Development Rights to any person other than District.

(b) The Developer is not prohibited under agreement with any other person or under any judgment or decree from the execution and delivery of this Agreement.

(c) No action has been brought or threatened which would in any way interfere with the right of the Developer to execute this Agreement and perform all of the Developer's obligations herein.

(d) Any transfer, conveyance or sale of the Property shall subject any and all affiliated entities or successors-in-interest of the Developer to the Agreement, except to the extent of a Permitted Transfer.

3. **COVENANTS.** The Developer covenants with District that during the Term (as defined herein):

(a) The Developer will use reasonable, good faith efforts to: (i) fulfill, perform, and observe each and every material condition and covenant of the Developer relating to the Development Rights and (ii) give notice to the District of any claim of default relating to the Development Rights given to or by the Developer, together with a complete copy of any such claim.

(b) The Developer agrees not to take any action that would decrease the development entitlements to a level below the amount necessary to support the then outstanding Series 2025 Special Assessments, other than satisfying any true-up obligations to the District; to take any action to modify, waive, release or terminate the Development Rights in a manner that would materially impair or impede Development Completion; or otherwise take any action that would materially impair or impede Development Completion.

4. **EVENTS OF DEFAULT.** Any breach of the Developer's warranties contained in Section 2 hereof or breach of covenants contained in Section 3 hereof shall, after the giving of written notice from the District and an opportunity to cure (which cure period shall be not more than thirty (30) days), constitute an "**Event of Default**" under this Agreement. An Event of Default shall also include the transfer of title to Lots owned by Developer pursuant to a judgment of foreclosure entered by a court of competent jurisdiction in favor of District (or its designee) or a deed in lieu of foreclosure to District (or its designee), or the acquisition of title to such Lots through the sale of tax certificates.

5. **REMEDIES UPON DEFAULT.** Upon an Event of Default, the District or its designee may, as the District's sole and exclusive remedies, take any or all of the following actions, at the District's option:

(a) Perform any and all obligations of the Developer relating to the Development Rights and exercise any and all rights of the Developer therein as fully as the Developer could.

(b) Initiate, appear in, or defend any action arising out of or affecting the Development Rights.

(c) Further assign any and all of the Development Rights to a third party acquiring title to the Property or any portion thereof from the District or at a District foreclosure sale.

6. **AUTHORIZATION IN EVENT OF DEFAULT.** In the Event of Default, the Developer does hereby authorize and shall direct any Party to any agreement relating to the Development Rights to tender performance thereunder to the District or its designee upon written notice and request from the District. Any such performance in favor of the District or its designee shall constitute a full release and discharge to the extent of such performance as fully as though made directly to the Developer.

7. **SECURITY AGREEMENT.** This Agreement shall be a security agreement between the Developer, as the debtor, and the District, as the secured party, covering the Development Rights that constitute personal property governed by the Florida Uniform Commercial Code (“**Code**”), and the Developer grants to the District a security interest in such Development Rights. In addition to the District’s other rights hereunder, and upon an Event of Default, the District shall have the right to file any and all financing statements that may be required by the District to establish and maintain the validity and priority of the District’s security interest rights of a secured party under the Code.

8. **TERM; TERMINATION.** Unless the assignment of Development Rights becomes absolute, this Agreement shall automatically terminate upon the earliest to occur of the following: (i) payment of the Bonds in full; (ii) Development Completion; or (iii) upon occurrence of a Permitted Transfer, but only to the extent that such Development Rights are with respect to lands that are the subject of the Permitted Transfer (herein, the “**Term**”).

9. **AMENDMENT.** This Agreement may be modified in writing only by the mutual agreement of the Parties hereto, and only after satisfaction of the conditions set forth in Section 15.

10. **ASSIGNMENT.** This Agreement shall constitute a covenant running with title to the Property, binding upon the Developer and its successors and assigns as to the Property or portions thereof. Any transferee shall take title subject to the terms of this Agreement and with respect to the portion of the Property so transferred, provided however that this Agreement shall not apply to any portion of the Property that is the subject of a Permitted Transfer.

11. **ATTORNEYS’ FEES AND COSTS.** In the event that either Party is required to enforce this Agreement by court proceedings or otherwise, then the Parties agree that the prevailing Party shall be entitled to recover from the other all fees and costs incurred, including reasonable attorneys’ fees and costs for trial, alternative dispute resolution, or appellate proceedings.

12. **AUTHORIZATION.** The execution of this Agreement has been duly authorized by the appropriate body or official of the District and the Developer; both the District and the Developer have complied with all the requirements of law; and both the District and the

Developer have full power and authority to comply with the terms and provisions of this instrument.

13. **NOTICES.** All notices, requests, consents and other communications hereunder (“Notices”) shall be in writing and shall be delivered, mailed by First Class Mail, postage prepaid, electronic mail return receipt, or telecopied to the Parties, as follows:

14. **ARM’S LENGTH TRANSACTION.** This Agreement has been negotiated fully between the District and the Developer as an arm’s length transaction. 17. **PUBLIC RECORDS.** The Developer understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records and treated as such in accordance with Florida law.

COMPLETION AGREEMENT –
CEDAR CROSSINGS COMMUNITY DEVELOPMENT DISTRICT
(SERIES 2025 BONDS)

THIS COMPLETION AGREEMENT (“Agreement”) is made and entered into, by and between:

Cedar Crossings Community Development District, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, being situated in the City of Haines City, Polk County, Florida, and whose mailing address is c/o Wrathell, Hunt and Associates, LLC, 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431 (“**District**”); and

KB Home Orlando LLC, a Delaware limited liability company, and the owner and developer of lands within the boundaries of the District, whose mailing address is 9102 Southpark Center Loop, Suite 100, Orlando, Florida 32819 (“**Developer**”, together with the District, the “**Parties**”, and separately “**Party**”).

RECITALS

WHEREAS, the District was established pursuant to the Uniform Community Development District Act of 1980, Chapter 190, *Florida Statutes*, as amended (“**Act**”), and is validly existing under the Constitution and laws of the State of Florida; and

WHEREAS, the Act authorizes the District to issue bonds for the purposes, among others, of planning, financing, constructing, and acquiring certain infrastructure, roadways, stormwater management systems, utilities (water and wastewater), undergrounding of conduit, hardscape, landscape, irrigation, recreational facilities, and other infrastructure within or outside the boundaries of the District; and

WHEREAS, the Developer is the owner and developer of lands within the boundaries of the District; and

WHEREAS, the District presently intends to undertake the planning, design, acquisition, construction, and installation of certain public infrastructure improvements as set forth in the Engineer’s Report (hereinafter defined) and known as the **Series 2025 Project**;

WHEREAS, the District presently intends to finance the planning, design, acquisition, construction, and installation of certain infrastructure improvements, facilities, and services that comprise the Series 2025 Project, which is estimated to cost \$17,573,375 and is detailed in the *Engineer’s Report for Cedar Crossings Community Development District*, dated June 13, 2024 (“**Engineer’s Report**”) attached to this Agreement as **Exhibit A** and incorporated herein by this reference; and

WHEREAS, the District intends to finance a portion of the Series 2025 Project with proceeds from the anticipated sale of its \$_____ Special Assessment Bonds, Series 2025 (“**Series 2025 Bonds**”); and

WHEREAS, the Developer and the District hereby agree that the District will be obligated to issue no more than the \$_____ in Series 2025 Bonds to fund the Series 2025 Project and, subject to the terms and conditions of this Agreement, the Developer will make provision for any additional funds that may be needed in the future for the completion of the Series 2025 Project.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the Parties, the receipt of which and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. **INCORPORATION OF RECITALS.** The recitals stated above are true and correct and by this reference are incorporated herein as a material part of this Agreement.

2. **COMPLETION OF SERIES 2025 PROJECT.** The Developer and District agree and acknowledge that the District’s proposed Series 2025 Bonds will provide only a portion of the funds necessary to complete the Series 2025 Project. Therefore, the Developer hereby agrees to complete, cause to be completed, provide funds or cause funds to be provided to the District in an amount sufficient to allow the District to complete or cause to be completed, those portions of the improvements in the Series 2025 Project which remain unfunded including, but not limited to, all administrative, legal, warranty, engineering, permitting or other related work product and soft costs (together, “**Remaining Improvements**”) whether pursuant to existing contracts, including change orders thereto, or future contracts. The District and Developer hereby acknowledge and agree that the District’s execution of this Agreement constitutes the manner and means, as described below, by which the District and the Developer have elected to provide any and all portions of the Remaining Improvements not funded by the Series 2025 Bonds (including any amounts available in the applicable acquisition and construction account as a result of monies being released from the debt service reserve account, as established for the Series 2025 Bonds pursuant to the terms of the applicable trust indenture(s)).

- a. ***Subject to Existing Contract*** - When all or any portion of the Remaining Improvements are the subject of an existing District contract, the Developer shall provide funds or cause funds to be provided directly to the District in an amount sufficient to complete the Remaining Improvements pursuant to such contract, including change orders thereto.
- b. ***Not Subject to Existing Contract*** – When any portion of the Remaining Improvements is not the subject of an existing District contract, the Developer may choose to complete, cause to be completed, provide funds or cause funds to be provided to the District in an amount sufficient to allow the District to complete or cause to be completed, those Remaining Improvements.

- c. ***Future Bonds*** – Subject to the terms of the *Acquisition Agreement*, dated as the same date herewith (“**Acquisition Agreement**”) entered into by the Parties, the Parties agree that any funds provided by Developer to fund the Remaining Improvements may be later payable from, and the District’s acquisition of the Remaining Improvements may be payable from, the proceeds of a future issuance of bonds by the District (i.e., other than the Series 2025 Bonds) provided that the Parties acknowledge that a future issuance of bonds is not contemplated. Within forty-five (45) days of receipt of sufficient funds by the District for the District’s improvements and facilities (including but not limited to any Remaining Improvements) and from the issuance of any such future bonds, the District shall reimburse Developer to the extent that there are proceeds available from such future bonds, exclusive of interest, for the funds and/or improvements provided pursuant to this Agreement; provided, however, that no such obligation shall exist where the Developer is in default on the payment of any debt service assessments due on any property owned by the Developer, and, further, in the event the District’s bond counsel determines that any such monies advanced or expenses incurred are not properly reimbursable for any reason, including, but not limited to federal tax restrictions imposed on tax-exempt financing, the District shall not be obligated to reimburse such monies advanced or expenses incurred. Nothing herein shall cause or be construed to require the District to issue additional bonds or indebtedness – other than the Series 2025 Bonds – to provide funds for any portion of the Remaining Improvements. The Developer shall be required to meet its obligations hereunder and complete the Series 2025 Project regardless whether the District issues any future bonds (other than the Series 2025 Bonds) or otherwise pays the Developer for any of the Remaining Improvements. Interest shall not accrue on any amounts owed hereunder. If within five (5) years of the date of this Agreement, the District does not or cannot issue such future bonds, and, thus does not reimburse the Developer for the funds or Remaining Improvements advanced hereunder, then the Parties agree that the District shall have no reimbursement obligation whatsoever.

3. **OTHER CONDITIONS AND ACKNOWLEDGMENTS**

- a. ***Material Changes to Project*** – The District and the Developer agree and acknowledge that the exact location, size, configuration and composition of the Series 2025 Project may change from that described in the Engineer’s Report, depending upon final design of the development, permitting or other regulatory requirements over time, or other factors. Material changes to the Series 2025 Project shall be made by a written amendment to the Engineer’s Report, which shall include an estimate of the cost of the changes and shall require the consent of the Developer and the District, as well as the Trustee to the extent required by Section 9. Such consent is not necessary and the Developer must meet the completion obligations, or cause them to be met, when the scope, configuration, size and/or composition of the Series 2025 Project is materially changed in response to a requirement imposed by a regulatory agency.

- b. **Conveyances** – The District and Developer agree and acknowledge that any and all portions of the Remaining Improvements which are constructed, or caused to be constructed, by the Developer shall be conveyed to the District or such other appropriate unit of local government as is designated in the Engineer’s Report or required by governmental regulation or development approval. All conveyances to another governmental entity shall be in accordance with and in the same manner as provided in any agreement between the District and the appropriate unit of local government. Further, all such conveyances shall be done in a manner consistent with the Acquisition Agreement and, without intending to limit the same, shall include all necessary real property interests for the District to own, operate and maintain the Remaining Improvements. Further, and in addition to any requirements under the Acquisition Agreement, such conveyances shall also include all right, title, interest, and benefit of the Developer, if any, in, to and under any and all contracts, guaranties, affidavits, warranties, bonds, insurance rights, indemnification, defense and hold harmless rights, enforcement rights, claims, lien waivers, and other rights of any kind, with respect to the creation of the Remaining Improvements.

4. **DEFAULT.** A default by either Party under this Agreement shall entitle the other to all remedies available at law or in equity, which may include, but not be limited to, the right of damages and/or specific performance. Any default under the applicable trust indenture for the Series 2025 Bonds caused by the Developer and/or its affiliates shall be a default hereunder, and the District shall have no obligation to fund the Series 2025 Project with the proceeds of the Series 2025 Bonds in the event of such a default. Prior to commencing any action for a default hereunder, the Party seeking to commence such action shall first provide written notice to the defaulting Party of the default and an opportunity to cure such default within thirty (30) days.

5. **ATTORNEYS’ FEES AND COSTS.** In the event that either Party is required to enforce this Agreement by court proceedings or otherwise, then the Parties agree that the prevailing Party shall be entitled to recover from the other all fees and costs incurred, including reasonable attorneys’ fees and costs for trial, alternative dispute resolution, or appellate proceedings.

6. **AUTHORIZATION.** The execution of this Agreement has been duly authorized by the appropriate body or official of the District and the Developer; both the District and the Developer have complied with all the requirements of law; and both the District and the Developer have full power and authority to comply with the terms and provisions of this instrument.

**DECLARATION OF CONSENT TO THE JURISDICTION OF
CEDAR CROSSINGS COMMUNITY DEVELOPMENT DISTRICT
AND TO IMPOSITION OF SERIES 2025 SPECIAL ASSESSMENTS**

KB HOME ORLANDO LLC, a Delaware limited liability company (the “**Developer**”), is the owner and/or developer of certain lands located within the boundaries of the Cedar Crossings Community Development District (the “**District**”), as further described herein and in the attached **Exhibit A** (the “**Property**”). The Developer, intending that it and its respective successors in interest and assigns shall be legally bound by this Declaration, hereby declares, acknowledges and agrees as follows:

1. The District is, and has been at all times, on and after April 18, 2024, a legally created, duly organized, and validly existing community development district under the provisions of the Uniform Community Development District Act of 1980, Chapter 190, *Florida Statutes*, as amended (the “**Act**”). Without limiting the generality of the foregoing, the Developer acknowledges that: (a) the petition filed with the City Commission of the City of Haines City, Florida (the “**City Commission**”), relating to the creation of the District contained all matters required by the Act to be contained therein and was filed in the manner and by the persons required by the Act; (b) Ordinance No. 24-2072, effective as of April 18, 2024, was duly and properly enacted by the City Commission in compliance with all applicable requirements of law; and (c) the members of the Board of Supervisors of the District (the “**Board**”) were duly and properly designated pursuant to the Act to serve in their capacities, and had the authority and right to authorize, approve and undertake all actions of the District approved and undertaken from April 18, 2024, to and including the date of this Declaration.

2. The Developer, for itself and its successors and assigns, hereby confirms and agrees that the special assessments imposed by Resolution Nos. 2024-33, 2024-37, and 2025-____ (collectively, the “**Assessment Resolutions**” and the special assessments imposed thereby as it relates to the Series 2025 Bonds, the “**Series 2025 Assessments**”), duly adopted by the Board, and all proceedings undertaken by the District with respect thereto have been in accordance with applicable Florida law, that the District has taken all action necessary to levy and impose the Series 2025 Assessments and the Series 2025 Assessments are legal, valid and binding first liens upon the Property coequal with the lien of all state, county, district and municipal taxes, and superior in dignity to all other liens, titles and claims, except for certain federal tax liens, until paid.

3. The Developer, for itself and its successors and assigns, hereby waives the right granted in Section 170.09, *Florida Statutes*, and rights provided in the Assessment Resolutions, to prepay the Series 2025 Assessments without interest within thirty (30) days after the improvements are completed, in consideration of, among other things, rights granted by the District to prepay the

Series Special Assessments in full or in part at any time, but with interest, under the circumstances set forth in the Assessment Resolutions.

4. The Developer hereby expressly acknowledges, represents and agrees that: (i) the Series 2025 Assessments, the Assessment Resolutions, and the terms of the financing documents related to the District's issuance of its \$ _____ Cedar Crossings Community Development District Special Assessment Bonds, Series 2025 (the "**Series 2025 Bonds**") securing payment thereof, and all other documents and certifications relating to the issuance of the Series 2025 Bonds (the "**Financing Documents**") are valid and binding obligations enforceable in accordance with their terms; (ii) the Developer has no claims or offsets whatsoever against, or defenses or counterclaims whatsoever to, payments of the Series 2025 Assessments or claims of invalidity, deficiency or enforceability of the Series 2025 Assessments and Financing Documents (and the Developer hereby expressly waives any such claims, offsets, defenses or counterclaims); (iii) the Developer expressly waives and relinquishes any argument, claim or defense that foreclosure proceedings cannot be commenced until one (1) year after the date of the Developer's default, and agrees that immediate use of remedies in Chapter 170, *Florida Statutes*, is an appropriate and available remedy, notwithstanding the provisions of Section 190.026, *Florida Statutes*; and (iv) to the extent the Developer fails to timely pay any Series 2025 Assessments, including any true-up payment, collected by mailed notice of the District, such unpaid special assessments and future special assessments may be placed on the tax roll by the District for collection by the Tax Collector pursuant to Section 197.3632, *Florida Statutes*, in any subsequent year, or may be foreclosed on pursuant to Chapters 170 and 190, *Florida Statutes*. Notwithstanding the foregoing, nothing in this Declaration shall be deemed to imply or impose personal liability upon the Developer to pay the Series 2025 Assessments, except for the Developer's obligations under the Completion Agreement and Collateral Assignment of even date herewith, the Developer shall not suffer or incur any personal liability to pay any Series 2025 Assessments and the District's sole remedies for the Developer's non-payment of the Series 2025 Assessments shall be against the real estate subject to the lien of the Series 2025 Assessments and rights assigned under the Collateral Assignment and as otherwise provided for in law.

5. This Declaration shall represent a lien of record for purposes of Florida law, including but not limited to Chapter 197, *Florida Statutes*, and Sections 197.552 and 197.573, *Florida Statutes*, among others. Other information regarding the Series 2025 Special Assessments is available from the District Manager, Wrathell, Hunt and Associates, LLC, 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431.

6. This Declaration may be executed in multiple counterparts, each of which shall be deemed an original and all of which shall constitute one agreement and the signatures of any party to any counterpart shall be deemed to be a signature to, and may be appended to, any other counterpart.

THE DECLARATIONS, ACKNOWLEDGEMENTS, AND AGREEMENTS CONTAINED HEREIN SHALL RUN WITH THE LAND DESCRIBED IN EXHIBIT A HERETO AND SHALL BE BINDING ON THE DEVELOPER AND ON ALL PERSONS (INCLUDING BUT NOT LIMITED TO INDIVIDUALS AS WELL AS CORPORATIONS, ASSOCIATIONS, TRUSTS, AND OTHER LEGAL ENTITIES) TAKING TITLE TO ALL

**TRUE-UP AGREEMENT
CEDAR CROSSINGS COMMUNITY DEVELOPMENT DISTRICT
(SERIES 2025 BONDS)**

THIS TRUE-UP AGREEMENT (“Agreement”) is made and entered into by and between:

Cedar Crossings Community Development District, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, being situated in the City of Haines City, Polk County, Florida, and whose mailing address is c/o Wrathell, Hunt and Associates, LLC, 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431 (“**District**”); and

KB Home Orlando LLC, a Delaware limited liability company, and the owner and developer of lands within the boundaries of the District, whose mailing address is 9102 Southpark Center Loop, Suite 100, Orlando, Florida 32819 (“**Developer**”, together with the District, the “**Parties**”, and separately “**Party**”).

RECITALS

WHEREAS, the District was established pursuant to the Uniform Community Development District Act of 1980, Chapter 190, *Florida Statutes*, as amended (“**Act**”), and is validly existing under the Constitution and laws of the State of Florida; and

WHEREAS, the Act authorizes the District to issue bonds for the purpose, among others, of planning, financing, constructing, and acquiring certain infrastructure, roadways, stormwater management, utilities (water & sewer), offsite improvements, landscaping/lighting, and other infrastructure within or without the boundaries of the District; and

WHEREAS, the Developer is currently the owner and developer of the lands within the District, as described in **Exhibit A** attached hereto (“**Property**”); and

WHEREAS, for the benefit of the Property, the District presently intends to finance the planning, design, acquisition, construction, and installation of certain infrastructure improvements, facilities, and services known as the **Series 2025 Project** and as defined in the *Engineer’s Report for Cedar Crossings Community Development District*, dated June 13, 2024 (“**Engineer’s Report**”); and

WHEREAS, the District intends to finance a portion of the Series 2025 Project with proceeds from the anticipated sale of its \$_____ Special Assessment Bonds, Series 2025 (“**Series 2025 Bonds**”); and

WHEREAS, pursuant to Resolution 2024-33, 2023-37, and 2025-____ (together, “**Assessment Resolutions**”), the District has taken certain steps necessary to impose debt service special assessment lien(s) (“**Series 2025 Assessments**”) on the Property pursuant to Chapters 170, 190 and 197, *Florida Statutes*, to secure repayment of the Series 2025 Bonds; and

WHEREAS, as part of the Assessment Resolutions, the District adopted the *Master Special Assessment Methodology Report*, dated June 13, 2024, as supplemented by the *First Supplemental Special Assessment Methodology Report*, dated _____, 2025 (together, “**Assessment Report**”), which is on file with the District and expressly incorporated herein by this reference; and

WHEREAS, Developer agrees that the Property benefits from the timely design, construction, or acquisition of the Series 2025 Project; and

WHEREAS, Developer agrees that the Series 2025 Assessments, which were imposed on the Property, have been validly imposed and constitute valid, legal, and binding liens upon the Property; and

WHEREAS, the Assessment Resolutions together with the Assessment Report provide that as the Property is platted, the allocation of the amounts assessed to and constituting a lien upon the Property would be calculated based upon certain density assumptions relating to the number of each type of residential unit to be constructed on the developable acres within the Property, which assumptions were provided by Developer; and

WHEREAS, Developer intends to plat and develop the Property based on then-existing market conditions, and the actual densities developed may be at some density less than the densities assumed in the Assessment Report; and

WHEREAS, as more fully described by the Assessment Resolutions, the Assessment Report anticipates a “true-up” mechanism by which the Developer shall make certain payments to the District in order to satisfy, in whole or in part, the assessments allocated and the liens imposed pursuant to the Assessment Resolutions, with the amount of such payments being determined generally by a calculation of the principal amount of assessments to be assigned under the Assessment Report as compared to the amount able to be assigned as a result of actual platting.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the Parties, the receipt of which and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. **RECITALS.** The recitals so stated are true and correct and by this reference are incorporated into and form a material part of this Agreement.

2. **VALIDITY OF ASSESSMENTS.** Developer agrees that the Assessment Resolutions have been duly adopted by the District. Developer further agrees that the Series 2025 Assessments imposed as liens by the District are legal, valid, and binding liens on the land against which assessed until paid, coequal with the liens of all state, county, district, and municipal taxes, and superior in dignity to all other state liens, titles, and claims. Developer waives any defect in notice or publication or in the proceedings to levy, impose, and collect the Series 2025 Assessments on the lands within the District, and further waives and relinquishes any rights it may have to challenge, object to or otherwise fail to pay such Series 2025 Assessments. Developer further agrees that to the extent Developer fails to timely pay all Series 2025 Assessments collected by mailed notice of the District, said unpaid Series 2025 Assessments (including True-Up Payments) may be placed on the tax roll by the District for collection by the County Tax Collector pursuant to Section 197.3632, *Florida Statutes*, in any subsequent year.

3. **WAIVER OF PREPAYMENT RIGHT.** Developer waives any rights it may have under Section 170.09, *Florida Statutes*, to prepay the Series 2025 Assessments without interest within thirty (30) days of completion of the Series 2025 Project, or any portion thereof.

4. **SPECIAL ASSESSMENT REALLOCATION; TRUE-UP PAYMENTS.** The Assessment Report identifies the amount of equivalent assessment units (and/or product types and unit counts) planned for the Property. At such time as lands are to be platted (or replatted) or site plans are to be approved (or re-approved), and subject to the conditions set forth in the Assessment Report, the plat or site plan (either, herein, “**Proposed Plat**”) shall be presented to the District for review pursuant to the terms herein. Such review shall be limited solely to the function and the enforcement of the District’s assessment liens and/or this Agreement. If such Proposed Plat is consistent with the development plan as identified in the Assessment Report, the District shall allocate the Series 2025 Assessments to the product types being platted and the remaining property in accordance with the Assessment Report and cause the Series 2025 Assessments to be recorded in the District’s Improvement Lien Book. If a change in development shows a net increase in the overall principal amount of Series 2025 Assessments able to be assigned to the Property, then the District may undertake a pro rata reduction of Series 2025 Assessments for all assessed properties within the Property or may otherwise address such net increase as permitted by law.

However, if a change in development as reflected in a Proposed Plat results in a net decrease in the overall principal amount of Series 2025 Assessments able to be assigned to the planned units described in the Assessment Report, and located within the Property, and using any applicable test(s) set forth in the Assessment Report (if any), then the District shall, subject to the provisions below, require the Developer(s) of the lands encompassed by the Proposed Plat and the remaining undeveloped lands (as applicable) to pay a “**True-Up Payment**” equal to the shortfall in Series 2025 Assessments resulting from the reduction of planned units plus any applicable interest and/or collection fees. In considering whether to require a True-Up Payment, the District shall consider any requests for a deferral of true-up. In order to obtain such a deferral, a Developer seeking such deferral must provide to the District the following: a) proof of the amount of entitlements remaining on the undeveloped lands, b) a revised overall development plan showing the number and type of units reasonably planned for the remainder of

the development, c) evidence of allowable zoning conditions that would enable those entitlements to be placed in accordance with the revised development plan, and d) documentation prepared by a licensed engineer that shows the feasibility of implementing the proposed development plan. The District's decision whether to grant a deferral shall be in its reasonable discretion, and such decision may require that the Developer provide additional information. Prior to any decision by the District not to impose a True-Up Payment, a supplemental methodology shall be produced demonstrating that there will be sufficient Series 2025 Assessments to pay debt service on the Series 2025 Bonds and the District will conduct new proceedings under Chapter 170, *Florida Statutes* upon the advice of District Counsel. Any True-Up Payment shall become immediately due and payable prior to platting or re-platting by the Developer of the lands subject to the Proposed Plat, shall be separate from and not in lieu of the regular assessment installment payable for such lands, and shall constitute part of the debt assessment liens imposed against the Proposed Plat property until paid. A True-Up Payment shall include accrued interest on the Series 2025 Bonds to the interest payment date that occurs at least 45 days after the True-Up Payment (or the second succeeding interest payment date if such True-Up Payment is made within forty-five (45) calendar days before an interest payment date (or such other time as set forth in the supplemental indenture for the Series 2025 Bonds)).

All Series 2025 Assessments levied run with the land, and such assessment liens include any True-Up Payments. The District will not release any liens on property for which True-Up Payments are due, until payment has been satisfactorily made. Further, upon the District's review of the final plat for the developable acres, any unallocated Series 2025 Assessments in the form of the herein described True-Up Payments shall become immediately due and payable. This true-up process applies for both plats and/or re-plats.

5. **ENFORCEMENT.** This Agreement is intended to be an additional method of enforcement of Developer's obligations to pay the portion of the Series 2025 Assessments which constitutes the True-Up Payment and to abide by the requirements of the reallocation of Series 2025 Assessments, including the making of the True-Up Payment, as set forth in the Assessment Resolutions. A default by either Party under this Agreement shall entitle any other Party to all remedies available at law or in equity, which shall include, but not be limited to, the right of damages, injunctive relief, and specific performance. Prior to commencing any action for a default hereunder, the Party seeking to commence such action shall first provide notice to the defaulting Party of the default and an opportunity to cure such default within thirty (30) days.

6. **ASSIGNMENT.** This Agreement shall constitute a covenant running with title to the Property, binding upon Developer and its successors and assigns as to the Property or portions thereof, and any transferee of any portion of the Property as set forth in this Section. Developer shall not transfer any portion of the Property to any third party, without first satisfying any True-Up Payment that results from any true-up determinations made by the District, including satisfaction of any deferred true-up previously granted by the District. Regardless of whether the conditions of this subsection are met, any transferee shall take title subject to the terms of this Agreement, but only to the extent this Agreement applies to the portion of the Property so transferred. As a point of clarification, and provided that any True-Up Payment is first made (which may be confirmed from an estoppel letter issued by the District through its District Manager), any platted lot conveyed to an end user with a home that has received a

certificate of occupancy is automatically and forever released from the terms and conditions of this Agreement. Also provided that any True-Up Payment is first made (which may be confirmed from an estoppel letter issued by the District through its District Manager), any platted lot that is restricted from re-platting and is conveyed to a homebuilder is automatically and forever released from the terms and conditions of this Agreement.

7. **ATTORNEYS' FEES AND COSTS.** In the event that either Party is required to enforce this Agreement by court proceedings or otherwise, then the Parties agree that the prevailing Party shall be entitled to recover from the other all fees and costs incurred, including reasonable attorneys' fees and costs for trial, alternative dispute resolution, or appellate proceedings.

8. **AMENDMENTS.** Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both the District and the Developer, but only after satisfaction of the conditions set forth in Section 12.

9. **AUTHORIZATION.** The execution of this Agreement has been duly authorized by the appropriate body or official of the District and the Developer; both the District and the Developer have complied with all the requirements of law; and both the District and the Developer have full power and authority to comply with the terms and provisions of this instrument.

10. **NOTICES.** All notices, requests, consents and other communications hereunder ("Notices") shall be in writing and shall be delivered, mailed by First Class Mail, postage prepaid, electronic mail return receipt, or telecopied to the Parties, as follows:

UNIFORM COLLECTION
AGREEMENT
DISTRICT

THIS AGREEMENT made and entered into this 8th day of, November 2024
by and between Cedar Crossings Community Development District (“District”),
whose address is 2300 Glades Road Suite 410W Boca Raton, FL 33431-8556
and the Honorable Joe G. Tedder, State Constitutional Tax Collector in and for the Polk County
Political Subdivision, whose address is Polk County Tax Collectors Office, P.O. Box 1189,
Bartow, Florida 33831-1189 (“Tax Collector”).

SECTION I

Findings and Determinations

The parties find and determine:

1. District is authorized to impose and levy, and by appropriate Resolution has expressed its intent to use the statutory uniform methodology of collection for, certain non-ad valorem special assessments for Cedar Crossings CDD as authorized by constitutional and statutory municipal home rule and by section 197.3632, Florida Statutes (2012) and Rule 12D-18, Florida Administrative Code.

2. The term “Assessments” means those certain levies by the District which purport to constitute non-ad valorem special assessments for Cedar Crossings CDD improvements and related systems, facilities and services pursuant to Resolution 2024-36 a non-ad valorem special assessment is lienable under Section 4, Article X, Florida Constitution, if it results in a special benefit peculiar to the parcels of property involved, over and above general community benefit, as a result of a logical connection to the property involved from the system, facility and service provided by the District and if it is apportioned to the property fairly and reasonably.

3. The uniform statutory collection methodology is provided in section 197.3632, Florida Statutes, and Rule 12D-18, Florida Administrative Code (“uniform methodology”), with its enforcement provisions, including the use of tax certificates and tax deeds for enforcing against any delinquencies; and

4. The uniform methodology is more fair to the delinquent property owner than traditional lien foreclosure methodology.

5. The uniform methodology provides for more efficiency of collection by virtue of the Assessment being on the official tax notice issued by the Tax Collector which will produce positive economic benefits to the District and its citizens; and

6. The uniform methodology, through use of the official tax notice, will tend to eliminate confusion.

7. The Tax Collector, as the State Constitutional Officer for the county political subdivision, charged by general law in Chapter 197, Florida Statutes, and related rules and regulations, to function as the agent of the Florida Department of Revenue for purposes of the uniform methodology for the Assessments.

8. The sole and exclusive responsibility to determine, impose and levy the Assessments and to determine that it is a legal, constitutional and lienable non-ad valorem special assessment for Cedar Crossings CDD and related systems, facilities and services is that of the District and no other person, entity or officer.

SECTION II

Applicable Law and Regulations

1. Section 2, Article VIII, Florida Constitution; Chapter 170, Florida Statutes; sections 197.3631, 3632 and 3635, Florida Statutes; Rule 12D-18, Florida Administrative Code; and all other applicable provisions of constitutional and statutory law, govern the exercise by the District of its local self-government power to render and pay for municipal services.

2. Section 1(d), Article VIII, Florida Constitution; Chapter 197, Florida and other applicable provisions of constitutional and statutory law apply to Tax Collector in his capacity as a state constitutional county officer and agent of the Florida Department of Revenue for purpose the of collecting and enforcing the collection of non-ad valorem special assessments levied by District.

3. Section 197.3631, Florida Statutes, constitutes supplemental authority for District to levy non-ad valorem assessments including such non-ad valorem special assessments as the “Assessments” for Cedar Crossings CDD and related systems, facilities and services.

4. Section 197.3632, Florida Statutes, and Rule 12D-18, Florida Administrative Code, have provisions that apply both to District and to Tax Collector, as well as, to the Department of Revenue and the Property Appraiser in and for the county.

SECTION III

In making this decision, the Tax Collector shall consider all costs to District and to the taxpayers of such a separate mailing as well as the adverse effect to the taxpayers of delay in multiple notices. Form Participation Agreement for Publication of Legal Notices on County Designated Publicly Accessible Website

This Form Participation Agreement ("Participation Agreement") is made and entered into by and between Polk County, a political subdivision of the State of Florida ("County"), and Cedar Crossings Community Development District, a local government existing under the laws of the State of Florida ("Local Government") (each a "Party," and collectively, the "Parties").

RECITALS

A. During the 2022 legislative session, the Florida Legislature enacted House Bill 7049, which created Section 50.0311, *Florida Statutes*.

B. Effective January 1, 2023, Section 50.0311, *Florida Statutes*, authorizes a local governmental agency to publish legal notices under specified conditions on a publicly accessible website, owned or designated by the applicable county, instead of in a print newspaper.

C. Local Government represents that it is a governmental agency as defined in Section 50.0311, *Florida Statutes*. Local Government desires to utilize County's designated publicly accessible website for certain required notices and advertisements.

D. Pursuant to Section 50.0311, *Florida Statutes*, County designated the website operated by D-R Media ("Website") as County's publicly accessible website for publication of notices and advertisements ("Publications").

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Recitals. The truth and accuracy of each clause set forth above is acknowledged by the Parties.

2. Designation of Website. County has entered into an agreement with Website ("Website Contract") for Publications. County may at any time, upon at least ninety (90) days prior to written notice to Local Government in accordance with the Notices section of this Participation Agreement, designate a different entity as County's publicly accessible website pursuant to Section 50.0311, *Florida Statutes*. Parties shall consider any such new designation as automatically effective upon the date stated in County's notice without the need for an amendment

to this Participation Agreement, and upon the effective date the new website shall be the "Website" for purposes of this Participation Agreement.

3. Utilization of Website. Local Government may utilize the Website for its Publications if and to the extent it elects to do so. Nothing in this Participation Agreement obligates Local Government to utilize the Website for any Publication. However, any utilization of Website by Local Government for Publications pursuant to Section 50.0311, *Florida Statutes*, shall be obtained exclusively through the Website Contract and not through any other contract or procurement method. Local Government agrees that no other website is County's designated publicly accessible website, and Local Government agrees it may not take any action to challenge or otherwise attempt to disqualify the designation of Website (or any substitute website pursuant to Section 2 above) as the properly designated website of County pursuant to Section 50.0311, *Florida Statutes*.

4. Term. The term of this Participation Agreement shall commence upon the date it is fully executed by the Parties ("Effective Date") and shall continue until terminated by either Party as otherwise provided herein.

5. Compliance with Notice Requirements. For the duration of this Participation Agreement, Local Government shall comply with all applicable requirements, obligations, duties, and procedures set forth in Chapter 50, Florida Statutes ("Notice Requirements"), as may be amended from time to time, relating to any Publications published on the Website. County shall have no responsibility for ensuring that Local Government, the Website, or the Publications comply with the Notice Requirements or any other applicable law, rule, or regulation.

6. County Actions are Ministerial. Local Government acknowledges that any and all Publications of Local Government are prepared by Local Government and not by County. Local Government shall construe any and all actions of County in conjunction with, or relating to, the designation of the Website for use by Local Government as, purely ministerial acts.

7. Costs and Payment. Local Government shall be solely responsible for the timely payment of all fees and costs associated with its Publications and use of the Website. Local Government shall utilize the Website Contract to obtain from Website any applicable services Local Government requires relating to Publications and shall pay Website directly for all such

services provided in connection with Publications. Additionally, Local Government shall be solely responsible for payment of any and all mailing costs or other costs associated with the Publications or otherwise incurred relating to the Publications pursuant to Chapter 50, Florida Statutes, including without limitation Section 50.0311(6), *Florida Statutes*. County shall not be responsible for any fees or costs associated with: (a) use of the Website by Local Government; (b) any Publication; or (c) compliance with Chapter 50, Florida Statutes. Local Government recognizes and agrees that if Local Government fails to timely pay Website, then Website may terminate Local Government's access to the Website, and County shall have no liability to Local Government for such termination or lack of access, or any subsequent costs which Local Government might incur due to such termination or lack of access. Likewise, Local Government acknowledges that County has no control over payment processing services.

8. Sovereign Immunity. Except to the extent sovereign immunity may be deemed waived by entering into this Participation Agreement, nothing herein is intended to serve as a waiver of sovereign immunity by either Party nor shall anything included herein be construed as consent by either Party to be sued by a third party in any matter arising out of this Participation Agreement.

9. Indemnification. Local Government shall indemnify and hold harmless County and all of County's current, past, and future officers, agents, and employees (collectively, "Indemnified Party") from and against any and all causes of action, demands, claims, losses, liabilities, and expenditures of any kind, including attorneys' fees, court costs, and expenses, including through the conclusion of any appellate proceedings, raised or asserted by any person or entity not a party to this Participation Agreement, and caused or alleged to be caused, in whole or in part, by any breach of this Participation Agreement by Local Government, or any intentional, reckless, or negligent act or omission of Local Government, its officers, employees, or agents, arising from, relating to, or in connection with this Participation Agreement or any Publication. The obligations of this section shall survive the expiration or earlier termination of this Participation Agreement.

10. Termination.

10.1 **Termination without cause.** Either Party may terminate this Participation Agreement without cause upon at least ninety (90) days' prior written notice

to the other Party.

10.2 Termination with cause. If the Party in breach has not corrected the breach within thirty (30) days after receipt of written notice from the aggrieved Party identifying the breach, then the aggrieved Party may terminate this Participation Agreement for cause.

10.3 Automatic Termination. If the publication of electronic notices is determined to be illegal by a court of competent jurisdiction, or if the Florida Legislature modifies Florida law to prohibit utilization of County's designated publicly accessible website for Publications, then this Participation Agreement will be deemed automatically terminated upon such finding becoming final or such law becoming effective, as applicable.

11 Notices. In order for a notice to a Party to be effective under this Participation Agreement, notice must be sent via U.S. first-class mail, with a contemporaneous copy sent via e-mail, to the addresses listed below and shall be effective upon mailing. The addresses for notice shall remain as set forth herein unless and until changed by providing notice of such change in accordance with the provisions of this section.

18. Representation of Authority. Each individual executing this Participation Agreement on behalf of a Party represents and warrants that they are, on the date they sign this Participation Agreement, duly authorized by all necessary and appropriate action to execute this Participation Agreement on behalf of such Party and that they do so with full legal authority.

19. Counterparts and Multiple Originals. This Participation Agreement may be executed in multiple originals, and may be executed in counterparts, whether signed physically or electronically, each of which shall be deemed to be an original, but all of which, taken together, shall constitute one and the same Participation Agreement.

20. Materiality and Waiver or Breach. Each requirement, duty, and obligation set forth herein was bargained for at arm's-length. Each requirement, duty, and obligation set forth herein is substantial and important to the formation of this Participation Agreement, and each is, therefore, a material term.
